

Beloved Archangel Michael

On the Defense of the Path and the Platform of Soul Liberation

Part 2

Now I invite you to come to Banff, to come and enter into our councils and, therefore, have your say as to where you would like to direct our legions of light. And therefore you may come and you may offer the deliberation of your study. And you may make your calls in the day and give your decrees and fiats for the direction of our legions. You may also ask the Lords of Karma for dispensations of more troops.

On the Defense of the Path and the Platform of Soul Liberation

Ten Angels Assigned to Each Keeper of the Flame

Part 2

Beloved ones, we are troops. We are legions of light. But we train every single day for our precision action in the astral plane, which we carry on in concentration between the hours of 10 p.m. and 6 a.m. These are the hours when the astral hordes are most active against mankind and when they are building their matrices to overthrow mankind on the following day. And therefore during these hours we are most active in the binding of the fallen ones.

You see, then, that during the day we have a certain period allotted for our training and our formations and our drill and our decrees and our preparation and our garnering of energy in the chakras and our meditation. And we meet, as it were, in military session, planning on the drawing board what will be the activities of those hours. For it is a dispensation of time as Mother that gives to us these cycles. And therefore the legions are assigned north, south, east and west.

Now I invite you to come to Banff, to come and enter into our councils and, therefore, have your say as to where you

would like to direct our legions of light. And therefore you may come and you may offer the deliberation of your study. And you may make your calls in the day and give your decrees and fiats for the direction of our legions. You may also ask the Lords of Karma for dispensations of more troops.

We have presented our case before the Lords of Karma for this earth, and their answer has been, "Let it come forth from those in embodiment and we will grant your dispensation, Archangel Michael." And therefore I place my case before you. We need more troops, and we need more light-bearers who are willing to come from other systems of worlds. Will you, then, ratify this dispensation by making your request this day in writing to the Lords of Karma that we might have reinforcements for the victory? [Congregation responds: "Yes!"]

Let these petitions, then, be burned by the hour of midnight that we may have our reinforcements swiftly. I thank you.

Joy Is a Feminine Principle of the Blue Flame

Now then, beloved hearts, lest you think that the blue flame is all discipline and the tension of the Law, let me explain that there is a feminine principle, a shakti of this light and power which I bring to you, that is a buoyant joy—an intense joy that is physical movement, as the dance of Shiva, as the laughter of the Mother. It is the dance of Kali. It is the movement of the flame. It is the principle of tension and release, tension and release. And in the release, there is the great movement of the wave. And in the breaking of the wave, there is the release of that intense power that has been garnered in the discipline.

And therefore the true servant of the will of God is by no means rigid. It is the fallen ones who have that rigidity and that fear that is not born of faith but only of a perversion of faith.

There is no fear of hierarchy. There is only the immense

appreciation of those who are the servants going before you, the awe of the great light of God that he has sealed in the hearts of the Elohim, the archangels and the messengers of God—not fear but the awe that you place before giant energy systems, knowing full well that one stands before the Holy of Holies.

One does not abuse these energy systems. One does not abuse a concentration of light. Respect is the Word. Love is the Word. Devotion is the Word. Commitment.

Let us remove fear, then. Let us remove doubt. For there is no doubt that I AM here. I AM here to stay. And I AM here to infuse you with the greatest light for freedom that the world has ever known.

Children of the sun, I love you. I seal you in the momentum of the Pleiades. I *charge* you with the awareness of your high calling. And I place upon you the blessing of eternal love.

“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **Archangel Michael** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Monday, October 10, 1977**, at *Soul Liberation*, held in Pasadena, Los Angeles County, California. Part 1 is published in *Pearls of Wisdom*, vol. 54, no. 5.

Notes from *Pearl* no. 5 by Archangel Michael:

(1) The **God Star**, Sirius, is the brightest star in the heavens and the seat of God-government for this sector of the galaxy. Sirius, commonly known as the Dog Star, is recognized by astronomers to be a binary star of the constellation Canis Major. Its companion, a white-dwarf star (discovered in 1862), is known as Sirius B. In a spiritual sense, all have come from Sirius. It is our point of origin and our home at the deepest level of our being. (2) **General George Keegan** (1921–1993) was the

assistant chief of staff for intelligence at United States Air Force headquarters in Washington, D.C., from 1972 to 1977. On October 9, 1977, the day before this dictation by Archangel Michael, General Keegan delivered a message on “The Defense of America” at Summit University Forum in Pasadena, California. It is available as CD on Demand at www.TSL.org/Bookstore. (3) The **Mighty Blue Eagle of Sirius** is a formation of blue-lightning angels who come from Sirius to assist Archangel Michael in his work on behalf of the evolutions of this solar system. Their legions move in the formation of the eagle that is on the Seal of the President of the United States. If you were to study the components of the Mighty Blue Eagle, you would see that every feather and part is a blue-flame angel. It is a vast formation that fills the starry heavens. This eagle is the symbol of Sirius, of the soaring of consciousness and the raising of the Mother, and of judgment, vigilance and the quickness of the All-Seeing Eye of God. The Mighty Blue Eagle beholds the enemy and casts out the enemy for the coming of the children of the One. These angels also reinforce the work of the violet-flame angels. (4) **Banff**, in the Canadian Rockies in Alberta, Canada, is the location of Archangel Michael’s retreat, the Temple of Faith and Protection. This retreat, specifically in the etheric realm over Banff and Lake Louise, is the home of legions of blue-lightning angels who come from the four corners of the universe to help a planet in travail. Bands of angels serving under the archangels of the other six rays also gather here, where great conclaves of the angelic hosts are held under the sponsorship of Archangel Michael. (5) I Sam. 17:48–50. (6) “**Those long eight pages**” of calls. Now we have the “Alternate Preamble to 10:00: Prayers to Archangel Michael for the Deliverance of God’s People on Earth,” which is included in the decree book *Prayers, Meditations and Dynamic Decrees for Personal and World Transformation* (#1778), on seven pages, pp. 177–83, available at www.TSL.org/Bookstore or by calling 1-800-245-5445 or 406-848-9500. (7) The **omni decrees and the calls on Communism** include decrees, calls and invocations on numerous problems—personal and world, social, religious and political. More specifically, these calls address the economy, nuclear energy, war, Communism and the International Capitalist/Communist Conspiracy. They can be found in the decree book *Prayers, Meditations and Dynamic Decrees for Personal and World Transformation*, pp. 71–77, 81–96, 124–26, 143–47.
