

Beloved Cyclopea

Let the Temple Be Cleansed!

Part 2

O beloved ones, take heed, then, and understand that though you have heard the Word of the LORD before, I am come to give that Word in the fresh light of the Holy Spirit, that while you are in my presence and in the aura of Elohim you may have the quickening of your chakras and the quickening of the All-Seeing Eye of God so that when the Lord Shiva comes to touch your third eye, you may feel that energy of the Holy Ghost and you may know that he has come into your temple for a purpose.

For except the LORD God dwell within man, man then is without Spirit, without life, without identity, and this is what has happened to millions of souls across the planetary body. They have believed the lie of the fallen ones, and their own karma has descended, and their own judgment, for the believing of the lie. And, beloved ones, you must therefore carry unto them the witness of the living truth, the living Word of the living ascended masters' presence.

Let the Temple Be Cleansed!

Part 2

O beloved ones, take heed, then, and understand that though you have heard the Word of the LORD before, I am come to give that Word in the fresh light of the Holy Spirit, that while you are in my presence and in the aura of Elohim you may have the quickening of your chakras and the quickening of the All-Seeing Eye of God so that when the Lord Shiva comes to touch your third eye,¹ you may feel that energy of the Holy Ghost and you may know that he has come into your temple for a purpose.

For except the LORD God dwell within man, man then is without Spirit, without life, without identity, and this is what has happened to millions of souls across the planetary body. They have believed the lie of the fallen ones, and their own karma has descended, and their own judgment, for the believing of the lie. And, beloved ones, you must therefore carry unto them the witness of the living truth, the living Word of the living ascended masters' presence.

Beloved ones, as the body of God in Mater and all the saints and sages East and West and all of the chelas and the disciples, I address you, then, in the name of the I AM THAT I AM. For the LORD God indeed does pour out his Spirit upon all flesh

Let the Temple Be Cleansed!

this night,² and this is for the gradual acceleration of consciousness, that you will stand in that notable day of the Lord when the elements melt with a fervent heat,³ when the transmutation of the temple is come, and the transmutation of the earth body.

Therefore the holding of the balance against the day of cataclysm is upon you, and you will see that the light of the Holy Ghost will enable you, then, to be electrodes of light for the hour when earth's evolutions must come into the New Day. Yes, it is the New Day of Helios and Vesta. It is the New Day of Alpha and Omega. And, beloved ones, his saints are marching on.

Let the All-Seeing Eye of God Come Forth to Expose Error and to Reveal Truth

In the true spirit of the living Christ, I have come. I send forth fire upon the earth in the name of Jesus Christ. I send that sacred fire for the cleansing of the nation and I demand that the fullness of the All-Seeing Eye of God penetrate this government—from the Oval Office, from the president and the cabinet and the White House, unto the Senate and the House of Representatives, unto the Supreme Court and the various bureaus of the government.

So unto the governments of the states and the cities and the communities, let the All-Seeing Eye of God, as the understanding of what is that good and acceptable will of God, come forth now. Let the All-Seeing Eye of God come forth to expose error, to reveal truth, to exalt the nobility of man and woman, to raise the sacred fire, to free individuals from inordinate desire, from the lusts of the flesh.

Let that temple be the holy temple of the habitation of the Most High God, and let that sacred fire be for the release of the wisdom of the way to go, the way ye know, the way of freedom, the way of God-government, the way of peace and love and righteousness and wisdom. Let love abound because you have seen the vision of the Lord Christ. Let love abound

in you because you have seen the light come into your temple.

O beloved ones, feel now the presence of the Holy Spirit, for this is the touch of Shiva. It is the impartation, then, of the Holy Spirit line upon line. Feel, then, the intensity of the sacred fire burning in your heart and surrender all selfishness and self-love that is a hindrance to the All-Seeing Eye of God.

Lo, I AM come in the fullness of his will! Lo, I AM come, and I call for the mastery of this nation, within this nation, and of her light. I call for the defense of all God-fearing people. I call for the raising up of the true levels of God-government, and I call for the cleansing of this nation of all perverted uses of drugs and of the death drug known as marijuana, which is such a deadly interference with the flow of the love of Mother for the very reason that its deleterious effects are not known or perceived.

Therefore, beloved ones, marijuana is considered innocuous, when it is among the most deadly, transforming a consciousness of a people into lethargy and sloth and interfering with the flow of the sacred fire and interfering with the correct role of man and woman so that degradation upon degradation is entered into as there is the confusion of the sexes in the sacred fire. And therefore there is the descent of the judgment of Sodom and Gomorrah and the weakening of the nations by the misuses of the light in homosexuality.

Current Events Will Reveal to You What Is the Action of Cyclopea

O beloved ones, let this nation, then, be cleansed of the demons and discarnates of the fallen ones. Let it be cleansed of the drug culture and all misuses of the rhythm of the Mother. Let the sacred fire go forth in the name of Shiva.

I stand within you. I give the command of the spoken Word. May you renew it! May you become it! May you know it! May you understand that that eternal vigilance that is the price of

liberty must be upon you in this hour, that there is more sacred fire in the offering for the asking than ever before, in all of the dispensations of the Brotherhood, and that you have but to give that token of obedience and love and service in order to find yourselves literally inundated with sacred fire, literally catapulted into the years of your self-mastery, self-worth, and usefulness unto the Brotherhood.

Beloved ones, the fruits of the Spirit are available upon the Tree of Life, for this is the hour of the fulfillment of that prophecy of the coming of the Holy Spirit in the end times.⁴ Beloved ones, only by that Holy Spirit will you conquer. And it can never be compromised, it can never be gainsaid, and it is never given unto those who are with impure motive.

Therefore let the temple be cleansed! Let the temple be cleansed! Let the temple be cleansed! I send forth my legions of light and legions of Elohim for the cleansing of the temple of the body of God in manifestation. And therefore it is done and therefore the earth knows the trembling of the Elohim.

You will watch in the signs as current events will reveal to you what is the action of Cyclopea, what is the action of the laser beam of the All-Seeing Eye of God and the emerald ray. You will watch what is that action of penetration by the legions of K-17 and Lanello as there comes more and more to the fore of consciousness the exposure of the misuse of science East and West and of that which is as a sword of Damocles hanging over the heads of the people as they this very day are in the danger of psychotronic warfare and the warfare of nuclear energy and all forms of manipulation of energy in the astral, physical, and mental planes.

Without the Sacred Fire You Are Yet Vulnerable

O beloved ones of light, be sealed, then, in the protection of the archangels. Be sealed in the sacred fire. For it

truly is the citadel of freedom around you and within that temple of the living God, and within that sacred fire you are indeed hid with Christ in God. And without it, beloved ones, you are yet vulnerable to all manner of viruses and diseases that are a part of the germ warfare still being practiced in this very nation through agents of the KGB who have come forth in absolute freedom because of the laxness of this government and because of the absence of the vigilance that ought to be.

And therefore through the UN, through the embassies in the major cities there come those individuals who have naught to do with the will of God but who are plotting the overthrow of the nations from within. Let the sons and daughters of liberty, then, heed the warning that those who are a part of the KGB worldwide have formed the deadly organization of the death cult of anti-Mother and they form the dragon that moves against the Woman and her seed.⁵

Beloved ones, there are no more deadly groups of individuals than those who will murder and kill because they have lost all reason of the mind of God, all sense of reality, all dignity, and therefore they no longer even have the tie to God Almighty because they have forfeited that tie by the denial of the Lord Christ within their very temple.

O beloved ones, when free men and women who stand for truth can be murdered right in broad daylight in the cities of the West—in America, in England, in Europe, in Africa, beloved ones, what do you think? Do you think it is not time, then, for sons and daughters of light to decide that they will do something about this penetration of this nation?

I tell you, why do you think that the patriots of old and sons and daughters of light have given their lives? For what is the cause of the hanging of the Lord Christ upon the cross? For what is the purpose of that suffering if in the hour

when all is to come to fruition in the Christ consciousness, those who are to follow him in the resurrection fall behind and do not take their stand for the light?

You Cannot Stand By and Allow Your Leaders to Be the Blind Leaders of the Blind

Beloved ones, shall all go down because of the betrayal of the Christ, because of the allowing of this infamy of the fallen ones on every continent who have openly declared their purpose to be the destruction of the free nations?

Beloved ones, will you or will you not allow these fallen ones to stay? I ask you. And what is your response? Because it must be given before the LORD God Almighty, and by your response and by your action, I say, so does this judgment come, and none are spared.

And you cannot stand by and allow your leaders to be the blind leaders of the blind, for they are indeed blind. For they have naught of the will of God or of the All-Seeing Eye within their temple, and therefore they do not see by the mind of God because they refuse to see because they are in fear and torment and in outer darkness. And they have fear because there is no light or God within them, even while they profess to be followers of God.

Beloved ones, hear the call and hear the Word of the LORD. For Noah himself stood among the people in the last days of Atlantis and he did cry out that there was impending cataclysm. And the people mocked him and they made fun of him and they called him a fanatic. So everyone who is born of the Spirit and infused with the Holy Ghost and who has the descent of this light in this age is also called a fanatic, beloved ones, because [those who call them a fanatic] have not experienced the zeal of the holy prophets and of the LORD God. And therefore they think that somehow all of this will pass, even when day by day thousands upon thousands are being murdered.

We Call for the Fervent Word and Fervent Action

Beloved ones, the betrayal is not abroad. It is in the very nation. It is in the government. It is in the business community. And I charge those capitalists who have provided the enemy with the technology for the destruction of America: You will give an accounting before the Lords of Karma! You will give your accounting before the Four and Twenty Elders! And you will know the meaning of the sacred fire! You will know the meaning of the judgment, and you will not be allowed to have life until you have paid to the last farthing of that destruction that you have brought in the name of the fallen ones. So be it!

So I invoke the judgment of the Lord Jesus Christ, and by the power of the Elohim that judgment descends *again* and *again* and *again*! And it begins here in America with the betrayal of the Woman and her seed, with the betrayal of the holy cause of freedom, with those who have betrayed Saint Germain and the Lord Jesus Christ by their innocuous doctrine that no more resembles the will of God or the true teachings of the Almighty than a game of chess or a game of marbles in the sand.

Beloved ones, we call for the fervent Word and we call for fervent action. And we come, then, to bind the demons and the discarnates that hover within the temples of the elect of God to deceive them by the sympathy of that animal magnetism that has naught to do with the plane of the Spirit.

Beloved ones, the acceleration of the light of God must come and is coming by the Word and the call and the decree of the messenger and the chelas and all lightbearers everywhere. Therefore, move with the tide of acceleration! That which you were yesterday and last month and before, beloved ones, is no longer acceptable. Your cells must become brimming with light, cups of light! You must have a greater and greater joy and a greater and greater penetration of the Spirit.

O living Word of the living flame, come forth!

O living Word of the living flame, come forth!

O Elohim, come forth! O seraphim, come forth!

O hosts of the LORD and great teams of conquerors, mighty Surya, I, Cyclopea, in the name of Jesus Christ, do invoke your presence to move in and among the people to give them the enlightenment and the knowledge and the awareness that the hosts of the LORD are nigh and they may truly rise up in the revolution of light.

They may truly rise up, then, to defeat the Adversary in every phase of life wherever evil dwells, wherever there is compromise and error, especially against these little children, these little incoming souls of light who are helpless, and those in the public schools who must submit to those who have no light in them. And therefore these precious souls do not receive the light of the Christ as they should in the true education of their spirits.

O beloved ones, I AM filled with the light of the Holy Ghost and the light and power of Shiva from out the heart of Alpha and Omega in the Great Central Sun, and I pour forth this fire upon the earth. Therefore the earth this night is bathed in the light of Elohim, of Brahma, Vishnu, and Shiva, and the earth does receive the touch of Shiva!

I AM the touch of Shiva! I AM the touch of Shiva!

Elohim. Elohim. Elohim.
