Beloved Saint Germain

April 15, 2024

## Hail to the Conquering Heroes

### Part 2

Beloved ones, this is the hour of acceleration, and therefore I speak to every Keeper of the Flame throughout the planetary body.

Consider and assess and know where you will be in the year 1979, for I have need of you and your heart flame, positioning you, then, as the mighty stars in the firmament of being for the holding of the balance of that flame.

Beloved ones, you have not seen a hatred so great as there has been in this age—no, not since the hour of the crucifixion of the Lord Christ. And this hatred is the momentum, the buildup of momentum all the way since the hour of the sinking of Lemuria, the hatred of the Mother flame, the hatred of that light within your very own temples.

And beloved ones, when you raise up that Mother light as the great current of the ascension flame, then you will know that the entire momentum of planetary hatred must be balanced by the momentum of light from your own great causal body. And once you have opened the sacred fires of the Mother, you must defend those sacred fires within your temple, of which our messenger is the sign and the symbol of the coming of that purging light.

And so you see, beloved ones, if you do not defend that sacred-fire light within your being, then the hordes of darkness will overrun your temple and steal that light. And then you will find the opening, instead, of Pandora's box, as you can no longer deal with the forces of darkness on the planetary body.

This is the fate of those who give their vow and then withdraw it. For you see, when you give your vow, we begin the opening and the upward spiraling of that ascension flame. And therefore when we are in the very midst of our alchemy, in the very midst of raising you up to be that Son of God, that Christ incarnate, it is unthinkable to look back. And therefore the unworthiness of the kingdom is that you yourself no longer have the capacity to receive the kingdom or the consciousness of God, because only the white light can receive that light from on high.

Only Omega can receive Alpha within you. Only the bride of Christ can receive the Lord Christ. And so we build within you the chalice, the Matter bowl, that Alpha might pour the fullness of himself. And therefore, what havoc and what destruction is wrought when in the very midst of this sacred ritual you suddenly decide that you would prefer other climes and other zones.

Beloved ones, the destruction that then comes cannot be laid at the feet of the messenger or of the ascended masters or of the teaching itself, but only to your own free will. And the last day of that man is worse than the first,<sup>1</sup> for then comes the penetration of the temple by those who wait to seize the light that you have been given.

This is the science of the sacred fire. This is why we speak to the one hundred forty and four thousand—because they have known that science in the inner temples of Lemuria and Atlantis.

**The Great White Brotherhood Is Grateful  
to Each and Every One of You**

I speak to you, O sons and daughters of God, who will hear and read my Word in the century to come. I speak directly to you—you who know my vibration as your brother of light. I speak to you to enfire you and to place upon you the mantle of your responsibility.

How can the sheep enter in if you do not hold your position as the shepherds of the Word?

O my beloved, the Lords of Karma are gratified in the accomplishment of this year. And one and all, they stand now. They stand before your light to pay you honor, beloved ones. And therefore, will you not also stand before the Lords of Karma? [Audience rises.]

Beloved ones, the Lords of Karma desire to deliver to you through me this message—that many of you in this year have entered into the fulfilling of your vows made at inner levels before you took incarnation. And this year of acceleration and the part you have played in the distribution of the Word has opened, for many of you and others in the field, a path of initiation under Serapis Bey that you could have earned in no other way.

The Lords of Karma, in the person of the Goddess of Liberty, desire to speak to you and to transfer to you a gift of gratitude in the expression of love, a love that is a transfer of light from their seven causal bodies, magnificent love-spheres, beloved ones.

Heaven is grateful! God is grateful! The Great White Brotherhood is grateful to each and every one of you! And so help me God, as I give thanks to each and every Keeper of the Flame who has made possible our Camelot, our books, our Word, the comforting of our messenger and our chelas, so as I give that thanks there is the writing of the great Keeper

of the Scrolls in the Book of Life of that recording of your love, of your prayers into the night, into the day. There is not one action, not one determination to overcome that you have made that has gone unnoticed. And angels of light tell their tales of joy before the hosts of the LORD each and every time one of you gains the victory over the subtleties of the lesser self.

Beloved ones, we count that victory as the greatest victory of a cosmos, for we know that that victory is the sign of the victory of earth and her evolutions. Beloved ones, never mind the high and the mighty. They will fall. But those who hold the balance upon this line that we have set, the line of demarcation, will win not only the individual ascension but the further opportunity for untold millions to have that flame of freedom.

**Daily Invoke the Violet Flame for the Transmutation  
of All Hatred**

Beloved ones, I urge you, then, to understand that the witchcraft and the black magic that sometimes burden your temple is a very simple matter. It is the simple matter of the hatred of Saint Germain, of my flame and of my love and of that freedom. And unless you daily invoke the violet flame for the transmutation of all hatred in that twenty-four hour cycle, you may find that in the hours of fatigue you will accumulate a more than ordinary amount of that substance, and then you will find that you are out of alignment merely because of that coming of that misqualified energy to the line of love.

Beloved ones, this City Foursquare, this soul chakra of the earth,\* is that line of love that will translate to the cities that I have named, from the north unto the south. And from this point the energy goes forth across America, and it crosses

\*Los Angeles is the seat-of-the-soul chakra of the United States.

the sea and goes in both directions until that swirling action forms a mighty caduceus. And you will see on the other side of the earth, when we establish that line also, that then there will be a ring of fire and a ring of light, a ring of Mother flame. And you will know how the Lords of Karma have planned the victory of the earth slice by slice, increment by increment.

### **The Necessity for the Guarding of the Temple**

Even so, come quickly, Lord Jesus Christ.<sup>2</sup> Come quickly into the temples of the people and purge them now of those demons of fanaticism.

Beloved ones, I call you to the necessity of the guarding of the temple, even as Gautama Buddha called for that cosmic honor guard for the defending of our messengers, for the defending of those who will then be appointed and anointed by the Lord Jesus Christ, by myself.<sup>3</sup>

You must understand that that which is physical must be met in the physical octave, that which is mental must be met in the mental octave, and that which comes at the level of the desire body is met by that momentum of God desiring to be God. And the etheric plane, when it is violated, is met by the attainment of those in the etheric plane.

And so it is, beloved ones. Even your karma cycles through the four lower bodies, in each individual body as you have misused that body. And so your karma is different in the physical plane, in the mental, in the feeling, in the etheric. And some of you have strength in one or the other of the bodies and therefore you strengthen one another by the momentum of your attainment.

### **The Use of Fluorides in the Water and Toothpaste**

And so you see that these fallen ones who have invaded the temple of the children of God have sometimes invaded the

mind and then the emotions and then the physical temple and then the etheric body. And they have done so by all manner of infiltration—by chemicals, by the use of fluorides in the water and in those preparations that you are unwittingly taking into your temple through the mass marketing of fluorides in toothpaste.

Beloved ones, I send you this warning: Do not allow yourselves or your children to receive one particle of that substance! Stand for your rights! For I tell you, it is another manipulation of psychopolitics and warfare—that warfare that attacks the psyche and the will.

And therefore watch, as I say unto you, that these little matters are the determining factors. And when you send your children, as you have done in past years, for the cleaning of the teeth, you must stand guard and see that the preparation used does not contain those fluorides. For this is an interference with the very formation of the brain cells intended to house the energies of the crown chakra.

Beloved ones, these are the details and the teachings that come to you by the very fact that we have the open door of the messenger. I would not speak upon this if it were a light subject!

Beloved ones, you have no idea how the fallen ones have plotted the brainwashing of a free people by the use of pesticides, insecticides, chemicals, and fertilizers that pollute the body and create lethargy and the splitting of the personality because that substance is used in harmful doses. Beloved ones of the light, the Word is a two-edged sword. Let it be the Word within you that is your life and your protection.

### **The Lords of Karma Send upon You a Rain of Light for Your Staying Power**

The Lords of Karma now send upon you a rain of light and a blessing of light in gratitude for your staying power.

For when all else fails, beloved hearts, [we can count on] the staying power of the chelas, who pass the torch to those who go and play and make merry, and while they make merry they set down their torches. We are grateful, then, that when you make merry, you do not put down your torches but they burn within your hearts.

Within your hearts now, therefore, the Goddess of Liberty places a replica of her own torch of freedom and of the Book of the Law, and it is sealed in the secret chamber of the hearts of those who have made an extraordinary effort in this year, 1979, for the victory of the hosts of the LORD.

Beloved Mighty Victory and his legions of light bow before the flames of the lightbearers! For, beloved ones, this Revolution in Higher Consciousness is come! It is come with the coming of Lord Maitreya! Do you see? For the revolution is an action of initiation. And so of old, the ancients knew that with the coming of Lord Maitreya, the Compassionate One, so would the revolution come. And the coming of Maitreya is the sign of the coming of the Mother. The Mother and Maitreya are the manifestation of the Cosmic Christ and of Omega within your temple, and these converge in the hour of 1979 for the victory.

My beloved hearts, won't you be seated.

### **Peace Is the Mighty Power of Alpha and Omega**

From Shamballa is a flame, a threefold flame, a light from the heart of Gautama. It is a flame of peace, *a flame of peace*—peace that is the illumined understanding of the Law, peace that is the equanimity of your consciousness, peace that knows no fear, that will enter here and there and summon the souls of the people.

Beloved ones, peace is the mighty power of Alpha and Omega. It is the scientific mastery of the waters. When you

convey peace rather than fanaticism or tension or a frantic looking here and there, then you will transfer a fiery coil of “*Peace, be still!*” to the four lower bodies of your hearers. And with these bodies stilled, then the flame of Peace, who is the person of the Lord Jesus Christ, will enter the temple of the one whom you address, and in the calmness of that delivery of the Word, your hearer will be healed.

See, then, that you pause, and even speak slowly, gently, and yet with the power of a mighty river of life. The river is relentless yet soft, yet gentle, yet filled with crystal clear laughter. Let that peace that flows from you to the children of God convey the true image of the ascended hosts of the LORD. Let it be not the hypnotism of the outer self, but let it be the great magnitude of the I AM Presence.

Every word must be a healing word, else let it not be spoken. Desire with a great desiring of your heart that out of thy belly, out of the great solar plexus, shall flow the waters of healing prophesied unto the disciples.<sup>4</sup> Let there flow from the place of the Great Sun Disc that momentum of love that will not be turned back, that will swallow up all in its path and deliver souls unto the throne of grace.

### **The Word Will Swallow Up All Controversy and All Lies Delivered unto the People**

I come, then, and I dip into the sacred fire upon the altar of the Royal Teton Retreat now, and I dip into that fire and I take it and I sprinkle it across North America, into every city and town and community and home where I will go in this year of 1979. And I will go there in the person of my chelas. I will go there in the person of my children. And I cannot go there except I go within your temple and within your body.

Beloved ones, the places are marked by that flame and by the cosmic cross of white fire. In the midst of the flame,

therefore the divine plan is set. And by the attunement of your being you will be magnetized to those very forcefields of light, and you will delight when you make that encounter with the souls of light—the receptive ones and those who are waiting (though they know not in their outer minds that they are waiting), who become the passive receivers of the active light.

You, therefore, I endow with an active light of Alpha. I transfer that momentum of desire to go forth so that you might realize that the thrust and the roll and the ho, ho, ho is in the person of those chelas who seek to become adepts—adept in the use of light, adept in the transmutation of darkness. And the thrust is an energy that goes forth from you, that leaps and that consumes.

The only moment when you are passive is when you receive from your I AM Presence, your Christ Self, and the ascended hosts their momentum and then their thrust. And the moment you receive that thrust, then you become the active principle. Be sure that you understand this changing of forcefields in your temple, for you cannot be passive when you are there to deliver the Word.

Therefore humble before the living God and emboldened by the Holy Spirit before the world, you will find that your Word will swallow up all lesser words, even as the rod of Aaron, of Moses swallowed up the other rods of the black magicians of Pharaoh's court. The Word will swallow up all controversy and all lies delivered unto the people.

### **We Must Begin to Clean House**

Let, therefore, this state of California become the goal of those who will now translate “the gold rush” as the rushing for the gold that is hid within the temple of the sons and daughters of God. It is because of the presence of these sons and daughters and the balance by the elemental kingdom in

the heart of the earth that this is become the great golden state of light. And therefore let every town and home receive an inundation of light, and let souls go forth specifically to those areas appointed so that this state may become the example not only to the other forty-nine states, the territories and possessions, but also to the nations of the earth.

We must begin to clean house, and this is where we begin. And so I plant the staff of Joseph. I plant the staff of Joseph within Camelot—that staff that declared the coming of the Holy Ghost unto the Virgin Mary.<sup>5</sup> That staff, then, becomes the sign of the caduceus, which is the sign of the resolution of the energies of East and West. And therefore I have called my sons and daughters out of the Orient, out of the Occident to dwell within this state, that they might manifest their causal bodies for the perfect blending of the light.

### **Victors of Flame! I Call You That!**

I come, beloved ones, not to weary you, for you are the ones who have wearied not in well-doing. I come to inundate you with violet flame as a soothing balm as I anoint your bodies and your souls victors of flame.

Victors of flame! I call you that! And beloved ones, many angels in heaven have desired to earn that appellation, for by it they have the password and the card that enables them to move with the legions of Mighty Victory as they cross the earth and the heaven coming in and out of the planes of being.

And therefore Mighty Victory invites you to come and be trained by his legions in the art, the science, the religion of victory. Victory, beloved ones, is a matter of timing—the timing of the sacred fire breath within you, the timing of the flow, the release, and the holding back of the Word, the timing of the healings of the nations, the timing of their judgment, the timing of the speaking and of the silence within the temple.

Victory, beloved ones, is the V descending of the balance of Alpha and Omega. And that light, that light fulfilled, becomes, then, the ascending Alpha and the mighty six-pointed star.

I AM here. I AM here in the flesh and in the blood. I AM here in Spirit and in Matter. And I will be here and there and everywhere that my chela would become myself, that every chela should know himself as Shiva. For that Shiva-sacred fire is a part of every ascended master. This is our hope, our faith, our charity—that in becoming the Holy Spirit, you, then, will be qualified for changing garments moment by moment, first to be the person of El Morya, and then of Saint Germain, and then of Mother Mary and Lanello, always carrying the momentum of our causal body. So let the cry of Victory be heard.

Victory! [given 10 times]

I AM that flame of freedom where you are. Call now and receive the infusion of light, and know thyself as *God, God, God!*

**“The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom.”** This previously unpublished dictation by **Saint Germain** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, November 19, 1978**, during the Sunday service at Camelot, in Los Angeles County, California. Part 1 of this *Pearl of Wisdom* is published in this volume, no. 14. [N.B. Bracketed words have been added for clarity in the written word.] (1) See Luke 11:26. (2) Rev. 22:20. (3) **Gautama called for that cosmic honor guard.** In a dictation given through the messenger on May 13, 1976, Gautama Buddha stated: “The guardian action of the light of God must appear, for the golden white-light of purity demands the Cosmic Honor Guard of the World Mother. . . . I therefore ask that those who would become a part of this legion of honor, the Honor Guard of the Mother of the World—I ask them to come forth, then, to make known to the Mother of the Flame their commitment, of their desire to be initiated by Archangel Michael and to carry the mantle and the sword, the armour and the defense of this flame. For there are many battles to be fought and to be won for the light on Terra, and we dare not release greater light

unless there be some who will give to this calling the lifelong dedication and the vigilance that is necessary.” (4) See John 7:37, 38. (5) **The staff that declared the coming of the Holy Ghost.** According to the apocryphal text Birth of Mary, when the men who were chosen as candidates to be betrothed to Mary gathered in the temple, a dove from heaven pitched upon the top of Joseph’s staff, which he was holding, and all who were present, including the priest, saw that Mary was to be betrothed to Joseph.

### “Conquer in the Name of Victory”

by Mighty Victory

I AM THAT I AM Victory in the cloven tongues of fire!  
Victory unto the seventh age!  
Victory in the heart of Saint Germain and Portia!  
Victory on the path of freedom!  
Lo, I AM!

*Ho! Ho! Ho!*

The forces of anti-Victory are repelled.

And they go down!

And they go down to defeat!

And they are bound!

Therefore, rejoice and say with me now:

*Ho! Ho! Ho!*

The forces of anti-Victory are bound! (4x)

And the Church Universal and Triumphant

Is God-victorious this day!

And I AM God-victorious, for I AM Victory this day!

I AM a son of Victory!

I AM a daughter of Zion!

And I AM that New Jerusalem, God-victorious,

Which cometh down from heaven!\*
