

The Beloved Goddess of Liberty
**A Dispensation of Light
 unto the Seed of Joseph**

I AM the Goddess of Liberty. I come in the name of the great Karmic Board, For we have sent forth the dispensation of light unto the seed of Joseph in the earth—those who are one in the flame of the Lord Jesus Christ and who have kept that flame even from the beginning.

And so it is the hour of the redemption of all of the sons of Eve, that light might come forth as the diamond light of the heart of Mary, even the mother by whose heart the resurrection is come.

We are in this land as the fiery coil of the ruby ray. The ascended lady masters, who have served as the vestal virgins of all time and space guarding the light of Mother, rejoice to see the hour of the coming of Saint Germain and this moment of the return of the feminine ray.

And therefore we release the edict this day for the...

The Beloved Goddess of Liberty

October 1, 2024

A Dispensation of Light unto the Seed of Joseph

Hail, O light of the sons and daughters of Liberty!

I stand, the Goddess of the land. I arc the rainbow rays of light from London to New York to Los Angeles for the unity of the tribes of Manasseh and Ephraim.

So shall the children of the light come through my heart's flame, and I shall anoint them as one under one father, Joseph, and one mother, even your own mother who stands before you. For she was chosen by the Karmic Board to be the wife of Joseph, to bring forth the light of Ephraim and Manasseh,¹ endowing them with the ancient light of Egypt and Atlanta and of the Motherland, that they might have the descent of that Mother flame and bring it to fruition in the Tree of Life, the mighty Tree of Life that should be their individual I AM Presence, the very same tree that was in the Garden, the cosmic consciousness of Lord Maitreya.

From the beginning unto the ending, then, Woman gives birth to the seed of Alpha. And Joseph, the incarnate Word,* sends you, the children of the Mother, for the redemption of the earth.

I AM the Goddess of Liberty. I come in the name of the great Karmic Board, for we have sent forth the dispensation

¹Joseph, son of Jacob. See endnote 1.
Copyright © 2024 The Summit Lighthouse, Inc.

of light unto the seed of Joseph in the earth—those who are one in the flame of the Lord Jesus Christ and who have kept that flame even from the beginning.

And so it is the hour of the redemption of all of the sons of Eve, that light might come forth as the diamond light of the heart of Mary, even the mother by whose heart the resurrection is come.

We are in this land as the fiery coil of the ruby ray. The ascended lady masters, who have served as the vestal virgins of all time and space guarding the light of Mother, rejoice to see the hour of the coming of Saint Germain and this moment of the return of the feminine ray.

The Binding of Witchcraft, Black Magic, and All Perversions of the Sacred Fire

And therefore we release the edict this day for the binding of the force of witchcraft, black magic, and all perversions of the sacred fire of the Mother, first in the tribes of Ephraim and Manasseh and then throughout the body of God in the earth.

Our light goes forth, then, for the binding and the nullification of all witchcraft practiced against the inner Church Universal and Triumphant, practiced against the seed of the Woman and the light of the twelve tribes—all witchcraft seeking to divide and conquer.

Urrrrrrrrrrrrrrrrrrrr

It is the sound of the ruby ray from the very heart of the Cosmic Virgin, from out the heart of Omega. It is the sound of the descent of the Mighty Eagle. It is the sound of the descent of the Woman, now to claim her own.

Let the eaglets come now into the womb of the Mother. Let her mighty wings cover them. Let the light of the Woman raise up the true unity of woman upon earth, and let it be for the binding of those feminist movements based on the perversion of the sacred fire.

Therefore, I AM the Goddess of Liberty. I stand in the land of promise, and I challenge and I bring the judgment of Almighty God to the entire force of homosexuality and lesbianism and all those who are disobedient to the Word of God incarnate.

So does that ruby ray go forth, and the angels of the Word of the Cosmic Council, angels of the Lord Jesus Christ. And in his mighty Electronic Presence he stands now in the west side of the City Foursquare to deliver that judgment by your hand and by your word.

Therefore rise, O children of the Sun, and decree with him now, "They Shall Not Pass!" Together:

**In the Name of the I AM THAT I AM,
I invoke the Electronic Presence of Jesus Christ:**

They shall not pass!

They shall not pass!

They shall not pass!

**By the authority of the cosmic cross of white fire
it shall be:**

**That all that is directed against the Christ
within me, within the holy innocents,
within our beloved Messengers,
within every son and daughter of God . . .**

Is now turned back

**by the authority of Alpha and Omega,
by the authority of my Lord and Saviour Jesus Christ,
by the authority of Saint Germain!**

**I AM THAT I AM within the center of this temple
and I declare in the fullness of
the entire Spirit of the Great White Brotherhood:
That those who, then, practice the black arts
against the children of the Light . . .**

**Are now bound by the hosts of the Lord,
Do now receive the judgment of the Lord Christ
within me, within Jesus,
and within every Ascended Master,
Do now receive, then, the full return—
multiplied by the energy of the Cosmic Christ—
of their nefarious deeds which they have practiced
since the very incarnation of the Word!**

Lo, I AM a Son of God!

Lo, I AM a Flame of God!

**Lo, I stand upon the Rock of the living Word
And I declare with Jesus, the living Son of God:**

They shall not pass!

They shall not pass!

They shall not pass!

Elohim. Elohim. Elohim. [chant]

I AM the Goddess of Liberty and I stand upon the Altar of Invocation. I invoke the light of Mighty Victory. I invoke the light of the ruby ray and the crystal ray. I send it forth as the living Word, as the light and the Word of the messengers, the prophets, and the saints. I AM the incarnation of that Word in all chelas of Saint Germain.

I extend. I intensify. I accelerate the threefold flame of liberty. I accelerate the torch of illumination. I accelerate the torch of illumination and the great Book of the Law. I accelerate that light in the hearts of the light of the children of God everywhere, who shall now recite with me again, in the full acceleration of the ruby ray, "They Shall Not Pass!"

[Decree 20.07, "The Judgment Call: 'They Shall Not Pass!'" given once.]

The Judgment of Almighty God upon Homosexuality

I stand before you with the mighty Book of the Law in my hand. I proclaim to you this day that the sin of witchcraft

and the sin of black magic is as the sin of rebellion against the LORD God. It is the rebellion and the misuse of the sacred fire of the seed and the egg. It is the abuse of the base chakra of the Mother, the crown chakra of the Father.

And therefore I declare, then, that homosexuality is the misuse of the crown chakra, of the light of Alpha. And inasmuch as it is the abuse of the light of the Father, it is black magic. And each and every act so committed is so designated and so judged by the Lords of Karma as that black magic projected and directed against the Woman and her seed.

Therefore, the judgment rings forth. All souls of light who are caught in the bondage of this sin, let them choose to love the light and go free else be judged with the fallen ones, who long ago brought this practice to earth and her evolutions.

Therefore, the degradation of the light of Alpha shall be judged and the seed of the wicked shall be no more in the land of the living—those who persist in denying the Father and therefore the incarnation of his Son.

Therefore, let the judgment go forth that the practice and every practice of lesbianism is the sin of rebellion against the Mother flame. It is as the sin of witchcraft. It is the direct witchcraft directed against the light of the Woman and her seed and shall so be counted and so judged. And the sin and its action shall be required of all those who continue to practice it after this hour.

For I, the Goddess of Liberty, stand with Jesus Christ and Saint Germain in this land in the great Electronic Presence of light. And through the Christ Self and the mighty I AM Presence universal we declare to all—to both the seed of the wicked and to the sons and daughters of righteousness—the infamy of their misdeeds. Let them repent! Let them walk in the way of righteousness, or their deeds shall be counted accountable upon them in this hour!

And in the day of judgment, therefore, there come the legions of the LORD for the binding of those who rebel against the Father-Mother God for the express purpose of denying the incarnate sons and daughters of God, and they are judged this day in the British Isles, in Ireland, Northern Ireland. In all of Great Britain they are judged. They are judged in the United States of America and in the English-speaking peoples of the earth.

So the light of the Lord Jesus Christ, as the great father of these souls, goes forth for the judgment, for the chastisement, for the separation of the tares and the wheat. So it shall be! We will not allow these nations to be destroyed as Sodom and Gomorrah were destroyed by the sin of the misuse of the sacred fire!

Therefore, let the rebellious hordes be bound! Let all who defend them by the laws of state and the land also be judged with them! For I AM the Goddess of Liberty and of that liberty flame in the heart of America. I AM the great Goddess of this land. I AM holding the light of the twelve tribes by the twelve cosmic hierarchies of the Sun, and the seven rays in the crown depict the great mastery in this land of the seven rays.

Now the five secret rays come forth. Though they be invisible, they are yet a part of my crown. And by Mighty Cosmos' secret rays, so shall the sins of Ephraim, so shall the sins of Manasseh and the whole house of Israel be judged and pass through the violet flame. So shall the sin of the wicked among them be judged. And those who repent not shall therefore pass through the judgment. This is the only way for the light to penetrate the Dark Cycle² and for victory to be raised up.

Therefore, Victory's legions go forth. Therefore, it is as the Word of God was spoken in the Beginning. Therefore, it is the Word of the I AM THAT I AM. It is reinforced. It is

restated and it resounds in the physical octave through the messenger, the prophets, and the saints.

Let the Word go forth! Let the sign go forth! Let the decree go forth! They shall not pass!

[Decree 20.07, “The Judgment Call: ‘They Shall Not Pass!’” given once.]

The Dispensation of the Penetration of the Ruby Ray

By the authority of the Cosmic Council I announce to you, as spokesman for the Karmic Board, the dispensation of the ruby ray, the penetration of the ruby ray through the mighty legions of Victory and the twelve legions of angels and the many legions serving the twelve hierarchies of the Sun.

Therefore, the Lords of Karma have decreed that the dragon of World Communism, the beast of World Socialism, and the Capitalist conspirators supporting the dragon shall be overthrown within North and South America and Central America. And these hemispheres shall be known, then, as the beachhead of ascended master light to roll back the tyranny of the fallen ones East and West.

This is our decree this day! This is the edict of the LORD God to be implemented by souls of light from the north to the south by the nexus of light in the figure-eight flow of the Panama Canal.

Therefore, this decree and this covenant made with the LORD God and his sons and daughters in earth this day must be ratified by thy hand.

O beloved messenger of light, O beloved chelas of the light, by thy hand, by thy Word, by thy dynamic decree, so must the edict be ratified! I AM the emissary of the LORD and this is the will of the LORD this day!

Therefore, see how Saint Germain has sent thee forth in Mission Amethyst Jewel³ to cover the cities of the spine of these two continents. Therefore, accelerate thy cosmic purpose and thy Word and give forth the dynamic decree. For all the hosts

of the LORD, of Mighty Victory are assembled to answer that Word this day and every day.

But the dynamic decrees must be given, but the action must be taken, but the individuals must go forth two by two, and the spoken Word must be translated into the written Word in Spanish.

Therefore, let the Word of the LORD go forth! Let it go forth north, south, east, and west by the action of Saint Germain’s Maltese cross—the signet of Mission Amethyst Jewel!

Seize My Torch and Run with It

Therefore, let “Studies in Alchemy,”⁴ as the sign of the amethyst Maltese cross, be the sign of the lightbearers and the message to all peoples in the earth.

Therefore, I say, let the judgment of the Communist hordes come forth now into physical action within these hemispheres! Let the judgment go forth of the Soviet hand in the Caribbean! Let the judgment go forth on Fidel Castro and Raúl Castro!⁵ Let it go forth now on the entire mechanism of the affront to the Godhead of the building up of arms and nuclear weapons in Cuba! Let it go forth for the judgment of Omar Torrijos⁶ and all penetration of guerrillas* into Central and South America! And let the judgment also be upon those who have sat in the position of authority and have not invoked the light of Almighty God!

Therefore let a new generation of lightbearers be raised up to take the positions of the fallen ones, and let the lightbearers be prepared at our Summit University! Let them be sent forth into every nation! Let them come forth from every nation! Let them learn the way of the science of the Word! Let them be the true representatives and shepherds of the people in this age, and let the light go forth!

Let the Word be sounded, and let it be known in this

*an independent wartime unit engaged in predatory excursions involving harassment and sabotage

hour that this our decree will be implemented if, and only if, the sons and daughters of Liberty shall *seize* my torch and *run* with it and then head these [fallen ones] off at the pass.

For this is the byword of the sons and daughters of God—that all those who are the followers of the seed of the wicked and the fallen ones, let them be headed off at the pass. For it is the pass of light! It is the nexus of the figure eight wherever there is the flow of the Buddha and the Mother, and this is the passageway where souls of light pass through the violet flame into the mighty Word of the LORD! And it is the pass where the fallen ones are judged!

Therefore, it is imperative that the sons and daughters of God arrive at that pass before the seed of the wicked take it over. And this includes the citadels of power in the nations, in the capitals, in the governments, and strategic strongholds in the geopolitical arena.

Let the Word go forth! Let the map of the world be studied! And let the lightbearers invoke the light for the protection of those key positions of strategy to beloved Saint Germain and Mighty Victory and the victors of the light!

This Is the Age of Miracles!

This *is* the age of miracles! This is the age of my son Saint Germain! This is the age of Aquarius, when you shall bear the sign of the coming of the Son of man and the face of man and the image of the Son of God! This is the age when you can invoke the miracle pouch of Saint Germain⁷ into every defeat, when past history may become a victory for the light even when it was a defeat!

Therefore, I *hurl* Saint Germain's mighty miracle pouch into Iran this day! I *hurl* it into the stronghold of the Khomeini and all of those fallen ones, those black magicians that have seized the great stronghold of Cha Ara and the light of Zarathustra!⁸

They shall not pass! For we take our position in the light and we refuse to allow any government or any seed of the wicked East or West to overtake the divine plan of hierarchy for the great golden age of Persia.

Therefore, let all come to the judgment! Let the seed of the wicked go down! And the repressive, tyrannical tactics of these fallen ones, they are bound this day! Let it be implemented, we say, by the Word of God in the sons and daughters of light:

They shall not pass into the pass before the seed of light, for we come! We plant the banner of the World Mother at the nexus of the figure eight, and therefore they shall go down and the light shall prevail! So I decree it! So I AM the instrument of the Word of Alpha and Omega!

So I come to you this day on the wave of light of Mighty Victory and I sing the Mother's lullaby of freedom unto her children.

In the name of the Father, the Son, the Holy Spirit, in the name of that Mother that I AM, I AM THAT I AM.

Aum

Amen.

"The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom." This previously unpublished dictation by the **Goddess of Liberty** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, June 10, 1979**, during the Sunday service at Camelot, Los Angeles County, California. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. Books, audio, and video products are available at <https://Store.SummitLighthouse.org>. The widest selection of audio files, including dictations, is available at www.AscendedMasterLibrary.org. [N.B. Bracketed words have been added for clarity in the written word.] (1) **The light of Ephraim and Manasseh.** Joseph, one of the twelve sons of Jacob, had two sons, Ephraim and Manasseh, whose descendants became

two of the twelve tribes of Israel, each taking the name of its patriarch. On November 2, 1980, the messenger explained that Ephraim and Manasseh bore the seed of Christ because their father, Joseph, was a previous incarnation of Jesus. She said: “As you have traveled over Britain and Ireland, you’ve seen people strangely untethered to the mighty I AM Presence and yet a beautiful people. This is the tribe of Manasseh—and the tribe of Ephraim in the United States. They are the sons of Joseph. Joseph, the favorite son of Jacob, was an incarnation of the Lord Jesus Christ. So these two sons, Ephraim and Manasseh, have the seed of Jesus Christ in his previous incarnation.” Regarding the wife of Joseph being “your own mother who stands before you,” on April 8, 1989, the messenger said: “This wife of Joseph, who bore these sons [Ephraim and Manasseh] and was the daughter of an Egyptian priest, was myself [in that embodiment]. And so I have kept the flame for all of the seed of light of the English-speaking peoples in a very profound way, even as I am profoundly dedicated through Abraham to all of the seed of the twelve tribes. And I am here on earth in Jesus’ name to do what he said he must do. . . . [He said:] ‘I am not sent but unto the lost sheep of the house of Israel.’” (Matt. 15:24) **(2) The Dark Cycle** was the return of 25,800 years of karma, which was apportioned over a 2,000-year period during the age of Pisces, through the grace of Jesus and his mission. The karma of the astral plane was released in 1969, and the karma of the physical plane was released in 1990. The Dark Cycle concluded on April 22, 2002. **(3) Mission Amethyst Jewel.** In a dictation given on November 19, 1978, Saint Germain inaugurated Mission Amethyst Jewel when he called for centers to be established in Vancouver, British Columbia, and Mexico City as “that point of light for the bulwark of freedom” and for the “guarding of North America.” On April 14, 1979, the messenger explained Mission Amethyst Jewel as “Saint Germain’s commitment to send chelas to the nations of the earth, beginning with the most important cities. . . . Mission Amethyst Jewel is based upon the principle of the violet flame burning within the heart of the chela. The chela is the jewel, and as chelas place themselves together as atoms that become molecules that form outer centers, the Mission Amethyst Jewel becomes crystallized.” **(4) “Studies in Alchemy.”** These “Studies” were originally released by Saint Germain as *Pearls of Wisdom* in 1962, followed by “Intermediate Studies in Alchemy” in 1970, both of which were subsequently published in book form in two volumes. Both volumes have been republished in *Saint Germain On Alchemy: Formulas for Self-Transformation*, which also includes Saint Germain’s original *Pearls of Wisdom* (1964) entitled “A Trilogy On the Threefold Flame of Life.” Within this section, Saint Germain discusses the science of the Maltese cross (pp. 271–77, paperback; pp. 233–39, trade size). **(5) Fidel Castro and Raúl Castro.** Fidel Castro (1926–2016) was a Cuban Communist revolutionary and political leader who became the premier and then president of Cuba

from 1959 to 2008. During this period, Cuba became the first Communist state in the Western Hemisphere. Castro came to power in a Soviet-backed military coup on January 1, 1959. The U.S. State Department initially supported Castro, based upon Castro’s statement that he was establishing a “democracy” in Cuba. Castro’s mission, however, was to spread Communism throughout Central and South America and throughout Africa. The Elohim Purity and Astrea have stated that “The Watchers [fallen ones who came to earth of their own accord], whose archetype is personified in Fidel Castro, have been among the oppressors of the people for centuries.” (See 1982 *Pearls of Wisdom*, vol. 25, no. 12.) Raúl Castro (b. 1931), the brother of Fidel Castro, was one of the military leaders in the Cuban Communist coup in 1959. He served as minister of the armed forces from 1959 to 2008 and as president of Cuba between 2008 and 2018. He was a member of the Politburo of the Communist Party of Cuba from 1965 to 2021. Raúl Castro was succeeded by Miguel Díaz-Canel in 2021. **(6) Omar Torrijos** (1929–1981) was a pro-Communist dictator of Panama from 1968 to 1981, brought to power through a military coup. He is known for negotiating the Panama Canal treaties with the United States. On September 7, 1977, Torrijos and President Jimmy Carter signed two treaties that resulted in Panama’s eventual assumption of control of the canal on December 31, 1999. Torrijos died at the age of fifty-two, when his aircraft crashed at Cerro Marta in Panama on July 31, 1981. On June 30, 1979, the messenger remarked: “Omar Torrijos can scarcely conceal his contempt and hatred for the United States. Involved in drugs and all that is degenerate, he is simply another fallen one.” **(7) The miracle pouch of Saint Germain.** In a lecture given on March 4, 1996, the messenger explained the use of the “miracle pouch.” She said: “What is Saint Germain’s miracle pouch? It’s this kind of little velvet pouch he carries around under his cloak, and in it is everything we need or we can call for. It’s a miracle pouch. And so from that miracle pouch Saint Germain takes out what we need for a miracle. He gives us the elixir if we need it. It is a wonderful fiat, and you can see it work for you.” The fiat for invoking this miracle pouch is “Saint Germain, Hurl Your Miracle Pouch!” The miracle pouch can be hurled into any and all areas of darkness on planet Earth. Also see song number 750, “Saint Germain, Hurl! Your Miracle Pouch” in *Church Universal and Triumphant Book of Hymns and Songs*. **(8) Cha Ara and the light of Zarathustra.** Cha Ara is an ascended master and the son of Lady Master Meta. In his last embodiment in Persia, he gained mastery over his physical form and sustained life in that body for several hundred years. Cha Ara works with Chananda and the Indian Council of the Great White Brotherhood. He calls us to an understanding of the mysteries of the sacred fire and the path of Zarathustra. See *The Masters and Their Retreats*, p. 52. The messenger has spoken of Iran as “the great home of Cha Ara.”
