### **Mighty Indeed Is the Gentle Hand of Mother**

Mighty indeed is the gentle hand of Mother. Mighty indeed are the gentle children of the light.

Why, you have carved out of the planes of Mater, by your magnificent devotions to Astrea Elohim, a funnel of light, a spiral corridor descending into the very depths of the astral plane. And angels of light are descending and ascending by the spiral of light in the center of this tunnel of light, ring upon ring fashioned of the sword and circle of Astrea—such a mighty light!

I AM your Mother. I come to tell you this night that nowhere else on earth in the physical octave is there such a sacred fire manifestation as you have invoked, nor is there in this hour such a great convocation of angels as have come by the descending/ascending current of blue-flame/white-flame purity that is here.

And thus it is to us a great joy to come to bow before...

## Mighty Indeed Is the Gentle Hand of Mother

Mighty indeed is the gentle hand of Mother. Mighty indeed are the gentle children of the light.

Why, you have carved out of the planes of Mater, by your magnificent devotions to Astrea Elohim,<sup>1</sup> a funnel of light, a spiral corridor descending into the very depths of the astral plane. And angels of light are descending and ascending by the spiral of light in the center of this tunnel of light, ring upon ring fashioned of the sword and circle of Astrea—such a mighty light!

I AM your Mother. I come to tell you this night that nowhere else on earth in the physical octave is there such a sacred fire manifestation as you have invoked, nor is there in this hour such a great convocation of angels as have come by the descending/ascending current of blue-flame/white-flame purity that is here.

And thus it is to us a great joy to come to bow before your heart flames and to say: Mighty are ye, indeed, in Word and in Work. For you have understood the science of the ages and the religion that is the great ritual of the Word of God.

To the angelic hosts, the calls to Astrea are a music. Like a zither string, it comes as a minor key and then a major key, breaking down substance yet thrusting a power undreamt of.

### The Feminine Ray of a Cosmos Is Sealed to the Core of the Earth

Thus, the feminine ray of a cosmos is sealed to the core of the earth. And by this cylinder of light there is also a penetration of mighty legions into the continent of Africa to the heart of Liberia. For the son of light has called, and we will not turn him away.<sup>2</sup> We have raised him up. Thus, father and son represent in that nation the Persons of the Trinity, and their devotion is the magnet of the Holy Spirit that must come where there is the fiery circle of dedication. The entire Spirit of the Great White Brotherhood will always bow before those consecrated to the light of Father and of Son.

Therefore, I will intercede. I raise my hand, mighty indeed. It is the hand that has already become the hand of Omega.

I AM her daughter of light. I AM an archeia of the fifth ray. I send my light by the authority of the light that I AM. I invoke the virgin light of cosmos! I send the seven archangels into that nation, and there shall occur a great miracle of my sacred heart! And it shall be the coil that shall begin the reversing of the tide of that dark element of conspiracy through the fallen ones of East and West that has encroached upon a territory that belongs alone to Mother.

I AM come. I AM Mary. By your call to me in the rosary, I fashion a garland of light, diamond light. Yes, it is a garland of lilies of adoration. It is also the cord, the diamond cord that binds the seed of the wicked. Thus, my right arm descends in judgment.

In the name of the Father, in the name of the Son, in the name of the Holy Ghost, I AM come unto my children of light. I touch the hearts of the faithful. I kneel before God and I say:

Raise them up, O mighty One! Raise them up,  
O Father! Raise them up!

I call to thee in this hour. Take every Hail Mary that wings its way, as a breath of prayer, to the central altar of the Great Central Sun, and fashion out of that prayer of the little children and the mighty army of God who have gathered at Camelot—yes, fashion out of that prayer of the faithful in every church throughout earth, O Father, crystal snowflakes of descending crystal light, each one descending to burst aflame and consume anti-Christ, anti-Father, anti-Mother, and the sin against the Holy Ghost.

**For Each Hail Mary, I Commit to You  
an Acceleration of the Resurrection Flame**

O my children, as the Hail Mary flows from your heart, see that spiral of white fire as a crystal fire mist reaching the heart of Alpha and Omega, and see the return—a unique crystal snowflake of your devotion entering into earth, into the astral plane, into infamy and intrigue, violence and terrorism. And that bursting star shall be a cosmic explosion, and one by one you will see holes in the astral plane, the dispersion of darkness.

I must say, your constancy multiplies the strength of the garland of snowflakes descending many times over, and your souls are nourished. And for each Hail Mary, I commit to you an acceleration of the resurrection flame in your heart, in your chakras, in your cells. And then you will see how all of the threefold flames within your holy temple<sup>3</sup> will sway and move to the three-quarter time of the waltz of the flame.

My beloved, there is an invincible light that comes forth when you say, “Hail, Mary, full of grace.” Oh, it is the acclamation of Father-Mother God, who has sent forth my soul to fill the earth with grace—the grace of the only begotten Son of God, whose great image and promise declared unto me by Gabriel<sup>4</sup> has been fulfilled a million times a million in the hearts of his very own.

Thus, the hour approaches for your celebration of that mighty resurrection and of the angels of Alpha and Omega, sentinels of the tomb and those who rolled away the stone with a great light of heaven.<sup>5</sup>

O my beloved, your meditation upon the Easter morning is the glorious memory projected into the future. It is the memory of God, who remembers your own resurrection as though it had already occurred, the future-perfect. Thus, in the memory of God is contained that which you have not even yet experienced, and God contemplates the mighty memory of his own etheric blueprint and rejoices in the day when every atom of your being shall become congruent with the memory already established.

Thus, when you meditate upon the only memory that you have—Christ’s own resurrection—you walk right into his very Electronic Presence as you adore that sacred heart.

I AM the Mother of the origin of the light of the resurrection in you. The grace with which I come is the grace of life. And life is the perpetual resurrection of rainbow rays.

**Roll Back Every Abuse of the Mother Chakra**

O sweetness of our communion, let the sweetness of God, as the most intense sacred fire of the ruby ray, *roll* back now every abuse of the Mother chakra in all forms of variance and witchcraft. They have no power! I send forth the ray of the judgment of my Son and the consuming of their insanity, such vanity as is certain self-destruction.

I pray for the children of light caught in the brambles of these unwholesome, ungodly practices. I pray before the Father. I send the full-gathered momentum of your calls to Astrea to cut free every child of the light who has been drawn in by a false sense of security and camaraderie in the witches’ covens.

I proclaim the judgment of my Son Jesus upon every coven of Wicca, every misuse of the light of the ancient Druids and priests of Atlantis, who knew the sacred fire mysteries.

I declare that all those who serve the satanic art be cut off from the great light of the Ancient of Days released through the priests and priestesses of Atlantis, in the great cult of the Mother, in the circular, pillared temples of light.

*Aum*

*Aum*

O great fiery salamanders in the service of the Mother flame, *burn* now the cause and core! And now collapse the forcefields of the sex cones they have erected!

*Blaze* forth the light!

*Blaze* forth the light!

*Blaze* forth the light!

*Roll* back the cult of death, manipulation, and malpractice! *Burn* through, and let them be judged, O God!

By the hand of God that is the hand of light now upon me, I, Mary, declare that all individuals who are of the seed of the Great Whore and of the Fallen One—male and female practitioners of the black arts and witchcraft, voodoo, and satanic rite—are in this hour permanently bound by the mighty flame of Elohim, by the purity of Almighty God!

They are bound in the name of the I AM THAT I AM! *They are bound! They are bound! They are bound!* They are *sealed* by the cosmic cross of white fire, *sealed* by the cosmic cross of white fire, *sealed* by the cosmic cross of white fire!

*Blaze* forth the light!

*Blaze* forth the light!

*Blaze* forth the light!

*Blaze* forth the light!

*Blaze* forth the light!

### **Daily Invoke My Light and My Presence through the Giving of the Rosary**

I AM Mary, the Mother ray, and I answer your calls this day for the binding of the conspiracy East and West. Therefore I come for the binding of those malefic energies and their source, who are the very ones sustaining the conspiracy on the political and economic levels, even though they themselves may not be aware. For every misuse of the light of the Mother and the light of the Father is the abuse of the world body and the body politic of the world.

Therefore, I AM come! Therefore, I AM come for the judgment! Therefore, they are sealed and bound! And let the children of the light invoke my light and my presence daily, until every last vestige of the usurpers of my throne of grace are bound by the light of the Hail Mary.

Thus, the rosary is one continuous light, one continuous garland of diamond light passing through the hearts of all who give that rosary each day, making all one immutable cosmic cord of love, of victory—the cord that binds the souls to God, and the very same cord that binds the seed of the wicked as the angels enter now into the very heart of the astral plane by the command of the Keepers of the Flame. They, therefore, do bind the seed of the wicked.

### **I Meditate upon Your Christ Image Day and Night**

Thus, my beloved, let your invocations to Mighty Astrea be noted this day and this hour that they are the power that

carves the funnel of light, a spiral of light across the very planes of Matter, permitting the great hosts of the LORD to descend and ascend and to resolve national and international crises. Thus it is, as the light of the feminine ray does increase. So meditate upon the crystal ray and be free.

In the heart of the crystal fire there is the image of your own Christ Self. There is the image of the blueprint of your soul. Upon that image I meditate day and night—the individual Christ image of each one who is on the path of light and the great archetypal pattern of your immaculate being.

I AM the meditator upon your soul. I AM Mary, full of the grace of the Holy Ghost. I meditate upon your light, your victory, your becoming all that you really are.

Hour by hour and by hour, when you then give to me, my beloved, fifteen minutes of your day, I pour into your devotion the full twenty-four-hour momentum of my vigil that I keep with your own immaculate Christ image.

And therefore I can promise to you the increase of the flame of the resurrection, for it can only come through the reestablishment of that perfect image of the LORD God out of which you were made. As that image becomes impressed upon every living cell, thus you yourself become a mighty choir of rejoicing as each mirrored reflection in the many-faceted building blocks of life within you does sing the new song of the Lamb and the Lamb's wife.<sup>6</sup>

### Your Comfort to Me Is the Hail Mary

Enter now, Lord Jesus and Lady Magda, into the City of the Angels for the great consecration of Eastertide. Won't you join these beloved twin flames on the morrow for the great celebration of the resurrection of all life?

I AM Mother. I will not leave you comfortless. I ask also for your comfort to me as I do mourn the death of souls by

the hand of the Fallen One. Thus, your comfort to me is the Hail Mary, which I then take and give as a halo of light to the little children of earth.

This is the meaning of *A Child's Rosary*.<sup>7</sup> I have consecrated all of your love to the little children. For them and unto the child of every heart, it is given. It is the gift of my heart.

I bow before Lord Buddha, the Lord of the World, and I tarry at Shamballa for my meditation this night.

<sup>6</sup>*"The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom."* This previously unpublished dictation by **Mother Mary** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Saturday, April 14, 1979**, during the Easter class, *The Quest for the Resurrection*, held at Camelot, Los Angeles County, California. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. Books, audio, and video products are available at <https://Store.SummitLighthouse.org>. The widest selection

of audio files, including dictations, is available at [www.AscendedMasterLibrary.org](http://www.AscendedMasterLibrary.org). (1) **Your magnificent devotions to Astrea Elohim.** This may be referring to a decree session in which decree 10.14—“Decree to Beloved Mighty Astrea” in *Prayers, Meditations and Dynamic Decrees for Personal and World Transformation*—may have been given prior to the delivery of this dictation. (2) **The son of light has called** refers to a phone call from Adolphus Benedict Tolbert, son of President Tolbert of Liberia, Africa, to Elizabeth Clare Prophet regarding a violent uprising and demonstration by a communist-inspired organization, Progressive Alliance of Liberia, in Monrovia, Liberia, which the Liberian government attempted to prevent. Tolbert had fled to the Ivory Coast to call the messenger and to request that she make invocations and calls on this emergency situation. During their conversation, the messenger made intense and incisive calls for the clearing of the negative energy and for the judgment of the infiltrating communist forces. (3) **The threefold flames within your holy temple.** On May 27, 1974, the messenger taught that in meditating on and visualizing the threefold flame, “the action of the threefold flame will give balance to the threefold flame in every cell and atom.” She explained that “Alpha and Omega focus in the white-fire core of the atom as the threefold flame. There is a matrix of the threefold flame as the white-fire core at the heart of every cell and atom. As the threefold flame begins to spin, it invokes, it con-vokes. . . a miniature spiral of the resurrection, just as we have had the picture of Jesus standing in the center of his own threefold flame rising from beneath his feet to above his head. . . . So, in preparation for this manifestation, you have to see it happening in every organ, every member of the body. Each time you work on it, the swirling action, the threefold flame begins to turn and then you see that it manifests the beautiful opalescent mother-of-pearl.” (4) Luke 1:26–38. (5) Matt. 28:2; Mark 16:4; Luke 24:2; John 20:1. (6) Rev. 19:7. (7) **A Child’s Rosary.** Mother Mary has released fifteen-minute rosaries in audio format, with accompanying scriptural readings. In a dictation given on March 22, 1978, Mother Mary explained: “I have placed into the heart of the Mother a rosary for children, which many adults will also find appropriate. This rosary will be an abbreviated rosary. . . so that none may have the excuse of not giving the rosary because it is too long. . . . The request for the giving of that rosary, then, is not exempted from the children of any age. . . . The blessed children have immense hearts of light and are magnificent God-free beings at inner levels. . . . Let it not be again, then, that we must come to remind you of the daily giving of the rosary. These are not words. These are the energies upon which the very salvation of the United States of America, of this hemisphere, and this planet rest.” *A Child’s Rosary to Mother Mary* is available in MP3 format, containing all sixty-two fifteen-minute rosaries. Rosaries 1 and 8 are also published in the book *The Age of the Divine Mother*, pp. 173–87.

## The Hail Mary

Hail, Mary, full of grace  
the Lord is with thee.  
Blessed art thou among women  
and blessed is the fruit  
of thy womb, Jesus.

Holy Mary, Mother of God  
Pray for us, sons and daughters of God  
Now and at the hour of our victory  
Over sin, disease, and death.
