

*Beloved Mother Mary*

With All of Thy Getting  
Get the Light of the Eternal Christ

I am come in the fullness of that joy which knows always and ever the eternal message, the solution of every problem upon the planet and every personal manifestation of error—the joy which announces, “Unto us a child is born, unto us a Son is given.”

This Son, this Manchild, this presence of the light within you—fully expanded, waxing strong, increasing in stature before God and man—this Christ is the solution to every world problem. For while he is in the world, the forces of evil cannot move against the Woman and her seed. And if he be not in the world, then do the overcomers seek to overtake the children of God.

Beloved Mother Mary

August 15, 2011

## With All of Thy Getting Get the Light of the Eternal Christ

Ho! everyone that thirsteth. Come ye to the waters. Come to the fount of eternal life. Come to the waters, the crystal clear liquid of sacred fire, and drink the light of my Son, the light everlasting.

I am come in his name. I come to succor the children of the Mother in the very heat of the battle of life. I am come to give to you the cup of crystal clear liquid light, the cool waters refreshing that come from the fount of his own Godhood.

I am Mary. And I am come in the fullness of that joy which knows always and ever the eternal message, the solution of every problem upon the planet and every personal manifestation of error—the joy which announces, “Unto us a child is born, unto us a Son is given.”<sup>1</sup>

This Son, this Manchild, this presence of the light within you—fully expanded, waxing strong, increasing in stature before God and man—this Christ *is* the solution to every world problem. For while he is in the world, the forces of evil cannot move against the Woman and her seed. And if he be not in the world, then do the overcomers seek to overtake the children of God.

*With All of Thy Getting, Get the Light of the Eternal Christ* 112

### Give Birth to the Manchild

Therefore, with all of thy getting, get the light of the eternal Christ, thy portion, thy Christ Self. And be diligent in the work of the Father, in the Son and in the Mother within thee to give birth to that Manchild, who is the light and the Word of thy God.

The very presence of the light in the world is the healing of sin and the healing of maimed bodies. The very presence of the light is the flushing out of possessing demons and the binding of those demons. And the absence of that Manchild in the very midst of your heart is the great misdeed of all centuries. It is the great neglect. And whether you go here or there or seek this or that solution or the education of the outer mind, *you*, O disciples of my Son, if you have not the light of the Woman within you and the birth of the Manchild, you do not hold the balance against the devil and his seed in this hour, and you have not perceived the path of initiation under our father, the Ancient of Days.

Some think the message of Isaiah impractical and wholly apart from the invading armies and the day-to-day challenges in the economy. Yet I tell you, this economy of the United States, as it is on such shaky footing, would have long ago collapsed were it not for the presence of the Manchild within the disciples of my Son. They are the undergirdings and the superstructure of this economy. That light present in the world is the survival of the world. Remove, then, the Lamb and the Lamb’s wife, and the light of the world is no longer in the world.

Therefore, in all diligence, beloved hearts, remember the example of the saints. Igor was uneducated and ignorant, yet he held the light of Mother Russia and forestalled even greater death and dying and destruction.<sup>2</sup>

### Only the Presence of the Manchild Was Enough to Counteract the Presence of Darkness

Remember that all of my attention and meditation from birth to the hour of the birth of Jesus was upon the gift of the Manchild. And I was tutored in the promise, and I experienced the mantle of Isaiah and I knew his message well.

And I saw into the distant past and the distant future, even to this hour and beyond. And I saw the repetition of war and rivalry and lust and ignorance and all of the comings and goings of the Watchers and their civilizations. And I saw that only the presence of the Manchild in every age was enough to counteract the presence of darkness. And where no one raised up that light or gave birth to that Christed one, the world dwelt in darkness.

Therefore I determined what my life should be. All that I learned in the course of living, the necessities themselves of day-to-day existence, were in the perspective of being secondary to the birth in my heart of the flame of the Manchild sufficient enough to hold the balance and the light for the Manchild in Jesus. And blessed Saint Germain, my husband and my Guru, did show to me the path of life and the path of the magnet of the Central Sun that the Mother must hold on behalf of the mission of the Son. That Mother within all of you and within him is very necessary to the survival of the Christ Child.

### A Place Prepared

We herald this day, the day of the beginning of Montessori International,<sup>3</sup> the moment of the cradle prepared, the moment when the Manchild once again is brought forth from the heart of Mother Virgo. In the heart of the earth, there is a place prepared. It is the place of the nexus where God and

man meet. And in that meeting at the center of the cross of white fire is the self-realization of the little child, "Lo, I AM. Because I AM, God is in me. And because God is in me, I can do all things through Christ which strengtheneth me."<sup>4</sup>

We are gratified that here and there across the earth, nestled in the hills and the mountains, there are places such as this where we can yet deliver the little children and their parents and their teachers and give instruction from the earliest days on the giving birth to the Manchild. For the little child himself gives birth to the Manchild, and each parent as well. Not in flesh and blood but in the matrix of the Cosmic Christ consciousness is the balance of each soul and of the planet.

I come, then, to all who seek solutions. With all of thy getting, get the fullness of the light of my Son Jesus, of the Cosmic Christ and of all of the hosts of the LORD.

Let Christ be born! Let Christ be worshiped. Let the fullness of his coming be renewal, rejuvenation and conversion. Let it be strength and the power to do God's will!

Lo, I AM the Manchild in your midst! Will you give birth to Mother Mary in your heart? Will you give birth to this light?

O my beloved, understand that to receive one ascended master is to receive all. And to receive all is to receive the magnitude of our Father's multiplication of the Christ mind in all of his sons and daughters. Freely worship him, for freely he has given himself to you.

And in this world as in the next, I AM with you always, even unto the end of the cycles<sup>5</sup> of your personal and planetary karma.

I AM your Mother Mary. I AM the Manchild of each and every one of you, born again in this moment in the eternal matrix of my heart.

## Messenger's Invocation:

Beloved Mother Mary, keep now this flame which we send to thee for the birth of the Manchild in each one of us that we might be the living witness of the victory of God in the earth.

O light, be born in each heart. Expand, O light! Blessed Holy Ghost, let the breath of life be infused into the newborn Manchild of each one.

Hear, O Israel, the LORD our God is one Lord. Hear O world, the Manchild is come. For unto us a child is born, unto us the Christ is given. O Christ Self most blessed, enter now our temple and direct the course of earth's evolution.

In the name of the Father, the Mother, the Son and of the Holy Spirit, be sealed in the eternal heart of Mary, the Immaculate Heart, the Sacred Heart of Jesus and the Purple Fiery Heart of Saint Germain.

In the name of the cosmic cross of white fire, be sealed at the nexus. Be one as God in manifestation where you are. Throughout this day and every day to come, be blessed by love and only love. Amen.

**"The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom."** This previously unpublished dictation by **Mother Mary** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, September 9, 1979**, at Camelot, Los Angeles County, California. (1) Isa. 9:6. (2) **Igor held the light of Mother Russia.** In a dictation given March 25, 1967, the ascended master Igor said that as a child growing up in Russia, he saw his countrymen as "a vast evolution which seeks for liberty and yet creates bondage," and he prayed to God to help him understand this world "peopled with dark shapes and distortions." He received many visitations from Archangel Gabriel, who comforted him and promised, "I will guide thee throughout thy life and I will be to thee a friend. . . . Thou shalt no longer be just as a peasant boy called Igor, but thou shalt be a son of the Most High God; for in thee God has generated a flame this day. . . . God is no respecter of men's persons but in every age and time listens to the heart calls of the children of men. Know, then, that God hath heard thy call." When Igor became aware of the coming destruction of the czar and his family and realized that the "red dragon" would march across Russia, he spent hours in prayer imploring God to provide some measure of assistance. One evening "the beautiful Lady of Fátima" appeared to Igor and spoke of the terror of the red dragon. She said that only by a great struggle would mankind be able to turn back the oncoming darkness. Igor implored her assistance and offered his life if it would save his people. Then Mother Mary explained to him the karmic law. She said that the people, by their misuse of free will, had wrought this destruction and that only by seeking the things of the Spirit would they make the world free. As Igor recounts, "I accepted her love and her wisdom and my heart was comforted, but the terror burned on. Throughout my life as I sought to be a pilgrim in a strange country, I aspired to attain something higher that I might free men." See the Unknown Master (Igor), "The Drama of One Life Touched by God," in *Mary the Mother on the Temple of Understanding* (1972 *Pearls of Wisdom*, vol. 15, no. 53), pp. 217–18. For other dictations by the ascended master Igor, see December 31, 1972, "The Forces of the Lord Shall Descend: Special Dispensations for the People of Russia and China," 1972 *Pearls of Wisdom*, pp. 215–16; and April 2, 1983, "The Miracle of the Holy Ghost," 1983 *Pearls of Wisdom*, vol. 26, no. 34, pp. 319–24. (3) In 1970 Mark and Elizabeth Prophet founded **Montessori International**, a private school for children from preschool through the twelfth grade. The curriculum was based on the educational principles set forth by Dr. Maria Montessori and the ascended masters. At the time of this dictation, Montessori International was held at Camelot in Los Angeles County, California, and it was the beginning of the school year. (4) Phil. 4:13. (5) Matt. 28:20.

Summit University's transformative "Keys to Overcoming" seminar invites you to dive into the depths of your psychology and learn unique keys for self-mastery. Then, add on a few vacation days before or after the event for relaxation and fun on the beach for the same great discounted hotel rates.

# The Seminar

Have you ever wondered why you pass some of the tests in life and fail others? In 1997, Elizabeth Clare Prophet analyzed the life of Homer's hero Odysseus—the archetype of the human soul on the path of initiation—to provide answers to this question. Her fascinating lectures on Odysseus' trials, challenges and victories offer penetrating insight into human psychology and the path of overcoming.

You'll analyze the strategies of the not-self and gain a deep understanding of the Cosmic Clock—a powerful spiritual tool for anticipating, understanding and passing the tests that life throws your way. This will help you map out your own soul's journey to wholeness. In addition, we'll put this teaching on overcoming unreality into practice in intense spiritual work on problems plaguing Mexico, the United States and the region of Latin America.

## Program Highlights

- Twelve lectures on the trials, challenges, and victories of Odysseus on the Cosmic Clock
- In-depth commentary on human psychology with practical instruction on how to anticipate, understand and pass our tests on the path of initiation
