## Let the Battle Be Fought and Won by the Legions of Light

My beloved children of the Sacred Heart, I would convey to you the flame of Jesus, his own heart flame, his own Sacred Heart. I would prepare you for the transfer of the precious blood and of the life that God releases through his heart hour by hour.

O blessed ones, open your hearts that the Great Lawgiver and the Supreme Judge might enter in to cast out every sin, to judge Light and Darkness, to cast it out and to enthrone the LORD God, the Almighty One as the dweller in the central sun of your being that is Real.

I proclaim your God-reality, and I would seal you in the heart of sacred fire. I would seal your soul and prepare you for transition and the goal of the ascension in the light.

My blessed ones, I pray that you will keep the flame...

Beloved Mother Mary

### Let the Battle Be Fought and Won by the Legions of Light

My beloved children of the Sacred Heart, I would convey to you the flame of Jesus, his own heart flame, his own Sacred Heart. I would prepare you for the transfer of the precious blood and of the life that God releases through his heart hour by hour.

O blessed ones, open your hearts that the Great Lawgiver and the Supreme Judge might enter in to cast out every sin, to judge Light and Darkness, to cast it out and to enthrone the LORD God, the Almighty One as the dweller in the central sun of your being that is Real.

I proclaim your God-reality, and I would seal you in the heart of sacred fire. I would seal your soul and prepare you for transition and the goal of the ascension in the light.

My blessed ones, I pray that you will keep the flame with me in the city of Los Angeles. For as my son Djwal Kul has told you and as El Morya and Kuthumi have come to explain to you, in this city is the cosmic cube and the cosmic egg—nucleus of light for the foundation of the City Foursquare.<sup>1</sup>

This sacred energy is in the hearts of those who keep the flame. It is in the elementals, the angels, and the ascended masters to whom you call by name because it is the Law and

*Let the Battle Be Fought and Won by the Legions of Light* 376

the geometry of the I AM THAT I AM. And therefore in the cycles unfolding from the great center of this city, the spiritual center of light, is an energy of fohat, a radiating spiral of the fire infolding itself. And thus the foundation for the New Jerusalem is laid.

#### **We Live in an Hour of the Fulfillment of Cycles**

Do you understand, then, that while the wise builders build the foundation secure for the future of souls seeking salvation, there are the spoilers who come to tear down, to destruct? For theirs is not the art to construct. And as you have seen for many a month,<sup>2</sup> it is, as it were, far easier to tear down than to build. Or so it seems.

For, beloved ones, in the tearing down of the fragile flower of cosmic consciousness, there is such a burden of karma and of darkness that descends upon the perpetrators of these deeds that I must tell you that in reality it is far more difficult to tear down because all that must be balanced in order to balance that destructivity is almost more than the soul can bear.

And for those souls who have not carried their share of the glory and the victory and the cross and the crucifixion but have instead misqualified the light, turned the cross upside down, practiced the ritual of the Black Mass, and persecuted the lightbearers—for these the burden of karma is so great that our Father who is in heaven has looked upon the creation that went forth to sow the wind, now reaping the whirlwind,<sup>3</sup> and therefore he has long ago proclaimed the hour of the judgment for the evolutions who have moved through time and space for aeons.

Therefore know the mercy of the Law and that which is expressed at the Court of the Sacred Fire and invoked by the Four and Twenty Elders in the ritual of the second death.

This canceling out of souls who have rebelled against the Great Law, who have taken that light unto the vainglory of the self, is mercy unto God, unto his Christ, unto the Holy Spirit, and unto all souls in the universe.

You have been told before that we live in an hour of the fulfillment of cycles and that the judgment of Almighty God is delivered by the archangels in the vials of the seven last plagues.<sup>4</sup>

Do not fear the judgment. It is the utmost love of God. It is the clearing of the air for the souls who have longed to come beneath the rod but were prevented by the fallen ones and the tares sown among the wheat.<sup>5</sup>

Let those, then, who would be replete with gladness and with joy know that our God is clearing the way hour by hour and that this is the day of the fulfillment of the Magnificat: “He hath put down the mighty from their seats and exalted them of low degree.”<sup>6</sup>

Your “degree” may not be in the marts of this world or its society, but your degree as an initiate in the temples of light, in the mystery schools of our Brotherhood, must now qualify you to represent the Christ on earth as in heaven. The government shall be upon *his* shoulders<sup>7</sup> as you elevate him within yourself. For did he not say, “And I, if I be lifted up, will draw all men unto me”?<sup>8</sup>

**Answer the Call to Keep the Flame, to Be the Rod,  
to Be the Pillar of Fire**

I AM the incarnation of the Cosmic Virgin! I AM Mary in all planes of consciousness! Therefore, let the Mother flame be incarnate within you. Let the river of her fiery purity now flow. Let it flow through you and be, therefore, the fullness of that joy and of the judgment that will divide the Light from the Darkness.

Be free, then. Forge ahead with victory and answer the call of the Mother of life to be in her Ashram.<sup>9</sup> Answer the call to keep the flame, to be the rod, to be the pillar of fire. Answer the call and give the call. For God does require thy invocation *every hour; every hour*.

O children of the One, as the darkness increases abroad in the land and as the fallen ones seek to tear down the city, the Holy City, before it is complete, I ask you then to take your place each Wednesday evening in the hour of the healing service, in the hour of the Watch,<sup>10</sup> in the hour of the healing ray for the city of Los Angeles.

For I tell you, I have looked into the eyes of each and every soul within this city. I know the anguish of those who are seized by the entities of alcohol and drugs, of heroin, and the entities of sugar and of every impure substance that binds the brain, the blood vessels, and the nervous system to darkness.

I have looked into the eyes of those who are tormented by the fallen ones, who seek to push the threshold of awareness of Darkness in place of Light. And therefore the fallen ones seek to enter those who are unstable, and by their instability these fallen ones seek to turn the balance of the threefold flame in all life to the destruction of the soul.

Beloved ones, angels of light convene, and many reinforcements from other systems of worlds are camped round about. Now I say with a mighty shout, *Expel* the hordes of night who have also encircled this city—in the sea, in the air, in the earth—the enemy who has planted its forcefields of destruction!

I pray you, then, invoke the archangels for the protection of this land, for your dwelling place, for your body temple. For never in all the history of the race has there been such a race for the destruction of souls and for their absolute salvation in Almighty God.

See, then, how the forces of Light and Darkness would do battle in the very subconscious and conscious mind, the platform of your own evolution. See how Archangel Michael comes to stand within your very temple. Call him into your heart chakra! Let him consecrate that center as the Sacred Heart of Jesus. Let Archangel Michael come, and let the battle be fought and won by the legions of light.

**I Release the Light of God That *Will Not Fail*  
If You Continue to *Invoke* and *Invoke* and *Invoke***

Children of the Sun, the Darjeeling Council prepares for you now a report to be delivered at the New Year's conference concerning the state of the nation and of the nations. I pray that you will keep the flame, that you will understand the warning of El Morya and the signs of danger reported by Saint Germain.<sup>11</sup>

Let all keep the vigil for America as the opportunity to extend the flame of freedom to every nation, to extend the teaching that now is abroad in so many bookstores and libraries and focuses and that will now go forth to the nations of the earth.

Beloved ones, in this hour when all is in readiness for the expansion of the flower of the threefold flame within all hearts, see, then, that you command light to expel those hordes of night. I demand it! I command it in Christ's name!

In the name of Jesus the Christ, let the hordes of night be exorcised from the City Foursquare, from Los Angeles and every city in America and the cities of the earth!

O LORD God, I kneel before the throne. I would be the instrument of salvation to this earth. I, Mary, plead before the Court of the Sacred Fire, before Alpha and Omega and before the Lords of Karma

for dispensations of awareness, enlightenment, fearlessness, love, truth, and the unity that comes out of the love of the Buddha and the Mother.

I call for the ray of integration. I call for the galvanizing of this people unto oneness and unity of action. Let the fallen ones be expelled from the land—the sea, the air, the sky, and the earth. And let judgment come, O LORD!

I AM the Cosmic Virgin. I stand upon the earth. I stand upon the side of the north with Archangel Michael. And as he pours out his vial upon the earth, I, Mary, release the judgment of God for the protection of the holy innocents, for the transmutation of every manifestation of the energy veil. I release the light of God that *will not fail* if you continue to *invoke* and *invoke* and *invoke*.

I call to your attention the destructive forcefield of rock music that is used in this city as the vibration of the underworld of the astral plane for the disintegration not only of the temple but of the soul itself. I call to you now to make your calls, when at the turn of the year the coming of that forcefield of energy through that program of "Beatlemania"<sup>12</sup> will also increase the energies of discord and therefore the vulnerability of this city.

While the Mother of the Flame, then, is stumping for El Morya, I ask you, then, to stump the demons and the fallen ones in this city and to remember to return to the Ashram each week and whenever you so choose to come and give your invocations in our forcefield of light.

I ask you to keep the pillar of fire in the city, the whirling action of the sacred fire and the fire infolding itself, so that as soon as these dark ones are released from the pit by the rhythm of the fallen ones, they may also be bound by Jesus Christ, Archangel Michael, and Gabriel.

Beloved ones, as fast as the fallen ones spew out the flood of the dragon that is sent to tear down the light of the Mother and the Manchild, so let the legions of Archangel Michael bind that energy and let those who serve the God of the earth swallow up the darkness by the Sacred Heart of Jesus.

**Accept the Challenge to Give Birth  
to the Christ Consciousness within You**

Beloved ones, let the blessed heart of my own beloved son become your own. Won't you meditate with me upon that blessed heart, which contains the entire world and the love of every child and every elemental and angel?

O beloved ones, the Law has proven in the past that when there are enough souls of light to make the call, God intercedes and civilization becomes a platform, a springboard for the soul's journey into eternity. And when souls no longer make the call, when the LORD God and his holy name are not heard across the land, then there is famine and pestilence and war and the sudden coming of darkness upon the land.

Blessed ones, *shout!* For the LORD hath given you the city!<sup>13</sup>

[Audience shouts their calls.]

I call to Mighty Victory and his legions of light to enter now and *seal* the New Jerusalem, to *seal* America, to *seal* the planes of fire, air, water, and earth. Mighty Victory and a hundred thousand legions of light, come forth to secure the earth.

I, Mary, kneel before the altar of Almighty God. May each one of you receive that portion of the Mother flame that is yours to conceive the Manchild by the gift of the Holy Spirit, by the seed of Alpha.

Now within your heart, O sons and daughters of God, accept the challenge to give birth to the Christ consciousness within you. Let Alpha and Omega be your wholeness, and know

that as I mother the God flame within you, so you must go forth to mother God on earth as in heaven.

So then, let our thanksgiving be that all men and women are free and that the children of the Sun may yet walk in peace to that point in time and space that is marked already as the sacred place for the ritual of your ascension in the light, for the great reunion of your soul, and for the hour when you shall indeed take flight to ascend into the arms of God. But take heed that you remain until all be fulfilled in the science of the Word incarnate within you.

I AM Mary. If you call to me, I will *speak* through you. I will *walk* through you. I will *work a work of God* through you.

In the name of the Father and of the Mother, of the Son and of the Holy Spirit, Amen.

**"The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom."** This previously unpublished dictation by **Mother Mary** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Wednesday, November 23, 1977**, during a healing service at the Ashram of the World Mother in Los Angeles, California. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. Books and DVDs are available at <https://Store.SummitLighthouse.org>; audio products are available at [www.AscendedMasterLibrary.org](http://www.AscendedMasterLibrary.org). **(1) Nucleus of light for the foundation of the City Four-square.** There have been many teachings given by the ascended masters and the messengers explaining that the city of Los Angeles is also called the New Jerusalem and the City Foursquare, some with reference to the cosmic cube. In a noteworthy lecture given by the messenger on January 30, 1977, she said: "There are a number of instructions given to the disciples for the receiving of the Comforter, such as that final entreaty, 'Tarry ye in the city of Jerusalem until ye be endued with power from on high.' Tarrying in Jerusalem—always the symbol of the City Foursquare, the cosmic cube, the four sides of the

temple of being; we must tarry in the Matter plane and not desire to go with our Lord into paradise until we have been the chalice, the Church, to receive the Holy Spirit, and in the receiving of the Holy Spirit and the partaking of it, the giving of that Spirit to all. Until this is accomplished, we must not leave our post as sentinels, as guardians of the law of the Person of the Father and Son and Holy Spirit.” Available on CD; ordering information above. **(2) As you have seen for many a month.** During the summer prior to this dictation, the organization and the messenger were subject to virulent accusations in the form of newspaper articles, brochures, and picketing during conferences, which were initiated by a group of individuals aligned with a fundamentalist movement. This group also attempted to prevent the organization from establishing its new headquarters in Pasadena, California, with the long-term goal of ultimately destroying the organization. Their attempt was not successful. **(3)** Hos. 8:7. **(4)** Rev. 15:1–8; 16:1–21. See *Vials of the Seven Last Plagues*. On June 21, 1977, Saint Germain stated that Archangel Gabriel had placed the focus of the Holy Grail at the Ashram. On December 28, 1977, the God and Goddess Meru also announced that the Ashram would be an extension of their retreat at Lake Titicaca, in the Andes Mountains. The Ashram was eventually sold in 1983. **(10) In the hour of the Watch.** “Watch With Me” Jesus’ Vigil of the Hours is a worldwide service of prayers, affirmations and hymns dictated by Jesus commemorating the vigil the master kept alone in the Garden of Gethsemane when he said, “Could ye not watch with me one hour?” The service is available on CD. The “Watch With Me” booklet may be purchased separately. Ordering information above. **(11) Signs of danger reported by Saint Germain.** On January 1, 1978, during the *God Is Mother* conference, beloved Portia gave a dictation entitled “A Report from the Lords of Karma,” with Saint Germain by her side. Portia addressed many issues facing this nation and other parts of the world and called for practical involvement by Keepers of the Flame to help deal with these issues. Available on CD; ordering information above. **(12) That program of “Beatlemania”** refers to a musical revue featuring the music and history of the Beatles, a rock group of the 1960s, which premiered on Broadway in May of 1977 and closed in October of 1979. The musical premiered at the Shubert Theater in Los Angeles on January 14, 1978. **(13)** Josh. 6:16.

## Blessed Mother Mary

Blessed Mother Mary  
 In thy love and grace  
 And thy Mother feeling  
 Enfold all the race  
 Consecrate us, Mary dear  
 Body, spirit, soul, and mind  
 Let thy healing essence  
 Bless now all mankind.

Raise mankind’s attention  
 To thy realms on high  
 ’Til they know God’s presence  
 And on him rely  
 To grant now each one’s desire  
 To his great perfection be  
 And stand forth in glory  
 Free eternally.

Blessed Master Jesus  
 Mother Mary dear  
 Help us give obedience  
 In our service here  
 Raise all God’s life on earth  
 Until just like thee we win  
 Our ascension’s vict’ry  
 By God’s light within.\*
