**I AM Relentless for the Victory  
of My Chelas!  
Part 2**

There are evolutions in outer galaxies capable of scanning this and other galaxies who, although their science be highly advanced far beyond your greatest dreams, yet their evolution Godward has been held back because all of the members of the body of God, all of the galaxies of light, must ascend together. And therefore these evolutions, who have watched earnestly the progress of earth, give hosannas and praise this day for the turning of a great cycle of the coming of the Cosmic Virgin, who is prophesied in every planetary body and system of worlds where there are evolving souls of God as the one who shall be the saviouress of the Matter spheres.

Beholding, then, initiates of the sacred fire upon earth coming into their own awareness of that Mother flame, beholding our witness, these evolutions know that the hour of their victory is nigh.

## I AM Relentless for the Victory of My Chelas!

### Part 2

There are evolutions in outer galaxies capable of scanning this and other galaxies who, although their science be highly advanced far beyond your greatest dreams, yet their evolution Godward has been held back because all of the members of the body of God, all of the galaxies of light, must ascend together. And therefore these evolutions, who have watched earnestly the progress of earth, give hosannas and praise this day for the turning of a great cycle of the coming of the Cosmic Virgin, who is prophesied in every planetary body and system of worlds where there are evolving souls of God as the one who shall be the saviouress of the Matter spheres.

Beholding, then, initiates of the sacred fire upon earth coming into their own awareness of that Mother flame, beholding our witness, these evolutions know that the hour of their victory is nigh.

I well recall many years ago when in our inner work together at La Tourelle, the counterpart of Lucifer, that Fallen One in a sister galaxy, was bound and removed to the Court of the Sacred Fire for judgment in answer to our call.<sup>1</sup> This was the beginning of the collapse of the energy veil of that

system of worlds and galaxy, and it was the moment of the beginning of the end for Lucifer himself within this galaxy.

Thus we are the witnesses of the Lord's prophecy,<sup>2</sup> of the Lord's resurrection of his souls of light, of his judgment of the seed of the wicked. We witness unto this great manifestation of light galaxy by galaxy, and within our hearts the stars of the solar hierarchies revolve about the central altar of the flame.

I am come, then, with a joy in my heart and a lullaby of light. It is the AUM lullaby.\* It is the cradling of the Cosmic Virgin of her own children. It is the gift of the Mother Above to the Mother below.

Beloved ones, not any ridicule of our office and our manifold offices has in any way ever daunted our course. For *we love you* and *we love you* and *we love you* more than any life that we could know, and to be with you on earth and in the etheric temples is our delight. It is the delight of our mission to break bread with you, even to break the bread of life. We would be nowhere else on this day of our joint victory than with you, each and every one.

### The Ma of a Cosmos

Now you will behold cycle upon cycle of promises that are to be fulfilled. Now you will know why the Lord Confucius gave to our Mother the name of Guru Ma.<sup>3</sup> This itself was the cause for the dividing of the way, as some who are no longer here were offended by the name of Ma. And yet that "Ma" is the reminder to every soul who has ever known the Lord Maitreya in the inner circle of the Garden, that those whom he took to his heart he allowed to call himself by the first two letters of his name, Ma, that they might feel his Mother presence even in the initiations, stern as they were, of the Path.

And thus when you say "Ma," it is the acknowledgment that in the one Guru Mother the entire chain of Gurus is manifest.

\*Lanello may also be referring to the song "AUM Lullaby" printed in the *Book of Hymns and Songs* (The Summit Lighthouse), no. 308.

Whether Mother or Maitreya, it is the Ma of a cosmos that rings, that reverberates, that resounds through your souls and that is the collapse of the unreal structures of the fallen ones that they have built to snare the children of light.

Thus, it does not matter who you mean when you say “Ma,” for all answer the call of the universal Mother. And Omega then descends through every ascended master, and you will see that face of Ma be the many faces of the LORD’s hosts. Thus, our Mother counts it the greatest gift of this day to have the honor of the bestowal of that most intimate sound of the universe reserved by Lord Maitreya long ago for the hour of her victory.

Thus, you need not be ashamed. You need not be concerned with the ridicule. For the Guru Ma is the dispeller of the darkness that has covered the face of Maitreya and of the universal Mother. And you will see the light of Kali descend and tear apart, limb upon limb, those demons of the night who think that they will yet devour her own.

That sounding of the name is the sounding of the cry for help. And all of the Four Cosmic Forces, who bow before her throne of grace, will respond to the call of the chelas near and far. Simply say “Ma,” and we together—in the light of Omega, of Alpha—will be where you are, at your command, with our elementals, with our angels, with reinforcements from far out the galaxy.

#### **You Are the Final Link in the Chain**

And thus the promise of Jesus Christ is unto you. If you have the faith, you can move any mountain. You can work the work that I work.<sup>4</sup> Is this not the fear of the little ones, of the disciples during the Week of Passion, that ere seven days have passed, their Lord will be transcended in glory? Then who will they run to? Who will they run to with their little problems and their fears?

The Lord has said it is not that you must become adepts, not that you must know consciously all of the science of the Word, but that you must have faith. And that faith is in the person of the Messiah Jesus Christ and his father Maitreya and in his two witnesses and in the working of the chain of hierarchy whereby you, the chela, are the final link on that chain that can never, never be severed except by the direct disobedience that cuts you off from the flow of light.

You are the final link in the chain. And when the LORD God holds out that chain and lets it descend into the earth for the saving of his own, it is the final link that they will reach out and grab—that final link that is the chela who represents the entire path of salvation, the chela who is brother and sister to God’s own. Though God’s own know it not, the chela is already elder brother and sister there before him bearing the cup of cold water, feeding their hunger. And transferring a light that is in the heart of the chela can be just as powerful as the light in the heart of the Ancient of Days—if *you* have the faith that it is so, if *you* will remember the vision of the links in the chain of being, the golden links that I have forged and won for you.

#### **Whatever Is Required of Thee, *Do It!***

I am your Lanello. I have gone before you. I have known the sorrow and the pain lifetime after lifetime. I have bought you with a price! And the Lord Sanat Kumara has said that that price I have paid has bought you for my staff, for the rings of chelas surrounding my Beloved. Thus the price I have paid frees you to be healers among the multitudes, preachers of the gospel that is everlasting. You, then, know that path only as you know me. For you have been spared that agony so that you might enter the bliss.

And thus, whatever is required of thee, *do it!* Whatever request, small or great, *do it!* For in those simple requests you

are fulfilling the perfection of your own soul and you are paying the price to have the victory of your Guru in yourself. It does not matter if it is tiny. It does not matter if you are sent out into the world.

Count yourselves fortunate indeed that you are not sent to the lion's den to be devoured before your season. Lions there may be in the audiences, but they have no power to touch you. For I will raise my hand. I will seal you. I will roar through you the mighty sound of the king—the king of the inner court of the heart of the center of the New Jerusalem. I am that king in the inner court, and I am the initiator of you as the priests and kings unto God.

My beloved, whatever is required of thee, do it! Listen well. For to retain my attainment that you have traced through the study of some of my embodiments, you must always be willing to give the token. You may have all of my victories. I withhold nothing from you. I *could* not. I *would* not. You are my own. All of my victories of hundreds of lifetimes in pursuit of the Law I lay before you as opportunity. Year by year you may put on that mantle if with all diligence you are willing to give that token obedience.

We have strewn your paths with roses, with palms, and lilies. We have made the way not only plain and simple but very often comfortable—a comfort that many of the saints of the past did not know. For ten embodiments in a row I have seen saints with less awareness of God endure the most severe pain and illnesses and misfortune in their bodies for the glory of God and his kingdom come on earth, then finally to have a lifetime of a little less hardship—only a little less—as a reward and a respite for another ten embodiments of the bearing of the cross of the world. Now all of this is given to you as opportunity through the violet flame and through your dynamic decrees.

### You May Make Your Physical Ascension in This Life

We then come to pay tribute to the light within you, from those who are closest in physical proximity [to the messenger and] to those who are farthest from the messenger. We stand in gratitude and we present the plan at inner levels.

Each one of you is invited to our retreat<sup>5</sup> for a week-long celebration of victory. Come to our retreat on the Rhine, for we would review with each one of you your divine plan. We are determined to open the scroll of your life and to prove to you—by the Word that God has written with his very own finger—that *you* may make your physical ascension in this life! We *will* show you where you have been and how you have held the line. And we *will* show you that with God this is a victory toward which you must aspire for the glory of God, for the demonstration to the people, and for the record of akasha.

Somewhere, sometime in the galaxy, it must begin. And I plant my rod. It is the rod of Joseph. And it will blossom in this place as a sign, an etheric sacred-fire spiral upon this very altar. That staff will show, then, that the miracles of God will be unto his people for the victory of Mission Amethyst Jewel,<sup>6</sup> for the victory of the white flame of the Mother. So it shall be! So it is written! It is a certain victory, but it must be claimed by you.

By the cosmic cross of the ruby ray you will win, my beloved. I now seal you in that ruby light so that when you read the *Pearls of Wisdom* from Sanat Kumara<sup>7</sup>—you who have chosen to be here in the harmony of the Mother wherever you are on earth—you will have a special opportunity of the initiation of the ruby ray to enter into the innermost mysteries, which he places there.

The printed Word is, of necessity, limited. Therefore treat the Word as a transparent glass, like the crystal sea. Look through it and beyond it and behold the hosts of the LORD,

the armies of God—your brothers and sisters who stretch forth a hand even as you'd stretch forth your own.

### I AM the Coming of the Relentless Wave!

I come now, a token of our togetherness two thousand years ago, as we welcomed him into the city of Jerusalem.<sup>8</sup> I welcome you, and as I beheld you walking beneath the palms, an inverted V, I beheld each one of you walking your victory march to the central throne of Alpha and Omega.

You are the body of Christ, my beloved. I have seen it this day. I bear witness of his consecration of yourselves as holy. This is a holy congregation worthy of the presence of the cloud and the fiery pillar.<sup>9</sup> Thus they shall rest their tent, their tabernacle, over the congregation.<sup>10</sup> And thus the LORD, the I AM Presence, shall be with you, in the midst of you, separating you from all others as the lightbearers of the age.

I AM the coming of the relentless wave! I AM relentless for the victory of my chelas! I made the sacrifice that you might be God-victorious and I do not intend to see that sacrifice be in vain. It will have its fruit! Your victory shall be my own! Mine shall be yours! And nevermore shall we go out in the realms of separation, but we shall know the LORD as One and we shall be that One. Amen.

**“The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom.”** This previously unpublished dictation by **Lanello** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Palm Sunday, April 8, 1979**, at Camelot, Los Angeles County, California. Part 1 of this *Pearl of Wisdom* is published in this volume, no. 13. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. Books, audio, and video products are available at <https://Store.SummitLighthouse.org>. The widest selection of audio files, including dictations, is available at [www.AscendedMasterLibrary.org](http://www.AscendedMasterLibrary.org). [**N.B.** Bracketed words have been added for clarity in the written word.]

**(1) The counterpart of Lucifer was bound and judged.** On December 21, 1970, Elizabeth Clare Prophet explained: “Now some time ago . . . there was an intergalactic clearance. There was a clearance of the next galaxy, and that clearance cleared the counterpart of Lucifer in Andromeda, whom Lucifer had invoked to assist him for the defeat of this solar system and specifically our work. And it failed, and of course again he was furious and has been working very hard ever since. There were many, many black magicians that went at that time. There was a regular war going on in Andromeda and there were hosts of light arrayed against hosts of darkness. And there were other people, lifestreams . . . in Andromeda who were making the calls simultaneously to our making the calls, and probably others in this galaxy.” Lucifer himself went through the final judgment and second death on April 26, 1975. **(2)** See Rev. 20. **(3) Lord Confucius gave to our Mother the name of Guru Ma.** On July 2, 1977, Padma Sambhava announced the bestowing of the mantle of Guru upon the messenger Elizabeth Clare Prophet. In this dictation, the name and title of “Guru Ma” was not mentioned. (1984 *Pearls of Wisdom*, vol. 27, no. 33A) However, on August 28, 1977, Confucius addressed the messenger as “Guru Ma.” He said, “This day, then, I am come in the fullness of all of the Gurus you have known and those you have not known, in order to proclaim to you the great synthesis of our love, our wisdom, and the power that God has given unto us. And in this synthesis, anchored now in the one whom we call Guru Ma, there is come to earth the alchemy of the one light and the one way and the unity of being that swallows up duality, even as the serpent swallowing its tail.” (2022 *Pearls of Wisdom*, vol. 65, no. 2) **(4)** See Matt. 17:20; John 14:12. **(5) Our retreat.** Lanello’s retreat on the etheric plane is located over the city of Bingen, Germany. The vibration of the retreat can be felt throughout the entire city and surrounding valley. Lanello describes his retreat as “our home away from home.” See *The Masters and Their Retreats*, pp. 445–47. **(6) Mission Amethyst Jewel.** In a dictation given on November 19, 1978, Saint Germain inaugurated Mission Amethyst Jewel when he called for centers to be established in Vancouver, British Columbia, and Mexico City as “that point of light for the bulwark of freedom” and for the “guarding of North America.” On April 14, 1979, the messenger explained Mission Amethyst Jewel as “Saint Germain’s commitment to send chelas to the nations of the earth, beginning with the most important cities. . . . Mission Amethyst Jewel is based upon the principle of the violet flame burning within the heart of the chela. The chela is the jewel, and as chelas place themselves together as atoms that become molecules that form outer centers, the Mission Amethyst Jewel becomes crystallized.” **(7) The Pearls of Wisdom from Sanat Kumara.** See part 1 of this *Pearl of Wisdom*, note 3. **(8)** Matt. 21:1–11; Mark 11:1–11; Luke 19:28–38; John 12:12–19. **(9)** Exod. 13:21–22. **(10)** Exod. 25:10–40; 26:1–37; 27:1–21.
