The Beloved Maha Chohan

The Gift of the Father

I AM the Maha Chohan, and Padma Sambhava stands with me. And we two come together from my retreat in Ceylon,¹ where we have been discussing the issues of the hour. We come to do our part as God has given to us the light of his portion of the Sun.

I AM in the fullness of the flame of comfort. I bring comfort to those who are bereaved, to the war-torn, to all who suffer because of the levels of darkness that have penetrated into the earth and the nations.

I would speak directly to the children of Afra, whose continent has been besieged by those dark ones who are uncovered, as the scorpions beneath the rock when the light of the sun penetrates and when the legions have descended.

Archangel Michael has been sent for the deliverance of the continent of Afra. With the descent of light, you have beheld in your midst the wicked, who have not been permitted to so act to blaspheme the flame of God as they have in recent years. When freedom comes, then, it is the freedom for all to choose to be—to choose to espouse God and live or to deny his incarnate Word and to sink deeper and deeper into oblivion—all the while purveying the darkness of violence and hatred.

Thus, my beloved, you who keep the flame in the land of Afra, you who are in the nations of the earth praying for the freedom of that continent, you must understand that only Elohim can win in this game of conspiracy, of tyranny and takeover, of manipulation—the attempt to control the Mother in the control of her abundant life and her resources, the attempt to control the Trinity as the lawful office of the sons of God in an ordered hierarchy of light.

Let Penance for Wrong Deeds Be the Call of the Hour

It is our desire to see the evolutions of each and every nation of Africa rise on the spiral of the great cosmic honor flame and of the wisdom of the Christ and the Buddha.

By wisdom imbued by love, we seek to bring the children of the Mother to their recompense and their reward. But this cannot come before repentance, self-denial, transmutation. Therefore, let penance for wrong deeds be the call of the hour, and let those who are of the light invoke the violet flame and more violet flame, not only as the wine of forgiveness but as the balm of Gilead to heal the wounds of the nations.

Our hearts are torn. Indeed, if they could be, they would be, as are your own hearts this day, to see come tumbling down what might have been because some decided not to win but to pilfer and to blackmail and to sell the nation's goods on the black market, to seek self-gain, and then to heap upon heap of this injustice censor, blame, and murder.

Thus, the shedding of the blood comes to Ghana, comes to Liberia, and it is the people themselves, led astray by the fallen ones, who become the victims of their vehemence.

The Hand of the LORD Is upon Every Nation

O my beloved, let judgment be God's, and let those who are not qualified to be the sons [of God] incarnate not take to themselves this judgment. For the hand of the LORD is

upon every nation, and that hand of the LORD is intensified in the person of Archangel Michael this day.

I would shield you from the intensity of his gaze! For he comes as Yahweh, the Angel of the LORD's Presence. And the intensity is the wrath of God descending upon those who have stolen the light of the Woman and her seed and who would wreck an entire continent if the sons of light and of freedom do not come together and mobilize and defend that cosmic honor flame.

It begins with you, O children of the Sun—you who now occupy that continent. Do not seek for deliverance outside of yourselves but seek the living God, who is within you! This is the hour of austere measures imposed not by the Holy Spirit but by those who have abused the economies of the nations and their governments.

My beloved ones, the fallen ones have their false austerity, an imitation of the path of the soul who would become the saint. Thus they impose upon a people a sternness, a straight-jacket consciousness against which the people rebel, overturning Light and Darkness. Not judging righteous judgment, they thwart, then, the very light and love that burns within their midst.

The Group Initiation of the Group Karma of the Nations

O my beloved, let us see an era of enlightenment and not an era of death. Our messenger has invoked the intercession of Archangel Gabriel. He is already on his way with legions of the LORD, who only waited and tarried in the sanctuary today for the call of the Mother inspired by the Father.

My beloved, it is most necessary that all Keepers of the Flame see the threat to the flame of life and order and love and law and the family and the movement of the Holy Spirit throughout the great interchange of the nations.

Is it not an exercise in the initiation of the Holy Spirit that nation by nation must resolve internally its inner conflict, become a community of the Holy Spirit, and balance its economy so that those commodities, those resources, and those goods and services produced by the people might be exchanged with other nations, whereby all might have peace and plenty and food and energy?

Beloved ones, this is the group initiation of the group karma of the nations in this hour. It is quite clear that if the individual nations do not get it together, as you say, then they will be destroyed from within, they will have nothing to trade, their balance of payments will be off, and they will not be able to then deliver to the world the lawful gift that is theirs, only theirs, to place upon the altar of humanity.

Now come the fallen ones with their economics, their international control of money and of forces and of power by manipulation, even of the natural flow of the sacred labor, which begins in the hands of the individual. So come the fallen ones to distort the person of the Comforter. And when the people have forsaken the cosmic honor flame, there is no comfort but there is judgment.

Thus, those who keep the flame in Ghana are perplexed and in fear this day, and others who are of the light in the various nations of Africa, they wonder. They wait. They have deep concern, they fear the LORD, and they also fear the devil in their midst.

Those Who Are Not of the Light Are Stripped of Their Power

I come in the fire and in the wind. I come in the holy light of the rushing of a mighty water.² I come in the light of the fiery core of the earth. I come in the light of the mountain. I come in the light of the sea. I come in the light of Helios and Vesta. I come with the light of all elemental life. It is the

elementals themselves who would deliver to you the comfort of the earth. For the earth rises up to help the Woman and her seed, and out of the earth is food and manna and all that you require. Out of the earth come Virgo and Pelleur. They come to lead their legions to minister unto your life.

O children of the Sun, *go* to the arms of the Mother! Go, then, and blend with the elements and put on the whole armour of God. And keep the vigil of life within your nation.

We will not forsake those who have the inner commitment to our path and who are not the lackadaisical, fair-weather friends of the ascended masters. We are here for one purpose. It is for the deliverance of an age and the deliverance of a people into the purple fiery heart of Saint Germain! We come for that deliverance and not for the entertainment of those who then go their way after our messenger has come and gone.

Let all who know that they who keep the flame of life perpetually are protected in life and in death—and death is no more death but transition into higher octaves! Let those who keep that flame of life not fear death but fear only the LORD God.

Above all, do not fear the seed of the wicked, for though they come with the intensity of darkness, the darkness will consume them. And the violet flame will preserve a course of freedom—a spiral staircase, a ladder of light—and it will bore through the astral night and rescue the souls of light within your nations.

Keep faith! Keep heart, O my little children! For if you keep heart and faith, Archangel Michael will deliver the wrath of God this day, and the deliverance of that wrath will mean that those who are not of the light are stripped of their power and those who are of the light will increase their power. This is the edict of the Ancient of Days. To them that have

not shall be taken that which they have; to them that have shall be added more.³ This is the story of the light, and it is the story of God-harmony.

**I Come to the Pure, to the Humble,
to the Simple of Heart**

I come with the cloven tongues of sacred fire. I come in the radiance of the sacred fire, the mantle of the Father. To all who would wear it, I say: Call me, then, not merely for a day or for a television show or for the public demonstrations of your healing ministry. I speak to all who would have the real fruits of the gospel!

Call me, not for a day, but call to me for the night, for the purging of the dark side and the dark cycle—the dark side of your karma and the exposure of the lie. Call me, that you might be deprived of the props of the ego. Call me, that there might be a consuming flame in your heart. Call me not, that people might think you wise or holier than they. Call me, that you might be thought less, and even less.

For I come to the pure, to the humble, to the simple of heart. I come to those who would impart healing only when it is ordained by God. I come to those free of the desire to make a public example of their attainment. You do not know when this desire lurks as impure motive in your soul, hidden there as it is.

My beloved, let us then search the deeper mysteries of God. Let us, rather, hold the flame and intensify it as nameless ones until God chooses to raise you up and to give you the new name.⁴ For unless you be raised up by him, you will not have the protection of your calling. And without the protection of the entire Spirit of the LORD's hosts, there is no direction for that calling, no victory implied or denied, no future in the white-fire core of being.

Let those who are stampeding for their fame in religious

circles pass on by and tarry while the cloud of dust, the aftermath of their coming, settles. And when the elements are clear and when there is silence in earth and in heaven, when all the world waits and listens, let the voice of God, let the music of God, let the pearl of great price descend. As a mighty sphere of cosmic consciousness, let it descend. Then when it descends, I say to you, bear witness. Witness unto a higher light, a greater Person than yourself—not in words only, but by your fruits.

Go Where I Send Thee!

I invoke fruits upon the vine and the tree. I come to water your tree of life. I come to prune. I come to wait for the full fruit to ripen. And I shall return again to pluck that fruit and to give it to the impoverished nations.

Prepare and make ready, and let the tree mature to become a strong tree. For when that tree manifests, many will rush to lean upon it, to climb it, to sit and perch within its branches. Let the tree grow. Let it become a strong tree of life. And in the interim, *go* where I send thee! *Go*, then, to the lost sheep of the house of Israel!

I *hurl* my flame! And it has become as a thousand flames of love. These flames have wings, as the sign of a dove, and they make their way to the hearts ready for a new increment of the Holy Ghost. That new increment is come to the earth this day as the gift of the Father in the name of the Son. See now how it is an alchemy to elemental life. I come, then, to end their strife.

I Issue the Warning of the Holy Spirit

I come and I stand at the Altar of Invocation. I AM the Maha Chohan! I demand of all life everywhere and all hosts of the LORD this day the binding of all black magic and satanism and witchcraft seeking to bind elemental life!

I declare the independence of all elemental life from the machinations of the fallen ones. *You shall not pass! You shall not pass!* By the order of the Almighty and by the ruby ray, *You shall not pass!*

You shall not use the Word distorted by distorted sound or rhythm to now imprison the elementals of the wind or the earth or the fire or the water! For they are free and they serve only the hosts of the LORD! They serve only those in whose presence the ruby ray is a living fire by the hand of Sanat Kumara, by the hand of Gautama Buddha, by the hand of Lord Maitreya, by the hand of the Lord Jesus Christ, by the hand of the two witnesses, and by the hand of the saints of the inner Church.

Therefore, O children of earth, be ye reconciled to the order of hierarchy this day. For all saints are saints of the inner Church, and all who are initiates of the sacred fire are one with the two witnesses, and all ascended masters are one with the Lord Jesus Christ. And all Buddhas are one with the Lord Maitreya, and all cosmic beings and Lords of worlds are one with Gautama, and all who represent the Trinity and the Mother are one with the Ancient of Days. Therefore, all who are ascended are one. All who are ascended are a part of the descent of the ruby ray.

Therefore, you fallen ones who seek to steal the light of the Woman clothed with the Sun: *You shall not pass! You shall not pass!*

I issue the warning of the Holy Spirit! I issue the warning of Shiva! To steal the Word, to misuse it, to misuse the rhythm of Shiva will return upon you tenfold, *yea I say a thousand-fold*, the evil intent of your black magic imprisoning elemental life, imprisoning the children of God and the holy angels! *You shall not pass!*

For I have stood at the altar of the Holy Grail this day.

I have planted within the earth a rod of light. And though you may think you are succeeding, you will pay to the last farthing for your misuse of the science of the Mother and the Word and the rhythm of the Trinity manifest in the dance of Shiva.

**Let the Children of the Light Ratify
the Judgment of the Father**

Now that Lord, that living Shiva, does go forth leaping out of the heart of every initiate ascended and unascended, and that Shiva a million-times-a-million times performs that cosmic dance. It is the dance of the ruby ray and the love ray, *and they shall not pass! They shall not pass! They shall not pass!*

And wheresoever the sons and daughters of light shall invoke my flame—the flame of the Maha Chohan, the flame of the Comforter—so there in the name of the Son I come with the judgment of the Holy Spirit. And they shall be confounded, and this order of manipulation of the light of the I AM by the perversion of the music coming out of hell shall no longer be able to steal the light of God! And the LORD God the Father descends this day in judgment!

Therefore, let the children of the light ratify that judgment, and let the earth be *sealed* against this abomination standing in the holy place where it ought not!⁵

So the light of the Great Pyramid goes forth! So the light of the Holy of Holies goes forth! And now it begins the spiral of judgment on all those who are the rebellious mockers of the name I AM THAT I AM!

Lo, I AM THAT I AM.

Lo, I AM THAT I AM.

Lo, I AM THAT I AM.

It is done.
