## The Alignment of the Self with the Self in the Temple Beautiful

*I AM Come to Release the Light of Love  
from the White-Fire Core of Terra*

*Hail*, sons and daughters of living love! I AM the consummation of the love of twin flames of a cosmos and of cosmos as twin flames.<sup>1</sup>

The wings of the great eagle, the cloven tongues of fire in the dove of the Spirit, Father-Mother God—this is the sign of victory. For love is the victory of every hour, and every hour is a song from Alpha to Omega, from Omega to Alpha. Every hour is the dance of Shiva, as Shiva brings forth the creation of love from out of the Shakti of love. So the movement and the rhythm of a cosmos is your very own love that is the love of God.

Love comes with a mounting and with a fury and with the wind and the wave and the lightning and the storm. Love comes with the first sound of the birds at dawn and the first light that whispers of eternity and of the eternal Son of love within the heart.

I AM Chamuel and Charity in the white-fire core of being. I AM with Alpha and Omega. I AM in you the fullness of twin

flames of love. And I AM come to manifest the polarity of thy self with thy Self.

### The Whirling Action of the Sacred Fire for the Consuming of All That Is Less than God-Desire

Now the energy of the soul is transferred from the soul center of the archangel and archeia of the love ray. Now let every soul begin to turn, as the turning of a white sun. And let the turning of the sun of the soul be for the vortex, fiery vortex, for the drawing in of the light of love, which I project from the soul of Mother to the soul of the children of the Father.

Let the souls now begin to turn as the coming of the Logos of love. Let this central sun of love be in you a whirling fire, all-consuming, now guarded by angelic bands, seraphim and cherubim, who are on hand—north and south, east and west, to thy right and to thy left, above and below—for the guarding of the whirlwind action of the Holy Spirit. For we come for the freeing of the soul of the disciple, of the sacred center of the soul in America, and of America and the earth.

Let the souls of earth's evolutions receive through you now that whirling action of sacred fire, the consuming of all that is less than God-desire. Let the whirling of the sun of being be as the adornment of the bride, for the soul is the bride of Christ. Let veil upon veil of the seven veils of purity now be wrapped around each soul as the soul returns to the immaculate conception of being in the heart of God.

I am the consuming within the soul of all lust that is the anti-trust of cosmic love. Let it go now into the flame! Let all inordinate desire pass into the flame! And let your desiring be to desire God and only God and only the love of God, now welling up in you as the great wave, the cosmic wave, twin waves of love released now for the clearing—the clearing of

the subconscious mind, the clearing of the pathway for the soul to rise *and to rise and to rise*.

### Confess Your Sins at the Altar of Your Heart

I command you now, O souls of the living God, souls who have gone out of the way into all manner of deviation of the sacred-fire principle of life, return to the heart! And kneel before the judgment seat of your own Christ Self. Kneel before the altar of the heart, I say! Be released from your soul chakra! Rise over the pathway of the Mother! And fear not to enter the judgment hall that is the temple beautiful.

Come now into the cathedral of your own heart, where you will be alone with your God and with your Christ. Now kneel before the altar, O souls who have gone out of the way. Kneel before the altar of love, I say, and confess your sins to your own Christ Self within your heart.

Go now! Go to be relieved of all the records that have piled up layer upon layer to torment you in the night and to be the opening for the dark spirits of temptation and of diversion and of condemnation.

### I Guard the Door of the Temple of the Heart and Clear the Temple by the Fire of Exorcism

I stand the angel with the flaming sword. I AM the flaming sword! I AM keeping the way of the Tree of Life within you that is the I AM THAT I AM. I stand guard at the portal of the temple of the heart.

Fear not to enter, for no other will enter but only thy God, only thy Self. Enter in through the door of the Christ! Enter in through the door of the heart! And find thy life again this day!

I would come into the temple to guard the door of the heart and to clear the temple by the fire of exorcism, which

I now release! *Bind* the demons and the devils within! *Bind* the serpents that have made their habitation in the temple of living love! They may not pass into the sacred forcefield of thy sacred Self.

I AM Chamuel and Charity. I AM the keeper of the way of life, and only life may enter. By free will, then, declare the rejection of the fallen one! Let it be *expelled* in the name of the Christ! Let it be *expelled* in the name of the law of the Buddhas, the bodhisattvas, and the *manvantaras*<sup>2</sup> of the aeons and aeons of God's appearing in the cyclings of his manifestation.

Let the specters of doubt and fear flee the coming of the sacred fires of love. For only love, only love is the dissolving of aught but love. Only love is the dissolving now of the spirits that mutter and peep, that cry out the name of Jesus or Gautama. For they fear the day of the judgment and their return to the flame to be canceled out, to be dissolved, to be no more.

Let God's energy rule. I command it in the name of the fire of the Great Central Sun! *Now* let the Great Central Sun energies flow! *Roll* now! *Roll* now! *Roll* now! [5-second pause]

Let the dark ones depart! *Go!* *Go* in the name of the Christ! *Go* in the name of the Christ! *Go* in the name of the Christ!

And let light flow. Let light *fill* the temple of being! Let light *fill* the temple of self!

Glory to God in the highest, and on earth peace to men and women of goodwill.<sup>3</sup> Let goodwill now concentrate, accelerate. Let the souls within the temple beautiful rise from before the altar of the Christ. And let them now see and be the manifestation and the fullness of the only begotten of God. For in the confession of your sin is the fount of forgiveness. And in the fount of forgiveness is your installation as a joint heir with the Cosmic Christ. Lo, for this cause I AM come—for the alignment of the self with the Self.

### The Arcing of the Covenant of Twin Flames

Now, soul who art aligned with the living Christ of thy God, stand to behold the victory of the Great Central Sun and see within thy heart the polarity of thy being. Wherever thou art, O soul, complement of soul, now let the Alpha and the Omega of the white-fire core of being and of cosmos begin the reconnection of the polarity of twin flames, as Above, so below. And let the polarity of twin flames be the white light of purity, of the new adornment with the sacred garment of life of every living creature.

I AM filled. I AM filled. I AM filled with the light of God.

So the arcing of the covenant of twin flames is established as a giant signal across the worlds. So when you are in Christ, you are one with the twin flame. When you are out of alignment with Christ, you are one only with the carnal mind and have no right to the relationship with the twin flame. For the flame is God and only God, and only God can be reunited with God.

Therefore, seek not the reunion but the purging of the self and the soul's uniting with the Christ. And then let the mighty flow of the Elohim and the archangels be the great sweeping aside of all that is less than the great manifestation of that cosmic caress of God, God—God the Beloved in the Beloved, *God the Beloved in the Beloved!* All else is sacrilege but the worship of God the Beloved in the Beloved. Let all else cease. And let thy meditations upon love be upon the white-fire core of Alpha and Omega.

### The Action of Cosmic Love for the Judgment

I AM Chamuel and Charity. I AM now the manifestation of the coming of the judgment of earth by the action of the flame of Almighty God that is the action of love. I AM the

sweeping aside of all misuses of the sacred fire. I AM that judgment now!

Let the cycling of the Great Central Sun of love come forth. And let all sons and daughters of God who are gathered here be now the manifestation of the holding of the balance. Let it be the holding of the balance now as we cycle into the earth a cosmic action of love more than the world could contain without the devotees of the Mother throughout the earth, who at inner levels now are one in uplifting the great chalice to receive now the fires of love.

Let these fires come forth! Let them saturate the chakras, the four lower bodies of all who are in the intensification of the love fires, in only love, in the cathedral of Gabriel and Hope, in the white-fire core of the Buddha and the Mother.

I AM the action of cosmic love. I AM the joy of cosmic love. I AM the judgment of that love descending now into the white-fire core of being!

*Purusha. Purusha. Purusha. Purusha. Purusha. Purusha.*<sup>4</sup>

Let love intensify through the centers of awareness. Let love intensify. Let the balance fourfold of the cherubim and seraphim, as a cosmic cross of love, be upon each one. Let it be upon each one. Let it be for the alignment of the cosmic sun within the four quadrants of being. Let the vehicles be aligned. Let the threefold flame come into balance. Let the fire of love transcend itself. Let the fire of love transcend the old manifestation. Let the full power and action of the law of love be upon this manifestation.

I demand absolute stillness! I demand absolute concentration! I demand the elimination of all interference with this release of cosmic energy! I command atoms to be still! I command feelings to be still! I command thoughts to be still!

Let the great light of love of Creation command the respect of every electron within the temple of being. For I AM

the fullness of Almighty God in the manifestation of cosmic love! I have descended into your midst for the translation of these temples, and I AM in the midst of that manifestation for an action God-willed in wisdom and in love!

I rebuke all darkness! I bind all darkness! I bind all incarnates! And the fire of love goes forth from my heart, from my hand! It touches every one! And through you, it is translated to every lifestream on earth. And by the drop of love, the increment of sacred fire, each one receives that portion of the judgment that is meted out this day as the stripping of error and its removal and the replacement with truth.

Let the hand of the Great Surgeon be upon all life. And let all life be still to receive the transfer and to adjust to the new energy of the New Age. Let all who are coming into the New Age be infired with love. Let love be the transformation! Let love be the chastisement! Let love be the eternal strength!

[6-second pause]

Be still!

*Light into the heart! Light into the soul! Light into the crown!*

*Blaze forth! Blaze forth the Trinity! Blaze forth!*

As the lightning, descend, *descend, descend* that souls might ascend, *ascend, ascend* in the light of Mother this day!

[6-second pause]

For the evolution of the Great Central Sun, for the evolution of Elohim, for the evolution of the Great Silent Watcher, I AM come. For the evolution of sons and daughters of God, I AM come.

I AM come to release the light of love from the white-fire core of Terra. Let it be released! And let this moment mark the turning, the turning, the turning of a galaxy of love centered in the heart of the earth, congruent with all life, each starry body congruent now with each sun center of the

threefold flame as the Word incarnate. And all life, as evolution upon earth, becomes a mighty galaxy of whirling stars revolving about the center of being. This is the movement of worlds of consciousness and souls into the white-fire core, into the flame of the ascension.

I hurl now the great sphere of love, and I generate a cycle of initiation of love for the New Age on earth. This is the release of a mighty light of love going forth now from the very center of the I AM Presence of each one. It is the release of the cycling into the flames, etheric, mental, emotional and physical, sweeping through the Mater cycle.

Let change come forth as the alchemy of love. And let only love remain within the devotees as the harmony of the Law. Let all give their life to harmony. Let the surrender be to harmony. Let harmony come, let harmony come, let harmony come through obedience to the law of the inner will. Let harmony come as the defense of love. Let harmony come as the defense of your life. Let harmony come as the swallowing up of all discord that is death.

I AM the law of love in harmony with the great Self which I AM, which you are. There is only one Self.

Now great Self of all, intensify the fires of love through the seven centers of the Mother. Seal the energy of love in each one, and let it be for the whirling and the spinning and the movement of each sacred center—seven centers filled with love.

So carry our message of love to the world. So it is love! So it is life! So it is light! So it is done!

“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **Archangel Chamuel and Charity** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, July 3, 1977**, during the 6-day conference *Only Love: A Retreat into the Sacred Fires of the Heart*, held in Pasadena, California. (1) For more on twin flames, see Elizabeth Clare Prophet, *Finding A Higher Love: A Spiritual Guide to Love, Sex and Relationships*, released for the first time in June 2015 and available at <http://Bookstore.SummitLighthouse.org/> or by calling 1-800-245-5445 or 406-848-9500. (2) **manvantara**. Sanskrit: In Hinduism, it is one of the fourteen intervals that constitute a *kalpa* (the duration of time from the origination to the destruction of a world system; a cosmic cycle). (3) Luke 2:14. (4) **Purusha or Parousia**. *Purusha*: Sanskrit, literally man; soul or spirit, the animating principle in man, the Spirit as passive as distinct from the *Prakriti*, or creative force. *Parousia*: Greek, literally presence, being near, coming; advent or return, Second Coming of Christ. It is possible that the Sanskrit and Greek words converge in the divine Word to exemplify the Second Coming of Christ as the raising up of the divine principle in the heart of every individual.

## The Judgment Call “They Shall Not Pass!” by Jesus Christ

In the Name of the I AM THAT I AM,  
I invoke the Electronic Presence of Jesus Christ:  
They shall not pass!  
They shall not pass!  
They shall not pass!  
By the authority of the cosmic cross of white fire  
it shall be:  
That all that is directed against the Christ  
within me, within the holy innocents,  
within our beloved Messengers,  
within every son and daughter of God . . .  
Is now turned back  
by the authority of Alpha and Omega,  
by the authority of my Lord and Saviour Jesus Christ,  
by the authority of Saint Germain!

I AM THAT I AM within the center of this temple  
and I declare in the fullness of  
the entire Spirit of the Great White Brotherhood:  
That those who, then, practice the black arts  
against the children of the Light . . .  
Are now bound by the hosts of the LORD,  
Do now receive the judgment of the Lord Christ  
within me, within Jesus,  
and within every Ascended Master,  
Do now receive, then, the full return—  
multiplied by the energy of the Cosmic Christ—  
of their nefarious deeds which they have practiced  
since the very incarnation of the Word!

Lo, I AM a Son of God!  
Lo, I AM a Flame of God!  
Lo, I stand upon the Rock of the living Word  
And I declare with Jesus, the living Son of God:  
They shall not pass!  
They shall not pass!  
They shall not pass!  
Elohim. Elohim. Elohim. [chant]\*
