## An Act of Renewal and Commemoration for the Resurrection Flame

### Part 2

Now the supreme moment has come, the moment of response to the praying children of America and the world. And we shall begin with America, for we are here tonight in the heart of America.

We are here in the heart of America, where so much darkness and despair is misdirected upon the children of mankind, where the poisonous drugs are being dispersed throughout the land to create new activities of psychic horror and despair, where the activities in the world today, in the dead religions of this land, are creating a dearth of consciousness that causes man to mouth these awful words, that “God is dead.”

I say to you tonight, the LORD God liveth! And because he lives, you too shall live. For in the beat of the drum of cosmic energy sent throughout the cosmos—the beat of life that beats your heart—there is the power and energy of the flame. And that flame cannot be extinguished! It cannot be quenched! Neither water nor fire nor earth nor air can put out that light! It is the light never seen on land or sea. It is the light of heaven, the light of immortality. It is the light

within—the light that in the Beginning spoke the Word, and all things came to be by Logos, holy Word revealed.

### One Hundred and Forty-Four Thousand Spiritual Doves

What is within the great capstone from the holy altar of Venus, which I have caused to be brought here? It is 144,000 spiritual doves. At a signal, the four archangels will cause to be lifted the lid of this magnificent, holy altar top, and 144,000 doves of the Holy Spirit will sing and fly throughout the land of America. And then when the mission is complete, they shall pass with swiftness, most fleet, across the oceans, wide and wild, to contact in the world each child that calls to God for help.

They shall bring the bounty and the blessedness of the Holy Spirit and the consciousness that I bore tonight to the earth. They shall bring this consciousness—the consciousness of the resurrection flame—to the children of the world. And they shall act in the name of God to create a consciousness of decency, of order, of obedience, and of cosmic joy in the world in the hearts of mankind.

The Holy Christ children born several years ago<sup>1</sup> shall all be visited by a special glow that sets them free from mortal density. And we shall restore the blessed Buddha child that did some time ago vanish from the land. He shall be born this year in the land of India, in Madras, and there he shall grow up protected by a blessed couple who has offered at inner levels to accept him.<sup>2</sup>

Is this not a blessed act? [Audience rises.] Is it not a blessed fact? It shall be so, for God hath said it, and no one can gainsay it. It shall be so, for God hath said it. The LORD has spoken now, instead of mankind’s vanity. Won’t you please be seated.

### What Is the Most Important Act That Any Man Can Do?

Out of the light I have come, and I am not yet ready to return to the light! Out of the light I have come, and I am invoking the shield of faith over you tonight and [giving you] the understanding that the hungers of mankind must be fulfilled!

My call of long ago to Simon Peter, “Simon Bar-Jona, feed my lambs,”<sup>3</sup> is now transferred to ye all, to all who understand and will accept the great commission from the Holy Spirit.

You have many things [to do], as Martha of old.<sup>4</sup> You are careful, O student body of this activity, about many things. You have many activities in your world. Your concerns are legion. But I the Lord Christ say to you tonight, in the name of Almighty God:

What is the most *important* thing, the most *lovely* thing, the most *beautiful* act that any man can do?

It is the reaching out into the highways and byways of life and bringing in the many and the few. It is the going forth into the world with sanity and clarity and purity and wholeness and faith and love and all that God from above doth bestow upon thee, and saying unto mankind, “Awake! Awake! Awake! For the kingdom of God is at hand.”

Before I went forth long ago in Palestine, that *delightful* soul, that *magnificent* soul, the greatest soul that has ever lived upon this planetary body hitherto—John the Baptist—did go forth as a voice of one crying in the wilderness and proclaiming the words, “Prepare ye the way of the Lord; make his paths straight.”<sup>5</sup>

I *AM* coming again! I *AM* coming again! I *AM* coming again! And the John the Baptists of the world are once again needed—*voices* in the wilderness, *voices* in this land, *voices* that will cry out, *voices* to command the recalcitrant demons that seek to control the minds of men!

### The Fruit of the Spirit

The vicious forces unleashed upon this land are horrible, and mankind ought to understand it. Whited sepulchres are many of those of the cloth who go forth in the name of God and do despite to the spirit of grace and the spirit of glory. They seek to glorify themselves and line the coffers of their purses with gold.

They are not devotees of the Spirit! They are not consecrated! They are not illumined! They are full of dead men’s bones! They are dumb dogs that cannot bark!<sup>6</sup> And as the prophet said it, I say it unto you again: These themselves have not the spark of faith and hope. Their God is dead, but our God liveth!

And therefore we send you forth tonight by cosmic might. But understand that wisdom must be used in all that you shall do. You shall not go forth as fools but as those well-equipped by cosmic grace. Otherwise I say, seal the lips. For when mankind will teach, they must know the Law. They must understand grace. They must be men and women of faith and hope and love and charity, and they must understand that our commission is given to such as these.

And we who understand the activities of mankind have created in The Summit Lighthouse a very special activity whereby the fruit of the Spirit can be made known in joy and righteousness and love. *This* is what we would rekindle! *This* is what we would do today! And this is why I AM God’s way sending forth into the world the banner of our love.

### The Release of the Doves

And now for one moment will you stand as I release these doves? [Audience rises.]

O fairest flower of the Most High,  
 O fairest flame that lights the sky,  
 O Holy Spirit, beauteous One,  
 Thy comfort spreads,  
 Thy work well done.  
 Release these sparks of radiant light  
 And let them fly through darkening night  
 And bring the hope of God to men  
 And little children once again. [Jesus claps once.]  
 Go forth in the name of God!  
 Go forth as a great flood of light!  
 Go forth into the night!  
 And be the security of this land,  
 The purity of the soul,  
 The holiness of the goal.  
 It is done.

They are on their way, and hope is spreading o'er the  
 land today. Won't you please be seated, with delight and joy.

### **An Allegory of the Spirit**

The dark and oppressive spirits of the demons are now  
 trembling! The legions of Satan are trembling! Lucifer, prince  
 of darkness, is trembling! And the earth is being shaken by  
 the unfailing and ever-quickening light of God!

You have heard that such moments should come,  
 And they are with you now.  
 But the battle is only just begun.  
 And to you I say and vow  
 That all together it shall be won,  
 And every knee shall bow,  
 And every tongue confess  
 That I AM Lord, to God's own glory.

And the son, then, by man's love caressed,  
 Shall kneel himself and to his God confess:

O God, thou art LORD.  
 There is none beside thee.  
 Holy is thy name  
 And none on earth deride thee.  
 Blessed art thou, O LORD,  
 And blessed is the fruit of thy holy seed  
 Spread among mankind  
 As the Sower goes forth to sow.  
 For the Divine Sower went forth to sow,  
 And he reached into the bosom of his soul,  
 Into the flame of his heart,  
 That as a lotus flower  
 Was filled with the ineffable light.  
 And the essence of that flower,  
 That magnificent seed flame,  
 Did all things command.  
 He reached within the bosom of his soul,  
 Within his heart,  
 And drew forth seeds of flame.

He scattered these abroad  
 In his own blessed name and said:  
 "Go forth to bear the fruit of life  
 Upon the Tree of Life.  
 Create an Eden fair.  
 Let all be clothed in care  
 With swaddling garment of pure light.  
 Delight the mind and frame the world  
 With nature's grandest garlanding.  
 Go forth in light and frame the world.  
 O stars, adorn man's heart."

And all was done.  
 The seed went forth.  
 The Word was born in flesh,  
 And man was consecrated afresh  
 To all that they had known  
 When long before embodiment  
 They sat upon the throne  
 Within the heart of God himself,  
 For they were part of him.  
 And now the spirit sparks disbursed,  
 And all went out to win  
 Their own blest throne,  
 Their own command,  
 Their world of pure delight.  
 Their wills were free from God-dominion.  
 This became their blight.  
 They could not trust themselves nor God.  
 In confusion they did reign.  
 And all seemed lost,  
 And in the sod  
 Extinguished was the flame.  
  
 But heaven looked down  
 And saw within  
 The dense and darkened seed  
 The living God.  
 He descended there,  
 And life did have one need—  
 To be replenished and reborn.  
 “He must be born again,”  
 And so the Word went forth.  
 The Sower, then, did sow,  
 And seeds of immortality  
 With cosmic fire glowed.

### You Shall Be Free

I have given you an allegory tonight,  
 An allegory of the Spirit.  
 I have given you an allegory tonight,  
 And showed that none need fear it.  
 Accept it! Accept it! Accept it!  
 Let it guide you.  
 Let it be a star for you.  
 And let all who hear this dictation  
 And hear my words  
 In every time and every clime,  
 Wherever men may view the truth,  
 Let them understand that they too  
 Can then obey the call  
 That echoes now over this land:

“Come unto me, all ye that labour and are heavy laden,  
 and I will give you rest.”<sup>7</sup> You shall have rest for your souls!  
 You shall be free! And you shall see the Palestine of God in  
 higher worlds! For in my Father’s house are many mansions  
 glowing radiantly in the sky. If it were not so, I would have  
 told you. I have gone to prepare a place for you, that where  
 I am, there ye may be also.<sup>8</sup> And I tonight am here in living,  
 immortal, blazing Christ consciousness!

And I tell you that never before have you heard me speak  
 as I speak tonight. For never before have I so reconsecrated  
 my mission to the earth, to call out the great command for  
 cosmic rebirth throughout this land and throughout the  
 whole blest earth.

### Will You Pledge Your Life to God?

Ladies and gentlemen, will you stand now and pledge  
 your life to God? [Audience rises.]

I cannot demand it. I can only ask it. If you are not ready to do it, hold back the prize—the price, if you will. But if you can in faith believe my Word that I have spoken, accept, then, from me, at the hour of twelve this night, a special token of my love. Whether you shall consciously know it or not, I shall bestow it upon all who will pledge their heart, their head, and hand to God’s great love, to God-command.

We are one blest Brotherhood. We understand the law that *should* act—the law of love, the law of infinity moving the finger of God through the finite world and bestowing the cosmic grace of the infinite banner unfurled in each soul and over the earth: “The earth is the LORD’s, and the fullness thereof.”<sup>9</sup>

*Lo, I AM come. Lo, I AM come. Lo, I AM come!*

*Lo, I glow. Lo, I glow. Lo, I glow right within you!*

*Lo, I glow. Lo, I glow. Lo, I glow right within you!*

*Lo, I go to begin to win, to win, to win for all, freedom,  
freedom, freedom in God’s beloved name!*

I thank you!

“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.”

This previously unpublished dictation by **Jesus the Christ** was delivered by the Messenger of the Great White Brotherhood Mark L. Prophet on **Easter Sunday, April 6, 1969**, during the *Class of the Resurrection Flame*, held at La Tourelle, in Colorado Springs, Colorado. Part 1 of this *Pearl of Wisdom* is published in this volume, no. 9. [N.B. Bracketed words have been added for clarity in the written word.] (1) **The Holy Christ children born several years ago.** On February 4, 1962, Lady Master Venus announced in a dictation through the messenger Mark L. Prophet that “this day a great number of highly illumined souls are being given birth upon the planet Earth. . . . The people of earth are the recipients this day of a number of great Christs who are taking physical embodiment upon this planet. . . . As they come to maturity, they will assist the mankind of earth to find their way back to the heart of God. . . . They are divine beings. They are avatars descending, as was the Christ, and their purpose is to guide the mankind of earth in the ascended master age, the great golden age. This very day is their natal day. They shall be born this fourth day of February in the year of our Lord, 1962.” (1999 *Pearls of Wisdom*, vol. 42, no. 41) (2) **The blessed Buddha child.** On October 11, 1970, Mark Prophet said: “As some of you are aware, in recent years the hierarchy has permitted nine souls who attained that initiation [to become a Buddha] to come into embodiment. So we have nine children on earth at this time [1970] who are actually holding the focus of the Lord of the World and of the Buddha. When we were in India, we noticed that the one who had been reborn was in Madras [the previous name for the city of Chennai, in southern India] and was well there. We felt his aura when we were in Madras. They are at various points upon the globe. And they will rise up and be very great teachers in the new age.” (3) John 21:15–17. (4) Luke 10:40–41.
