## **I AM Relentless for the Victory of My Chelas! Part 1**

You have heard that the Lord has come, that he is in the tabernacle with his messenger preparing the great feast for the children of God. Oh, the feast of light is come, and the opening of the seventh seal. And the hour is come when chelas of the flame shall be invited to the marriage supper of the Lamb.

These are days when those who are on the mount with Moses know the fulfillment of every promise of the Lord, and to them the in-between of time and space is no more. They were with Him in the Beginning, they are with Him in the Ending, and the Word is their delight. And therefore in spherical consciousness ye shall know the truth—the truth that I have brought in the very heart of my Beloved, the truth that shall make you free.

Our celebration is in the oneness of our love that extends in you and through you and beyond to the vast evolutions...

## I AM Relentless for the Victory of My Chelas!

### Part 1

Hail, O chelas, thou who art God incarnate. I salute the flame burning, tended, leaping, vigilant within thy soul, within thy heart, within thy mind.

The LORD is well pleased with thee this day, for thou art in the temple in the hour of the coming of the Christ and the coming of the Mother. Return to the temple he must! His victory in God, without time and space—the victory of the heart of the avatar—ordains the return to the temple where the chelas are assembled, extensions of that Mighty Victory.

Thus the Cosmic Virgin is come down to you, and I, Lanello, stand with her as she bears the lamp of knowledge to the world, of illumination on the Path, of understanding to overcomers, of enlightenment to the bodhisattvas.

I send greetings of the Church to all outposts throughout the earth who hold the same light and vigil. Thus the message unto the churches this day is the praise that thou hast heard the word of the saints and heeded the message of the Lord Jesus Christ recorded by John in his book.<sup>1</sup>

And so the messages to the seven churches<sup>2</sup> are fulfilled in ye all, as one and all ye have made the great church of love,

the open door of your heart to receive not only ascended masters, angels, elementals, but every lightbearer in the way who is a pilgrim in the name of Sanat Kumara.

You have heard that the Lord has come, that he is in the tabernacle with his messenger preparing the great feast for the children of God. Oh, the feast of light is come, and the opening of the seventh seal.<sup>3</sup> And the hour is come when chelas of the flame shall be invited to the marriage supper of the Lamb.<sup>4</sup>

These are days when those who are on the mount with Moses know the fulfillment of every promise of the LORD, and to them the in-between of time and space is no more. They were with Him in the Beginning, they are with Him in the Ending, and the Word is their delight. And therefore in spherical consciousness ye shall know the truth—the truth that I have brought in the very heart of my Beloved,\* the truth that shall make you free.<sup>5</sup>

### God Has Chosen Once Again to Dwell with His People

Our celebration is in the oneness of our love that extends in you and through you and beyond to the vast evolutions of earth, who though they have not understood the call yet have hope in their souls because somewhere upon earth God has chosen once again to dwell with his people, to reenter the ark of the covenant, to reinfuse the tablets of his testimony with a living Word of righteousness, and to bring forth those mysteries that were lost when the first tablets were broken<sup>6</sup> because the chelas who were disobedient to the Guru no longer had the right to the teaching of the Guru. These mysteries sealed are the mysteries of the ruby cube, and you will learn of them from our Lord Sanat Kumara, who has been with the one hundred forty and four thousand as a mother hen since their very first steps upon earth.

\*Lanello is referring to his twin flame, Elizabeth Clare Prophet.

Come now and see how the blessed Lord, sponsor of the Buddhas and the Christs, does now return in such accelerated, intensified essence all of those teachings that he has held in his heart with a great yearning, a yearning to impart them to his blessed self, the chelas on earth. And if there be a temptation to the Guru, it is the desire to release that teaching ahead of time because it is so sweet—the nectar of the Gods—because it is so illuminating. And therefore it is our hope that in the teaching itself the children will turn their backs on their human consciousness, their rebellion, their whoring after other gods.<sup>7</sup>

But the Guru may not [yet release that teaching] because the great Gurus who have gone before the Ancient of Days know that when the children of earth lived in an abundance of awareness of God—in the very face of that Presence, *even his very Person*—they turned their backs and walked away and would not hear.

Therefore, the LORD God does not cause that karma to be created whereby he stands face-to-face with a multitude to deliver his Word and they stone him, as they stoned Stephen.<sup>8</sup> And so you see, not one Guru will succumb to that temptation to use the teaching or the miracle or the healing to lure his rebellious, wayward children back to him. The Guru, then, must be subject unto the Law that by faith the children of earth should return to God and that the first step of faith is the requirement. The law of God declares that the chela shall supply the faith; then the chela shall receive the initiation.

**You Sit in the Very Midst  
of the Raw Materials of the Central Sun**

God demands a sacrificial offering upon the altar of Israel this day. Therefore, bring your doubts and fears and anxieties. Bring them as sacrifice and let them be burned in substitution for the willingness of the self to be consumed upon that altar.

This is the sacrifice of elemental life throughout the earth day by day as they submit to the slaughter and to the abuse of their bodies. This is the sacrifice of the beings of the elements as they bear the burden of world karma. Thus, they present themselves upon the cross, and by proxy they bear that which now must be borne by the beloved ones.

And so you see, when the circle of chelas is manifest as you are here and in the far reaches of the earth, then there is a chalice crystal that may receive the teaching. Then there is a great sealing of the light. Then the Word may pour through. The Word may then come. And the messenger becomes the prisoner of the Rock of the Cosmic Christ, who will not let her go until the last word is spoken.

Hour by hour that light descends, that precious Word, Sanat Kumara, who can hardly wait now that the Law allows for the great message to be received by you so that you will have those keys to a greater alchemy and a greater victory. Why, you sit in the very midst of the raw materials of the Central Sun!

**Learn the Art of the Ancient Alchemist Himself,  
the Ancient of Days**

Your invocations to Archangel Michael alone have resulted in an enormous sapphire light around you, so intense as to be the very building of the foundation stones of the wall of the New Jerusalem. This sapphire energy of the will of God is yours to take up and release by the spoken Word for the very alchemy of this earth.

And yet putting two and two together, you have not necessarily awakened to the Chinese puzzle of Lord Confucius and Lord Lanto that is before you on the table. The pieces are there! You have invoked them! Your violet-flame amethysts are in piles of beauteous cut stones as violet flame has precipitated from out of your very mouth. Now learn the art of

the ancient alchemist himself, the Ancient of Days, who will show you how to combine that which you have gotten from the LORD.

Putting together, then, this Chinese puzzle of the elements of your alchemy, you will see standing before you Ganesha—the elephant one, symbol, manifest presence of the great computer of the mind of God, even the Great Causal Body of the Great Divine Director, which contains all of the plan of the children of Israel yet to be fulfilled.

Some unmanifest stones must become physical, and from ancient time and space each stone left undone in this magnificent mosaic of life will come into place. And you will play your part. Yes, you will! You will shine, and the facets of your jewel will sparkle in the sun and angels will peer into those facets and behold their own faces as though in a glass, so pure will be the jewel of yourself in this great mosaic of God.

Now learn, then, that it is not the light that you lack but the science of that light, even so as scientists have probed nuclear physics to understand the interaction of the particles of the nucleus of the atom, of fission and of fusion and the release of stupendous amounts of energy. This is not merely a parallel statement! This is an actuality!

In your dynamic decrees you have entered the nucleus of God, the white-fire core of his Being, and you have entered there in the folds of the white garment of the Mother, chelas one with the Mother Guru. You have ascended with her into the heights of her initiation. That initiation of the white light begins and ends this day. It is a consummation of that ascension fire anchored within her heart this New Year's conference.<sup>9</sup> And it is for you, one and all.

### **The Design of the Temple of Victory**

Therefore I announce to you the release of the mighty nucleus from the heart of Mighty Victory. It is the design of the

Temple of Victory.<sup>10</sup> It is the fullness of that crystallization of the temple. It is the acceleration of its descent. Therefore this day, April 8, 1979, marks the hour of the beginning of the thirty-three steps necessary for the precipitation of Mighty Victory's temple.

My beloved of God, this will be the restoration of the central altar of Lemuria and the Mother flame that did pulsate therein. And in the upper room of the temple, there Sanat Kumara himself has promised me that he will place a replica of the ascension chair.<sup>11</sup> And it is the divine plan of God, subject to your ratification of that divine plan by your life and will and love, that ere the year 2001 has rolled, there shall commence in that mighty Temple of Victory the physical ascensions of the sons and daughters of God!

[Audience rises; 36-second applause]

### **The Goal of Balancing One Hundred Percent of Your Karma**

I have come to you in the past to speak to you, my staff upon earth, and I have told you that though the requirement of the ascension is the balancing of 51 percent of your karma, this is not enough for those who would be initiates unto the fulfillment of the Victory. I have set before you, then, the goal of balancing 100 percent of your karma, and every one of you with us this day and hour of victory has been hand-chosen by the LORD to be given the opportunity to make that goal his own!

Do not look around you, but look to yourself. For he who counts himself the least worthy among you may be the very one who shall walk through the open door of Mighty Victory's temple into the inner initiation and as the public example that the Word of God is true and that his promises are fulfilled.

My beloved, many of you are young in years, and this is the very reason why you have been called—in order to give you

the fullness of an embodiment to set your course, to keep yourselves in shape mentally, physically, emotionally, spiritually and in all of your chakras, to keep them brimming with the light. There is a certain set of the jaw, a set of the feet and of the heart in a determination that does not cease until that Victory is won.

Have you said to yourself, “It does not matter whether I make my physical ascension or not”? Well, if you have, let me tell you that as long as you think it does not matter, then *make your ascension*. [Laughter]

Beloved ones, it does indeed matter! For the record of life upon earth must be set for the physical ascension of every man, woman, and child, and of the earth herself. And the earth will be the setting of a chain reaction in the solar system, and the solar system setting a chain reaction in the galaxy, and the galaxy setting a chain reaction for all galaxies to enter the Great Inbreath of Almighty God.

All victory begins with one point of light! Determine this day to be that point of light, *and you will win*.

I thank you for your outburst of gratitude and joy for Mighty Victory and the Ancient of Days. Won't you be seated.

“The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **Lanello** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Palm Sunday, April 8, 1979**, at Camelot, Los Angeles County, California. Part 2 of this *Pearl of Wisdom* is published in this volume, no. 14. Books, audio, and video products are available at <https://Store.SummitLighthouse.org>. The widest selection of audio files, including dictations, is available at [www.AscendedMasterLibrary.org](http://www.AscendedMasterLibrary.org). [N.B. Bracketed words have been added for clarity in the written word.] **(1) The message of the Lord Jesus Christ recorded by John in his book.** John, the beloved disciple of Jesus, also known as John the Revelator, received the Book of

Revelation from Jesus on the isle of Patmos, circa A.D. 96. In a dictation given by John the Beloved on Holy Saturday, April 6, 1996, he said: “You will discover many things by this study of the Book of Revelation. And by and by you will see and understand that Jesus gave to me, John the Beloved, in cryptic form, signs of the times that apply to every age, not alone to this one or the age of Pisces. Realize, beloved, that no matter what the age, love is the fulfilling of the whole law.” (2003 *Pearls of Wisdom*, vol. 46, no. 25) **(2)** See Rev. 2, 3. **(3) The opening of the seventh seal.** In 1979, Sanat Kumara dictated to the messenger Elizabeth Clare Prophet a series of *Pearls of Wisdom* entitled “The Opening of the Seventh Seal,” setting forth the initiatic path of the ruby ray of sacrifice, selflessness, service, and surrender under the ruby ray masters Sanat Kumara, Gautama Buddha, Lord Maitreya, and Jesus the Christ. On January 13, 1980, Lord Lanto stated that this series of *Pearls of Wisdom* by Sanat Kumara “lays the foundation of that which we desire to accomplish in this decade through the eighth-ray integration of the soul with the beloved Christ Self.” The first thirty-six dictations in this series by Sanat Kumara were published in the 1979 *Pearls of Wisdom* as weekly letters from the ascended masters to their students around the world. In 1989, this series was published in book form as *Sanat Kumara on the Path of the Ruby Ray: The Opening of the Seventh Seal*. The thirty-seventh dictation titled, “The Blood of the New Covenant,” was originally published in the 1999 *Pearls of Wisdom*. In 2001, all thirty-seven dictations by Sanat Kumara were published in the book *The Opening of the Seventh Seal*. **(4)** Rev. 19:6–9. **(5)** John 8:32. **(6)** Exod. 32:19. **(7)** Judg. 2:17. **(8)** Acts 7:54–60. **(9) This New Year's conference** is referring to the New Year's class, *The Feast of Saint Stephen*, which was held at Camelot from December 29, 1978, to January 1, 1979. **(10) The Temple of Victory.** On June 3, 1960, the ascended master El Morya announced, “A mighty Temple of Victory is to be built in this nation for all mankind, dedicated to the presence of Almighty God! It shall be called ‘I AM’ the Temple of Life's Victory. . . . We are affirming the freedom of earth by establishing the first temple of the Great White Brotherhood known to the outer world since Atlantean days.” (1960 *Pearls of Wisdom*, vol. 3, no. 23) On July 8, 1960, the ascended master Jesus Christ spoke of the temple: “I AM the ‘key’ to life's Temple of Victory. Therefore all who shall truly desire to visit our new (presently etheric) temple—which you shall externalize—may call to your own God Presence, I AM, asking to be taken to it while your physical body sleeps.” (1960 *Pearls of Wisdom*, vol. 3, no. 28) For a full description of the temple, see 1960 *Pearls of Wisdom*, vol. 3, no. 24. **(11) The ascension chair** is located in the Cave of Light, the Great Divine Director's retreat in India, and in the Royal Teton Retreat, congruent with the Teton Range near Jackson Hole, Wyoming. The forcefield of acceleration of the ascension chair helps those at inner levels to accelerate their light and their consciousness and to pass their final initiations for the ascension.
