

Beloved El Morya

**Confirm That Prophecy!
Confirm That Commitment!**

Yes, a planet can be lost. A physical planet can be lost. Even when you have heard the word, “God has decided to save the earth,” that word must be translated. Each son of God in the chain of hierarchy—from the great Solar Logoi, the twelve hierarchies of the Sun, the Elohim and the Cosmic Christs, all the way to the embodied child—each one must confirm that prophecy, confirm that commitment. And therefore the decision of the LORD God descends only as far as the strong commitment.

And where is the promise broken? It is broken in the individual chela who says, “I will not carry that prophecy further! I will let El Morya embody it, but I will go my way and I will have my play and I will do my thing this day.” By that decision you cut off the will of God from your level of awareness and from that level of awareness throughout a planetary body, and therefore salvation and the City Foursquare descend only as far as the upheld chalice allow...

Beloved El Morya

January 8, 2024

Confirm That Prophecy! Confirm That Commitment!

The Darjeeling Council responds to the call of the Father in Alpha, to the call of the Son in Maitreya, and to the call of the souls of humanity as the manifest expression of the Holy Spirit reflecting the Spirit of the Great White Brotherhood.

Chelas of the will of God, be seated.

I come with the response of one whose heart is attuned to the will of God. That will in you is an implementation of a law that is, as you have heard, the undergirding of the whole vast creation.

I AM Morya, ever attentive to the moves of the heads of state, ever attentive to that which transpires as manipulation—yesterday Red China, today Iran¹—an entire change of government, a change in the chemistry of the consciousness of earth, and the movement of many more thousands away, *away* from the will of God.

The hordes of the astral plane have invaded the earth as women have conceived and borne not sons of light but sons of darkness because of their own impurity and its vulnerability. Therefore many there are among the Muslims and other sects who enter the political arena and yet carry the same restlessness of the fallen ones, the same vibrations of anarchy to tear

Confirm That Prophecy! Confirm That Commitment!

14

down [the light,] such as the guerrilla movement in Africa,² in the blessed nations of that continent whose people of light are indeed being persecuted. But the light that is in them that is being persecuted has not mounted to be the fullness of God and therefore they are without defense in Rhodesia, in South Africa, in Ethiopia, in Angola, in the nations of the Near East. And what of Ghana? What of all these nations?

O beloved ones, it is a persecution of Christ—not of black or white but of Christ incarnate in them! And we see an entire continent at the mercy of the hordes that have come from Cuba. And how dare they come from the Soviet Union! They dare because sons of God in America have preferred their beds and their cups and their *sleep*—sleeping the sleep of death to the vigil of freedom!

Shall the Golden Age Remain at the Etheric Level for Another Ten Million Years?

Yes, a planet can be lost. A physical planet can be lost. Even when you have heard the word, “God has decided to save the earth,”³ that word must be translated. Each son of God in the chain of hierarchy—from the great Solar Logoi, the twelve hierarchies of the Sun, the Elohim and the Cosmic Christs, all the way to the embodied child—each one must confirm that prophecy, confirm that commitment. And therefore the decision of the LORD God descends only as far as the strong commitment.

And where is the promise broken? It is broken in the individual chela who says, “I will not carry that prophecy further! I will let El Morya embody it, but I will go my way and I will have my play and I will do my thing this day.” By that decision you cut off the will of God from your level of awareness and from that level of awareness throughout a planetary body,

and therefore salvation and the City Foursquare descend only as far as the upheld chalice will allow.

When John stood on the Isle of Patmos in the spiral of the ascension flame, he stood and beheld the descent of the Holy City into his own temple.⁴ In the prophecy of the hour, when the kingdoms of this world might become the kingdoms of our Lord and of his Christ,⁵ at what level, then, shall the golden age appear? Shall it remain as it has for a quarter of a million years—at the etheric plane? Shall it remain for another ten million years?

Beloved ones, these are the questions we ask. Do we have the answers? The answer, as you have heard, lies within you.

The Commitment to the Will of God Is the Beginning and the Ending of the Path of Chelaship

The commitment to the will of God is the beginning and the ending of the path of chelaship. Thus I have become the one selected for the training of chelas within our community. The will of God to you is the power you desire, the power without personality or possession, the power to accomplish that which you desire. But do you really desire it?

If you desired it with the fullness of your heart, I say, you would have it. Thus, an absence of power indicates a greater need for chelaship, and chelaship entailing the removal of the forcefields of your own anti-power.

Silly they are. All human tyrants have come to naught. Every human ego will come to naught. Their displays, their fireworks and innovations may adorn the ego for a lifetime or lifetimes, but we see the end from the beginning. All tyrants will come to naught! It is the handwriting upon the wall! They will go down!

The question to which chelas must give answer is: How many souls of light will the tyrants take with them because

you have not become the hierarch of a dispensation, of a community, of an order, of a work unto the Work of God?

Would You Deliver This Nation into the Hands of God?

Let Summit University, then, embody the programs of the Cosmic Christ. Let Summit University commence with a department on government,⁶ a department that studies in depth not only the government systems of the nations but those who currently occupy the positions in those governments. Let the archives of Darjeeling be translated to the archives of Summit University and to the filing cabinets of the minds of the chelas.

Let our understanding be presented by those qualified by the Spirit, by the flame, and by outer preparation. Let souls come forth and receive the training to enter public office *now*. Let it happen, not because all place upon our messenger or our board of directors this responsibility, but let souls respond from the field and say, “Here I am! I am ready! I will teach! I will be disciplined so that I may teach! I will come and I will give to these souls what they need to know, for I see that neither to the right nor to the left of the political spectrum is the training for those who are the individuals who can deliver an age into the hands of God.”

Would you deliver this nation and her people into the hands of God—the only safety there is? Then I say, place yourself in the hands of God.

Where Are the Patriots?

I AM Morya! I have outlasted these tyrants! But I am impatient for the coming of the chelas who will overthrow them, as we have done.

We walk in the halls of Darjeeling. We hold our meetings, and we often shake our heads as we see in some of the nations

of Western Europe no, not one—not a chela in sight who will be Saint Germain in the physical octave and who will be Morya. Those who are the pretenders to the throne of grace, pretending to be the friends of lightbearers, offering advice and consolation, they but mix the path of Light and Darkness, and their brew is not Morya's brew.

Beloved ones, it is a disgrace upon God himself to see the betrayal of the people of light in Taiwan, of the people of light in Russia!

Where are the patriots who are ready to come forth summoned by Saint Germain?

I tell you, they are in the hills of China! They are in the Soviet Union! They are in Eastern Europe! They are throughout the earth! They dare not speak! They wait for the coming of the hosts of the LORD.

Many of them wait for America, but there are few who will wait any longer. For the Word is lost—the Word of truth, the Word of honor, the Word of trust lost in the name of the I AM Race, but lost by the fallen ones!

Where are the souls who have the capacity to overturn these moneychangers in the temple of America? We summon you! We stand with you! We stand in the great radiance of Maitreya, who promises the acceleration of your initiation! We stand and we look at the little ones. We look at our devotees who know us not.

Beloved ones, if an age is lost because the children of light could not get together in America and forge a victory, I say it will be a great crime—the great crime against the universe and against Saint Germain himself!

It is unthinkable! It is unthinkable, and yet I come to tell you that you must think about it and think about your role within this entire summoning—the summoning of God and the summoning of your will.

The Net Whereby You Are Made Fishers of Men

I AM Morya. I am pleased, *well pleased* with your efforts of this year. I am well pleased with that which you have lowered from the causal body of the Great Divine Director for this organization, for your teaching centers, for your study groups.

I am well pleased and I say: That which is well done, let it accelerate! Let it increase! Let it be a lodestone! Let it be a white cube that is the multiplication factor of the Cosmic Christ within you! If you have done well once, then do well by the power of ten, and ten again.

We see, then, great expansion. We see the contacts made. We see the arc of a Mother's heart weaving the great lace of the body of God on earth as that heart flame passes through your own, weaving back and forth again and again that embroidery of lace, that bridal veil, that magnificent work of the budding of the rose.

And so it weaves and so it embroiders and so it becomes that of which all are a part. And when you see the vast embroidery of a Mother's heart spanning the earth and tying into the lightbearers, then you behold and you look again and you see that the Mother's embroidery is the net of the Great Fisherman, the net whereby you are made fishers of men.

The calling of the souls of light who are to be the shepherds in the name of Jesus, let them have this net embroidered of the guru-chela relationship. It is a strong net. It will not break, for every tie is a heart tie with our Brotherhood. It is a strong net. It can bring in the children of light. And what of the boat people who are not admitted to those nations who say, "Go your way! We have enough mouths to feed!"? They are the rejected ones! They are the waifs and the orphans of the Spirit!

I say to you, confirm in your heart the strengthening of the net, and let there be a mending of the nets. And let those

who have been chelas and who, as they say, have entered into backsliding, let them accelerate! Let them mend the net of the Great White Brotherhood upon earth! And let the cosmic cross of white fire be a release of Alpha and Omega in the casting of that great net, that the chelas might come in. This year we have called the greatest number of chelas of the will of God whom we have ever called in the history of our service. You must be ready to receive them.

The Summoning of the American People

This evening, as we come together at the Royal Teton Retreat, there will be the great dispensation of the Four and Twenty Elders and of the Lords of Karma: the summoning of the American people—every man, woman, and child—to that great amphitheater.⁷

And there, no matter who they are or what their evolution or what their laggard consciousness or what their state of mind, *there* they will be summoned! *There* they will come! *There* they will stand while the hierarch of the age, Saint Germain, is introduced to them as the deliverer of this nation and as he introduces to their soul the reality of the path of the messenger and of the opportunity to support freedom and its flame in every nation before the taper of freedom is extinguished and there is none to light a flame!

I ask, then, that you give this day to the preparation of the four lower bodies of the American people by your dynamic decrees so that they might come and know the integration of the soul unto the Christ and so that their mental bodies might be purged—and their souls and their emotional bodies and their etheric vehicles—that they might retain the great impression of the Lord of the World and his address [to them], and the manifestation of that great light.

My beloved, this will be in them a quickening and the

foundation whereby they may choose to serve Saint Germain and this cause of freedom and therefore be eligible to come to our training sessions at the Royal Teton Retreat and therefore also respond when they meet our chelas and encounter our publications and our written Word in the physical octave.

A Sign of the Great Urgency of the Age

This dispensation comes, beloved ones, as opportunity. It also comes as a sign of the great urgency of the age. Recall, then, when seventy thousand years ago Saint Germain summoned the people of the kingdom and those who gathered at the great banquet to be told of the withdrawal of the servants of light and of what would come if they did not elect to follow the great light.⁸

Warning upon warning had been given! Beloved ones, this will be a warning that comes by way of enlightenment and mercy unto a people who have desired to do the will of God but have allowed themselves to be turned aside by every false prophet and false teacher, church and state, to deny that which they know within and to not act upon that inner knowing. Beloved ones, this, then, is a moment that will be a series of moments when the American people are given the opportunity to walk once again as they ought to walk in defense of the light, one in the spirit of the Brotherhood.

This New Year's Eve will, then, commence a series of occasions in this year and in years to come, when every soul in America that has even the least possibility of being an instrument for the turning of the tide will have maximum assistance and even the setting aside of some of the weight of karma and of density—which you yourselves have now come of age to be able to bear with Jesus Christ upon that cross so that these other children and these other sheep may come into the flock of initiates of the living Christ.

The Treaties of the Fallen Ones Are Never Binding upon the Children of God!

This event is the first in the history of the United States—the event of the summoning of all the people, bar none. And our legions of angels will be on hand and they will hold them in God-control, and for the period of the dictation of the Lord of the World their entities will be bound. And their souls will listen! And their souls will hear! And their souls will be delivered from programming and indoctrinations and even from the burden of the cancer of World Communism and of the welfare state so that freely in the mind of God they will see and know and choose to be what they will.

They will be given the evidence that there is indeed a prophet in the land who comes in the person of woman to fulfill the return of the raising up of the Mother flame of Mu, who comes for the fulfilling of the Word of the prophets of Israel, that there is the mouthpiece of Saint Germain, that the tide can be turned, that the wrong decisions that have been made—which are not according to the laws of God and therefore are not legal—can be broken.

They will be given the evidence that the true accords—the true agreement of the people of God in this nation to stand with the people of God in every other nation—can therefore overthrow every treaty that has been entered into by the fallen ones and therefore has been accepted as binding upon the children of God!

The treaties of the fallen ones are never binding upon the children of God! They can be overthrown! And Gautama Buddha will show unto the children of God this night how it is to be done⁹—by the law of transmutation, by the law of freedom, by the law of the sacred fire translated into an active, dynamic life of selfless service in the community.

The Tumbling Down of the Miracles from the Causal Body of Saint Germain

You, O souls of light, I summon you. You are ready. You have been ready for many a year. Understand that God in you is qualified and God in you is the qualifier of the message and of the mission.

This is the hour for the tumbling down of the miracles from the causal body of Saint Germain. They come tumbling down as a Christmas bag of toys! They come tumbling down as miracles of light! Catch them! Run with them! For Saint Germain has in his bag today more dispensations from the Lords of Karma because of the staying power of some of the chelas.

We are gratified. We are encouraged. We rejoice in you and all that you have accomplished. Maximize! Move on! And see how the interpretation of the Word within you will exceed all of your expectations and will, in spite of yourselves, fulfill itself beyond all that you could imagine.

Expand the cup, that no precious erg of light will run over but that you might keep the flame of God consciousness in God-government.

I bid you Godspeed, each and every one—Mercurian Godspeed in the will of God!

“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **El Morya** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, December 31, 1978**, during the New Year’s class, *The Feast of Saint Stephen*, held at Camelot, Los Angeles County, California. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. Books, audio, and video products are available at <https://Store.SummitLighthouse.org>. The widest selection of audio files, including dictations, are available at www.AscendedMasterLibrary.org. [N.B. Bracketed words have been added for clarity in the written word.] (1) **Today Iran** is referring to the Iranian/Islamic Revolution, which began on January 7, 1978, and ended on February 11, 1979, with the overthrow of Mohammed Reza Pahlavi’s rule and the return to power of the exiled Ayatollah Ruhollah Khomeini. (2) **The guerrilla movement in Africa**. In August of 1978, South African troops attacked guerrillas in Zambia, killing sixteen Namibian nationalist guerrillas as a retaliation for an attack on Namibia in Southwest Africa. Guerrilla warfare in Africa has continued for decades, both before and after the time of this dictation. For example, the Zimbabwean-Rhodesian War was a civil conflict lasting from 1964 to December of 1979. (3) **“God has decided to save the earth.”** In a dictation given on July 4, 1976, the Goddess of Liberty stated: “I come from the God Star, Sirius, this night. I come where the deliberations of the Four and Twenty Elders concerning all manifestations of earth are underway. And, one and all, I hear them say: ‘God has decided to save the earth.’ . . . And when you ask how and why and where and who, the answer is: ‘through you!’” (2001 *Pearls of Wisdom*, vol. 44, no. 39) (4) Rev. 1:9. (5) Rev. 11:15. (6) **A department on government**. At present, Summit University offers an 18-academic credit Leadership Studies Certificate Program under the Summit University Department of Leadership and Government. The Leadership Studies Certificate Program offers courses in government, servant leadership, team building, conflict resolution, public speaking, and spiritual psychology. See <https://SummitUniversity.org/product/leadership-studies-certificate-program/>. (7) **The Royal Teton Retreat and that great amphitheater**. The Royal Teton Retreat, congruent with the Teton Range near Jackson Hole, Wyoming, is the principal retreat of the Great White Brotherhood on the North American continent. Confucius is the hierarch of this physical/etheric retreat in the Grand Teton mountain. This retreat is an ancient focus of great light, where the seven rays of the Elohim and archangels are enshrined. Conclaves are held there and attended by thousands of lifestreams from every continent, who journey there in their finer bodies through soul travel while they sleep. In the etheric realm over this retreat, a large amphitheater has been built to accommodate those lifestreams who by recent dispensation have been permitted to come to the retreat in their finer bodies for instruction.

For further information see *The Masters and Their Retreats*, pp. 462–65. Ordering information above. (8) **Seventy thousand years ago**. In this past epoch, Saint Germain was the ruler of a golden-age civilization in a fertile country where the Sahara Desert now is. His empire reached a height of perfection not exceeded in the physical octave. As the people became more and more interested in the pleasures of the senses, a cosmic council instructed the ruler to withdraw from his empire, and henceforth the karma of the people would be their guru. A banquet was held in the capital, City of the Sun, during which a cosmic master appeared and rebuked the people for their neglect of their Great God Source and prophesied that the empire would come under the rule of a visiting prince seeking to marry the king’s daughter. The king and his family, however, withdrew seven days later to the etheric city counterpart of the civilization. The prince arrived the next day and took over without opposition. The civilization slowly declined and eventually a cataclysm ensued. (9) **Gautama will show how it is to be done**. In his address on December 31, 1978, Gautama Buddha spoke to two hundred million souls of America gathered in the great amphitheater at the Royal Teton Retreat (see note 7). Gautama showed on the circular screen the records of the founding of America and its history to the present [1978,] including the path of the seed of Christ and the seed of the fallen ones and the entire history of how the fallen ones invaded America and its destiny. He introduced Saint Germain to the people. Gautama stated: “I am here to tell you that not one of you, no not one, will be without accountability if you fail to respond to the truth of your own I AM Presence for the decisions that you make—you who represent the people, you who are the people.” Gautama directly addressed the president of the United States, the cabinet, all senators, congressmen, and members of the Supreme Court, who were also present. He stated that the people shall know “more and more in their outer minds of this exposure which has taken place.” Gautama described the thoughtform for the year 1979, which was the American flag with gold and white stripes. Each of the fifty stars “is the sign of the coming of a great avatar into your midst—fifty of these avatars destined to be born in this year [1979] if you will allow it.” (2011 *Pearls of Wisdom*, vol. 54, nos. 1 and 2)
