Beloved Saint Germain

The Affirmation of the Flame of Freedom

Light is the illimitable Word, and I AM the Word. I AM the Word of freedom heard in the heart of God and in the little bird held in the hand of the Mother. I AM Saint Germain! I come to be heard by all the world today! [Audience stands.]

I AM in the very midst of the fire of freedom. I plant my flaming freedom upon this soil, America, and I stand for freedom where I AM in the hearts of this people, in the hearts of my disciples.

I AM the light of freedom, and I thrust the flame of my causal body to *roll back* the darkness that would cover the land by the hand of that dark one¹ who has naught of the light but would move and move against the very Goddess of Liberty herself if it were possible.

Children of Liberty's son,* children of The Temple of the Sun,² I greet you in the name of freedom—freedom that is a flame and a spirit threatened even in this very hour in the hearts of God's people everywhere. I come to address you in his name, and I thank you for the honor that you give to my purple fiery heart. Won't you be seated.

I am here to declare war. It is the warfare of the light whereby the light swiftly consumes the darkness. The announcement

*Saint Germain may be referring to George Washington, who has been referred to as "a son of Liberty" and who was an embodiment of the ascended master Godfre.

of the war in heaven and the summoning of Archangel Michael came from the Ancient of Days.³ So I declare unto you that the fallen ones have declared their warfare against the light, and therefore in this hour the Faithful and True, the Word, and the armies of heaven march to the four corners of the earth for the defense of the light.

For this is the hour chosen by the fallen ones to show their hand and to accelerate the outplaying of that hand. Beloved ones, they see the light and the oncoming light and therefore they have plotted oh so many points of deception and intrigue through this or that maniac, this tyrant or false hierarchy of the black brotherhood. And therefore it is like a swift-moving game of chess. You have seen the first move, and on and on they will come. Therefore we have answered with the sword of living peace. We have answered with a living flame, and we come to present to you our side of the game.

Let There Be a Freedom Rally

Beloved hearts of light the world around, I address you. You have prepared to this hour—the hour when the seed of the wicked would launch all of their forces against the light of the Christ. This action in Iran is the signal of that moment,⁴ and therefore let there be the reinforcement of my people. Let there be a freedom rally within this city within a fortnight, and let the Keepers of the Flame summon all who will come to a real demonstration of the light—*Saint Germain style*—for the victory of the legions of the light.

Beloved ones, the people [who would attend this rally] know not what songs to sing and they know not the words to the songs that they would sing. They do not understand the dynamic decree or the affirmation of the flame of freedom, and they have never seen you waltz! [Laughter]

Beloved ones, we would have a march and a waltz for freedom! We would have a rally for the shouting of the Word!

We have summoned angels of the sacred fire and the violet flame to come to the city of Los Angeles! Let it be within a fortnight, then. For, beloved ones, this is the hour for the acceleration of lightbearers. This is the hour when that fervor of Godfre is newly instilled,⁵ when all are one and all can be summoned. For the people desire to express and affirm their commitment to freedom, and therefore they must hear the true giving of the Word in the name of the Ancient of Days.

I ask you to move swiftly to find the appropriate location where souls may come, and children of the light, and where you can have the broadest possible base of souls of freedom simply basking in that light (which I will anchor there) and understanding the real flame of the summoning.

We Have Averted Many Catastrophes

Our people need reinforcement, encouragement, and the will to be! They need the rolling back of darkness! Did you see how your own president and the people of light have responded even in the last twenty-four hours as your decrees have accelerated?⁶

You may not have seen, but I have seen, the condemnation on the president rolled back and therefore allowing him to make the appropriate decisions inspired by the Darjeeling Council. You have no idea how the members of Congress and the Senate are so weighted down with that condemnation from every nation that they often do not vote as they should vote or judge righteous judgment.

There is still time to reverse the tide and bring enlightenment on the Salt II Treaty,⁷ but you must move forward invincible and with God-determination. I will tell you, as I have told you before and so I tell you again, that the dynamic decrees of the Word of God by the Lamb, through the saints, through this activity, is as none other! And this activity of the

light has held the balance in these hours of darkness and continues to hold the balance of world freedom as the watchman on the wall.

Do not discount or underestimate this momentum of light. For the ascended masters are counting on you, and your decrees are effective as the fervent prayer that availeth much good to earth and her evolutions.

Beloved hearts of light, trust in this method, for we do multiply the bread of life through you and we have averted many catastrophes by the service to Saint Germain, by the service that you have called in my name in answer to my call.

The Warfare of Armageddon Can Only Be Won by the Strong in the Light

I thrust a mighty sacred fire into this nation. I say, no longer will the Great Law allow this purpose, this flame, or this teaching, this music of the hour to go unheard or for you to remain unseen! America needs your light, your hope, your promise, your smiling and determined faces. And so [the people of America] shall see you, for no other group rises up with such dedication or understanding, with such love of freedom, such excellence in the use of the Word.

Therefore I will see to it, as you see to it, that there is an exposure of this music of freedom and of the festivities of the light. I will draw my youth, my ascended master youth to your flame. But the name of the game is exposure, and you must place yourselves where you will be seen and heard!

So I continue the message of Lord Lanto.⁸ Our children in America cannot learn from books that which they must learn swiftly in order to be effective in turning back the tide of this darkness as thousands upon thousands of Iranians misuse the science of the Word. This is of great detriment to the society and the people within it, and it must be reversed and they must know the elements, the beginning of the

elements of the turning back of witchcraft and black magic. For this warfare of Armageddon will be fought with all of the subterfuge, all of the psychic thralldom and psychotronic energy, and all of the mind-manipulation that can be mustered by the sinister force throughout the planetary body.

Beloved ones, the warfare of Armageddon can only be won by the strong in the light who understand this sword and this Word.

Remember, Ye Are Brethren

Therefore, let the music of the violet flame, the marching violet flame, the waltzing violet flame, and the singing violet flame be heard. And let us move together swiftly to set forth those words that the people may sing, and in singing hear the inner ringing of the bell that calls them to the light of Uncle Sam.

The Great White Brotherhood, in deliberations in recent weeks, have determined to allow these events to take place so that America would awake and would unite and would see the manipulation of OPEC⁹ as well as that of the false hierarchs, so that the people once again would find the lost thread of the Old Glory and the New, that they would rally to my standard bought with a price of the blood of many Christed ones and all that has gone before.

You see that in response to that threatening woe, the children of the light in America immediately rally to the banner, and Micah is in the midst of the people and he comes wearing the light of unity and declaring to all, *“Remember, ye are brethren.”*¹⁰ It is the hour, beloved ones, when a oneness that has never been known before can rise up among this people, and therefore we look to you to be the catalysts of a new oneness by the Word and by the music and by the joy of the flame.

I Have Come to Raise Up the Standard of God the Father

This is what is in my heart today—it is the longing to see those who suffer in anxiety, for they are the families of those who remain in the compound of that American embassy—it is my desire to see them receive the comfort of the Holy Spirit that the violet flame brings.

It is my desire to awaken so many souls of light who have gone the left-handed path in politics. As the fallen ones have prepared them to take the left-handed path in the initiations of life, I desire to see them awakened and cleansed and cleared of this lethargy, this intellectualism, this compromise that is upon them by the sheer weight of the condemnation of the seed of the wicked. You must surely understand this as you yourself bear that weight. Imagine how you would feel without the dynamic decree. What would your solution to the problem be?

So many seek to find that solution by the means offered—the human compromise or the diving into noise or pleasure and the pleasure cult, or even the cult of death in order to simply remove themselves from the horrendous weight of oppression, of condemnation of America, which is indeed the condemnation of my flame.

I have come to raise up the standard of God the Father in the midst of the people and through the sons of God embodied upon earth and all children of God. The loss of leadership is explained in many ways, but the real reason is the loss of the Person of the Father by the denial, first and foremost, of God himself, and then of the ascended masters, and then of course of my role in keeping the flame of freedom for these many thousands of years.

The flame of the Father is denied in man as the flame of Mother is denied in woman, and the little children have no one to follow. Thus until the Kundalini fire is raised up, as the

Father-Mother light is raised up in the citizens of this nation, the restoration of leadership will not come about.

The Darjeeling Council Has Great Hope

I AM Saint Germain. I call to all teaching centers, to all study groups, to all clusters of chelas to celebrate the music of the spheres, to use the light and the music of Excelsior¹¹ to magnify the LORD, to create a Great Central Sun Magnet and to bring the enthusiastic response of the people to this threat against world freedom and the image of America.

Beloved ones, in the midst of darkness the Darjeeling Council has great hope for the bursting forth of light because of the enlightenment that these moments bring to the people. Do they speak of the United Nations? Do they run to the U.N.? No, they run to Uncle Sam and to the flag! When all else falls apart around them, they can find a flag to carry still. Beloved ones, it has not happened in years and years that the youth of America have seen in that standard the light of freedom and the hope for the world.

I am gratified that so many have risen up in outrage against the burning of that flag. Beloved ones, it could have come to pass that no one even noticed. This is the other side of the prophecy that did not come to pass¹² because the violet flame and the bursting of freedom in the hearts of my chelas has implanted enough light in America that when the spark was ignited, it traversed the land and the people are of one mind.

Let us then go forth and transmute all anger, and let that be the white fire of the wrath of Almighty God himself that is able to turn around the sinister force and allow the children of God to raise up anew the threefold flame of Mother Liberty. Why, beloved hearts, with all of the intellectualism, with all of the denial and the denouncing of America from within her very own borders, in this hour there is the voice of Liberty that rings clear.

America Is on the Rise

Do you see what a little karma in the Dark Cycle will do to the people? When the Lords of Karma made the decision to pass the torch to the people of this nation to hold some of that karma themselves and to pass to you the torch of continuing civilization into the New Age,¹³ they were counting on that light already implanted in the hearts of the people by your dynamic decrees to be ignited in this moment.

And so our prediction has come true and we see that America is on the rise and the movement to the Coming Revolution in Higher Consciousness can clearly be seen as a glimmer of light, as a hope. There is an opening—an opening in the door upon which I have been knocking for fifty years. Beloved ones, the crack in the door is all that I need to come stepping through the veil. [26-second applause]

As God Harmony would say, “Strike while the iron is hot and ride the crest of the wave.” Beloved ones, when you see a moment for an alchemy, when you see yourself and have the self-worth in understanding that you are a catalyst, it is then that you move! It is then that you seize the torch! It is then that you understand that a certain amount of the consciousness of the people is in a liquid state and that it can be poured into a new mold of hope and glory and faith and charity, as of old.

The Goddess of Liberty, who has poured forth her love to you in our recent conference,¹⁴ stands and still stands. This Mother Liberty, also attacked by these fallen ones, yet survives and her lamp survives. Beloved ones, this standard of Mother Liberty is one around which the people have also rallied. These are treasures, not mere symbols, to the American people. For just below the threshold of awareness they have the remembrance of the Ancient of Days, of emissaries of light. They know us as brothers and sisters beyond the veil. And soon, very soon, that false doctrine and that false theology will pale

into the night and be as ghosts and specters that disappear in the flaming flame of present awareness.

Beloved hearts, as you keep the vigil with Gautama Buddha in awakening the people of America to Salt II, remember that this is a battle that can be won at many levels, and the signing and the not signing of that treaty may or may not be the battle won. The message that I have sent through the messenger must go far and wide, and the dynamic decree for the exposure of the defense of the God flame in the earth.

Hold the Balance!

O beloved ones, heaven is poised for the victory. Let all that is planned for publishing, for speaking, for preaching the Word be accelerated. For in 1980 many will rally to my standard. We have awaited the dawn of that decade, as they have awaited it. For many souls, the hour of opportunity would not come until the clock strikes midnight on New Year's Eve. This has been known by them since their incarnation in this life. And therefore, though that darkness shall cover the land and gross darkness shall cover the people, the light shall come! The light shall shine! Therefore, we say: Arise shine, for thy light is come, O people of America!

Beloved hearts, this decade will surely be the greatest challenge that we have ever met together. We see it as God-victory, victory, victory! Let all huddle close together to the heart of Mother Liberty. Let the community of lightbearers feel their oneness and their strength through all the earth. For I, Saint Germain, send my violet flame through my heart to each and every one of you so that you can understand how God will use you together through your dynamic decrees and through your preaching of the Word in the coming years.

We have withheld, even from the mind of the messenger, our plans for victory. For we would not lower into the Matter octave one word of the Ancient of Days beforehand, thus

allowing the fallen ones to read the minds of our chelas and preempt the work that we will work. And therefore, fear not. For when we give the plan, *we will give the plan!*

And in the meantime, assemble yourselves as prime movers of men and mountains and of our revolution. Be ready on the line of light. Know whereof you speak and where you will be going in the speaking of the Word. When we have an army that is ready, the army on earth will merge with the army of heaven, and Sanat Kumara—the Lamb in your midst—will lead you victory by victory.

The victory is won by hearts. Heart by heart we shall conquer, and we shall go first to those of highest attainment in the light and with the greatest capacity to hold the balance. This is the first step of our plan: the summoning of light-bearers across the nations to this one task—*hold the balance!*

Thus Morya has decreed it in his letter, and his letter is in your hands to send it far and wide.¹⁵ Where you think it will not be understood, take a moment to explain it to your friends. For the holding of the balance through prayer and meditation and dynamic decrees, where they are understood, will enable the hosts of the LORD to move in, nation by nation, to set the captives free and bring them into alignment with the teachings of the World Teachers.

It Is the Divine Plan of God That Will Free the Age

Our legions are on the march. And we are grateful that the schedule of the release of light to students of Summit University, to Keepers of the Flame everywhere, is on schedule. From the hour of the founding of The Summit Lighthouse to the present, that which has gone forth and is going forth is according to blueprint and the plan.

Therefore, let all who hear my word in the field galvanize themselves to the heart of my own Guru, the Great Divine Director. For it is the divine plan of God that will free the age.

The divine plan of God is intact and ready to be lowered as a blueprint in the hearts of all who respond to El Morya's message.

Let us together decree for that response! Let us agree together that the astral hordes shall be bound and that the children of the light shall be set free to receive the message in an aura of receptivity! Let us make calls for all who will receive that Christmas letter, for it is the threading of the eye of the needle, reinforced by the wondrous sound of Sanat Kumara and the Lamb.*

How irresistible is the light of the music of the spheres! How the sound is healing! How the sound reveals the Electronic Presence! Can you imagine that Sanat Kumara would not be everywhere where that record is played? Can you imagine that the Lamb and the hundred and forty and four thousand would not be gathered there with a single lifestream as he hears for the first time the resounding of that music of the spheres?

Angelic hosts of light, in a giant amphitheater over Camelot, stand in applause, my beloved, to give you that standing ovation of commendation and victory to each and every heart and elemental and angel among you, who by the Holy Spirit and only by the Holy Spirit has accomplished this work of preparing this most important missile of the Great White Brotherhood for the decade of the eighties.

We Express Our Gratitude

My beloved of the light, heaven bears the torch of gratitude, and torchbearers bearing their candles are marching, as you will also march on Thanksgiving. Thanksgiving is the day to light a light of gratitude to the one God.

We are joyous in the midst of the purging of the earth as the light uncovers the darkness. We are joyous that we have

chelas who know our name and who do indeed understand our game. Beloved ones, had it not been for your personal response to this flame and this teaching, it might have come to pass that with the ascension of Godfre¹⁶ there would not have been another—no, not another messenger; no, not another body of chelas to bear the light and the entire momentum of the I AM THAT I AM. Therefore to each and every one of you personally, to our messengers and staff, to our children, we express our gratitude.

For in ages past, my beloved, when continents have sunk, it has been because there were none who received the torch to carry the flame of community in the guru-chela relationship. Therefore, as we see what might have been as the dropping of this torch and we have seen crisis after crisis met by your faith, your hope, and your science in the Word of charity, we are gratified to begin the decade with a strong center of light, with a fiery nucleus whose members are one in love, who have not gone astray by self-aggrandizement, by ego, by psychicism, and all manner of temptations to which many who originally knew my name have fallen.

Beloved ones, sometimes you do not realize through what treacherous waters you have already passed and what temptations were not even temptation to you, as fallen ones lurked in the shadows to take you from your appointed way.

Across the world you who hear me, you who gather together for these weekly dictations, I say to you: Angels of the violet flame come bearing the light of gratitude to you, and the portion of that fire from my heart.

We Now Will Increase the Power of Your Dynamic Decrees

We now will increase the power of your dynamic decrees. We will increase that power in all who decree by pure love, all who have mastered their emotions in the giving of the dynamic decrees.

Those who decree in purest love therefore will have the greater multiplication of the ruby ray of all of the decrees that they give. This power will be a stupendous power. And in multiplying, it will make up for those who are not here because they have not loved enough. Beloved ones, let us increase and multiply the body of God upon earth by the sincere word of truth and by the flame of living joy. I AM the joy of the violet flame in your midst.

I AM Saint Germain! I have come to America to answer the word of the condemners! I will deal with the condemners this day! You will see! I will deal with the condemners and I anchor through the messenger and the chelas the light that gives answer to the fallen ones!

In the name of the Lord Sanat Kumara, I AM Saint Germain! I AM here and here to stay! I stand upon the Rock, and I shall not be moved!

“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **Saint Germain** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, November 11, 1979**, during the Sunday service at Camelot, Los Angeles County, California. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. Books, audio, and video products are available at Store.SummitLighthouse.org. The widest selection of audio files, including dictations,

is available at AscendedMasterLibrary.org. [N.B. Bracketed words have been added for clarity in the written word.] (1) **That dark one.** Saint Germain is referring to Ayatollah Ruhollah Khomeini, who established himself as ruler of Iran after the Iranian Revolution (1978–79). In the Sunday service before this dictation was given, the messenger explained: “The false hierarchy whose pretender to the throne [Khomeini] has actually seized that throne, not only in the outer kingdom of Iran but in the hearts of many of her people. . . . This is an ‘I dare you’ from the false hierarchy to the ascended master Saint Germain, the hierarch of the Aquarian age, spoken through the false hierarchy imposter [Khomeini] in Iran.” (2) **The Temple of the Sun.** For a description of this etheric retreat, see *The Masters and Their Retreats*, pp. 484–85. (3) Rev. 11:7; 19:11. (4) **This action in Iran** refers to the fifty-two Americans taken hostage for 444 days at the American Embassy in Tehran on November 4, 1979, while Jimmy Carter was president of the United States. This action was the result of the Iranian Revolution led by the Ayatollah Ruhollah Khomeini, who then established the Islamic Republic of Iran. Hate slogans instigated by the Ayatollah and his revolutionaries were directed against America. The messenger commented: “The ‘Hate America’ slogans and decrees given by the Iranians are the hatred of the Father Person, the person of Saint Germain, . . . that hatred against the authority of the Great White Brotherhood.” President Jimmy Carter attempted to rescue the hostages several times but failed. Ronald Reagan had the hostages released on January 20, 1981, the day of his inauguration as president of the United States. (5) **That fervor of Godfre** refers to the ascended master Godfre, who served Saint Germain as his messenger in the I AM Activity and was previously embodied as George Washington. (See *Pearl of Wisdom*, this volume, no. 29, nn. 1 and 13.) (6) **Your own president and the people of light have responded.** President Jimmy Carter stated that the hostages were “victims of terrorism and anarchy” and characterized the hostage taking as “black-mail.” The Carter administration had refused to extradite Iranian king Mohammed Reza Pahlavi, who had been granted asylum by Carter for cancer treatment. The hostage crisis caused an upsurge of patriotism in America, resulting in the American people becoming more united than they had been in recent decades. See note 4. (7) **The Salt II Treaty.** This treaty aimed at limiting strategic offensive arms between the United States and the Soviet Union and was signed in June of 1979 by President Jimmy Carter and Soviet General Secretary Leonid Brezhnev. The Salt II Treaty was never ratified by the United States Senate due to the Soviet invasion of Afghanistan. (8) **The message of Lord Lanto.** See *Pearl of Wisdom*, this volume, no. 12. (9) **OPEC.** The Organization of the Petroleum Exporting Countries is comprised of leading oil-producing and oil-exporting nations in order to influence the global oil market. OPEC has been described by economists as a cartel since its members restrict output and/or fix prices to increase profit.

Its member countries control a significant portion of global oil production. (10) **“Remember, ye are brethren.”** During the long winter at Valley Forge, Micah, Angel of Unity, appeared to George Washington in a vision of three great perils that would come upon the nation—the Revolutionary War, the War between the States, and a third world conflict. According to Anthony Sherman’s account of this vision, Washington related that he was shown the inhabitants of America “in battle array against each other. As I continued looking I saw a bright angel, on whose brow rested a crown of light, on which was traced the word ‘Union,’ bearing the American flag which he placed between the divided nation, and said, ‘Remember ye are brethren.’ Instantly, the inhabitants, casting from them their weapons, became friends once more and united around the National Standard.” (11) **The music of Excelsior** refers to the name of the Church’s group of musicians, singers, and composers who performed hymns and songs during weekly services, conferences, seminars, and special events. (12) **The prophecy that did not come to pass.** This may be referring to the messenger’s teaching given before this dictation, in which she quoted Isaiah 60:2, “For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and his glory shall be seen upon thee.” She also said, “All of our people are united behind Saint Germain whether they know his name or not. They are united behind our flag, and the fervor of patriotism has burst forth, which must be channeled into strength and to peace rather than into emotional reaction.” (13) **The Dark Cycle.** See *Pearl of Wisdom*, this volume, no. 29, n. 4. (14) **The Goddess of Liberty, who has poured forth her love to you in our recent conference.** The Goddess of Liberty gave several dictations within five days, beginning on October 8, 1979, during the Harvest conference, *The Torch Is Passed!* (2014 *Pearls of Wisdom*, vol. 57, no. 13); on October 11, 1979, during the seminar, *Keep the Nations Free* (2025 *Pearls of Wisdom*, this volume, no. 20); and on October 13, 1979, also during the seminar, *Keep the Nations Free*. (2025 *Pearls of Wisdom*, this volume, nos. 9 and 10) (15) **Thus Morya has decreed it in his letter.** El Morya dictated a Christmas letter for 1979, which was sent out to the membership at that time but has not yet been published as a *Pearl of Wisdom*. It will now be published in this volume as November *Pearl of Wisdom* no. 44. This letter included a cardboard record that contained two songs that El Morya had requested accompany his letter, which were “Arise Shine, for Thy Light Is Come” and “The Lamb on Mount Sion” (songs 547 and 548 in *Book of Hymns and Songs*, The Summit Lighthouse). (16) **The ascension of Godfre.** Godfre made his ascension at midnight on New Year’s Eve 1939.

To the Mother of Exiles

O Liberty, bless’d Mother dear
 By thy great love, hold me clear
 Nearer to thy mighty flame
 To serve our blessed Saint Germain.
 He is thy son in freedom’s birth
 Who lifts on high the souls of men
 Invoking vict’ry for the earth
 The golden age shall come again.

Freedom is Liberty’s gift to all
 Divine intention manifest
 I AM actively making the call
 For peace to set men’s hearts arest.
 The kingdoms of this world are thine
 For God is in thee through and through
 I AM the guardian of thy shrine
 Liberty’s law, God’s will to do.

O blessed Mother, I AM thine own
 Thine eye is focused on my goal
 I know that Life helps me to atone
 And flames of freedom raise my soul.
 Let all the earth now listen well
 To tones of love now ringing clear
 For love divine can break the spell
 Exalt God-freedom year by year!*
