**Uncle Sam Wants You!**  
**Part 1**

My beloved heart friends, I have desired to be with you this day. I came to you just two weeks ago and I placed a request upon your heart, which you honored most nobly. A freedom rally I called for, and a freedom rally it was! And I am grateful to every heart and every soul and every one of you who has been a part of making my dream come true.

The fireworks of the amethyst jewel blazing from the heart of the soul chakra were beheld by Elohim and angels who never even make their rounds to Terra. And on the cosmic highway they commented one to another, “We see how Saint Germain finally has a band of souls that are making a cosmic impact.”

And a cosmic impact it is, my beloved! And this is only the beginning! After all, two weeks is quite an initiation for all of you to come together in that flame of freedom, and for many in the world it was too short notice to gather in celebration of the flame of freedom. But I was there,...

Beloved Saint Germain

## Uncle Sam Wants You!

### Part 1

My beloved heart friends, I have desired to be with you this day. I came to you just two weeks ago and I placed a request upon your heart, which you honored most nobly. A freedom rally I called for, and a freedom rally it was!<sup>1</sup> And I am grateful to every heart and every soul and every one of you who has been a part of making my dream come true.

The fireworks of the amethyst jewel blazing from the heart of the soul chakra were beheld by Elohim and angels who never even make their rounds to Terra. And on the cosmic highway they commented one to another, “We see how Saint Germain finally has a band of souls that are making a cosmic impact.”

And a cosmic impact it is, my beloved! And this is only the beginning! After all, two weeks is quite an initiation for all of you to come together in that flame of freedom, and for many in the world it was too short notice to gather in celebration of the flame of freedom. But I was there, Lanello and Lady Kristine were there, and numbers of ascended masters, perhaps so great that no more from this octave could even fit into the hall. You hadn’t thought of that, now, had you? [Laughter]

Well, we occupied the outlying tables, which you thought were vacant [laughter], which were actually the forcefield of our council tables as we anchored there, by the music and the love,

the deliberations of our hearts. We used the evening to use those present as transmitters of the very deliberations of the ascended masters, that those who have the right wavelength on earth may have the benefit of our assessment of crisis in the Middle East, in Iran, in this nation’s economy, in energy manipulation and blackmail, and what is coming upon the earth in the 1980s.

I do not desire to draw dark shadows across a glorious event, but I must ask you this: When you consider the intensity of darkness coming out of Iran,<sup>2</sup> it is truly the foreshadowing of the decade to come. And if this be but the foreshadowing, then minutemen and -women of Saint Germain will clearly see that the preparation that I have begun must continue.

Therefore, we are determined that the whole world shall see and know our troop of Montessori students,<sup>3</sup> that they shall know the meaning of *true* fireworks as the light literally explodes from the hearts of our students as they give the Word so clearly and the message with such determination, such power and love!<sup>4</sup>

Many, many an old-timer was made glad and shed a tear, both in heaven and on earth. For in those hearts who have graduated from earth’s schoolroom there is yet a nostalgia for former years and centuries upon earth, especially on the part of those whose spirits were the light of the founding of this nation.

The ascended master Godfre, focused there opposite the students of light,<sup>5</sup> poured out his heart of light and gratitude. The ascended masters know that little sparks kindle great fires. And if it be so, then what do great fires kindle? For this freedom rally was a great, a great fire and a great—a *great victory!*

### Mobility Is the Sign of the Chelas Whom Morya Has Trained

My beloved hearts, it is good to know that mobility is the sign of the chelas whom Morya has trained. You know, Morya said to me when I proposed the freedom rally, he said, “My chelas

know the meaning of mobility.” And he said with a wink, “Saint Germain, I think they are ready.”

So with good cheer he bade me come and speak to you and ask for that freedom rally, and I did. And I am gratified to see what miracles the faith of the chohan of goodwill has wrought, for the light of El Morya has determined to raise up these two messengers and many chelas.

And so he received that dispensation from the Lords of Karma many years ago, and he said to me, “When the messengers are ready, my Lord Saint Germain, I will present them to you for your service.” And this he did so many years ago. And he said, “Saint Germain, when my chelas are ready, I will present them to you, and you can initiate them in any way you see fit.”

And so as I meditated upon the mind of God, upon your own causal bodies and all of the experiences of the past, I determined that the call for a freedom rally—in the face of tyrants, in the face of all that has been thrust against America, her president, and her people—would be this call, *this call for the freedom rally!*

And therefore each one of you was tested to see what you could produce, and that testing had to be within the fourteen-day cycle of the fourteen stations of the cross. That cross you have borne, and the Mother has borne it. And the teaching centers, their blessed members, have risen to defend the light and to add their momentum of decrees. And Lord Maitreya came and dedicated the chapel to the holy will of God,<sup>6</sup> that there might be an increase and a multiplication of light.

All the hosts of heaven conspired to assist you in the bringing forth of that rally, yet none would take from you your initiations. And therefore the lessons learned—that which could be done better—can all be applied to the next initiation, beloved ones, for it must surely come. For you know that the reward for service is greater service, and in this hour of acceleration of light and darkness, we need more service.

### **I Call Forth My Youth to Enter into the Performance through Drama**

Therefore I come to you, losing not a beat in the schedule of the fourteen-day cycles, and I am calling this day for the summoning of forces within our departments. For I desire to see this production of *Fireworks!* be full-length on video film<sup>7</sup> so that it may be carried around the nations. For I have stood in America! I have looked upon her youth! And I have found nowhere such a manifestation of my heart flame, not in any group of youth or adults performing any drama whatsoever in the theater, in the motion picture industry, on television, or in live performances!

I tell you, beloved hearts: Here is the flame that I release, and here are the souls of light through whom I release my flame! And I am determined that more than just a few thousand shall see that performance but that it shall be preserved and seen for the decade to come, long after these children of the light are adults and they themselves look back upon that performance as a highlight of their youth and the crowning joy of childhood.

You have heard of [the sacrament of] Confirmation,<sup>8</sup> when children under the Lord Jesus Christ come into the temple to speak the Word of the Law that they have learned, thus proving that they may enter into the second phase of the twelve-line cycle. Well, under the dispensation of Aquarius, I call forth my youth for their confirmation of the Word to enter into the performance through drama of the great historical records, the panorama of freedom and of life from the very earliest hours of Lemurian root races.

### **Amethyst-Jewel Fires Are Being Lit City by City**

Beloved ones, I confirm each and every one of you, children of the light, for you have demonstrated that you know

the meaning of freedom, that you understand the doctrine of freedom in the Aquarian age. You have striven with your teachers. You have taken seriously the Word of the Mother as I have given it to her, even when that Word has been long. You have taken courage. You have been willing to speak before the public and on television, in strange surroundings, to carry the message on abortion, on freedom, on whatever subject.

I am grateful that you have dared to answer the Adversary! After all, beloved ones, it is true that the Adversary will never give up without a fight, and only those who understand that Adversary can beat him through and through!

Therefore, let the mighty sword Excalibur be thrust through and through by the All-Seeing Eye of God, and let those who may not have the full understanding of all of the technicalities of the performance of this task take heart! For you can start. You can start to learn and you can accelerate the learning process.

But I tell you, each and every one of you: I hold you in my purple fiery heart! I take you now as I sweep you up in the mighty wind of the Holy Spirit, and we stand upon the mount, as upon Mount Ararat!<sup>9</sup> We stand together and I show you the world. I show you a dying world and a crumbling world, and I show you the cinders and the ashes of Babylon that is fallen. I show you hearts of light the world around who themselves are buried beneath those ashes.

So many of my souls have lost heart and faith in America, and to a number of those souls you gave new hope, new courage, new life! I brought those whom I desired to have present at that rally—my chosen ones who have stood by me. I do not need personalities and celebrities! Why, *you* are celebrities! You are the stars in the firmament of God's being! You are the real stars and not the phonies! You are the real

personalities of the Godhead and not the anti-personalities of Antichrist, who lead the people down that path, that primrose path to self-destruction.

Therefore, hear me. For I show you a world waiting for the hope and the joy of the smiling faces of youth who are free and clear and clean and whose minds yet function with the mind of God.

And therefore, look. Look as I show you the vision! For I draw my hand over the earth! Look now how amethyst-jewel fires are being lit city by city through the mighty manifestation of the Word and the music and the rally and the march and the waltz and that film of *Fireworks!*

See how city by city our stumpers will now hold these rallies. See how they will go! See how they will show that mighty action of this handful of children of the light, whose souls, bursting as fireworks on the Fourth of July, suddenly become multiplied into a million points of light!

### **Feel the Fervor of Freedom That Burns in My Breast**

Beloved ones, feel the fervor of freedom that burns in my breast, in the heart of the Goddess of Liberty, and in my own dear Portia, who comes closer and closer to the physical octave because of the generation of the violet flame that you have multiplied and increased. See how the explosion of light comes through this joy, comes through our youth, comes through that mighty performance.

Why, you even allow me, as Uncle Sam, to be present in your midst and to use the forcefield of that one playing my part.<sup>10</sup> Why, my beloved, to bring before the people that manifestation of myself gives me the open door and the opening of the door. It is opening wider and wider, and I will step through—*through you*, beloved. For you most adequately, most beautifully represent the ascended masters.

Has it ever occurred to you that you, the youth of Montessori

and Summit University, are more acceptable to the people than I am? What do you think they would do with an apparition suddenly descending in their midst? [Laughter] Why, they might be “turned off,” as you might say.

But when they see children of the light, they are definitely “turned on.” And it is better that there are a few veils between me and thee, for these veils keep the sacred mystery of life unfolding and allow you to perform your part on the stage of life. Truly, role-playing is the name of the game of Saint Germain. And I play many a role through you, my beloved, when you allow me to do so.

#### **You Must Not Allow the Sparks of Freedom to Die When Crisis Is Resolved**

Therefore, we rejoice. And we will take this music and we will take this performance, which must be performed, my students, again and again until the perfect film is manifested. And all of this will be our project for the 1980s—to open up our stumping wider and wider to larger segments of the people city by city and nation by nation.

It is a moment when freedom can be unfurled, and you must not allow the sparks of freedom to die when crisis is resolved! For, my beloved, that crisis can come again. After all, behind the scenes there is always crisis, so much so that we do not even bring it to your attention. Sufficient unto the day is the evil thereof.<sup>11</sup>

<sup>11</sup>“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **Saint Germain** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, November 25, 1979**, during the Sunday service at Camelot, Los Angeles County, California. Part 2 of this *Pearl of Wisdom* is published in this volume, no. 32. [N.B. Bracketed words have been added for clarity in the written word.] (1) **A freedom rally I called for.** The freedom rally and vigil for the release of the American hostages in

Iran was held at the Los Angeles Convention Center on November 24, 1979. The rally included patriotic songs and hymns of freedom, a reenactment of the play *Fireworks!* by students of Montessori International, addresses by Los Angeles officials, and an address by Elizabeth Clare Prophet. (See *Pearl of Wisdom*, this volume, no. 29.) (2) **The intensity of darkness coming out of Iran.** See *Pearl of Wisdom*, this volume, no. 30, n. 4. (3) **Our troop of Montessori students.** Between 1979 and 1981, students of Montessori International presented live musical plays, including *Fireworks!*, *I AM the Guard* (a musical salute to the National Guard), *Front Lines! A Celebration of Defense*, and *A Soul That’s Free! A Drama on the Right to Life*. The videos of these plays are no longer available. (4) **The meaning of true fireworks.** See note 7. (5) **The ascended master Godfre.** A painting of Godfre was located on the back wall of the Chapel of the Holy Grail at Camelot. (6) **The chapel dedicated to the holy will of God.** In his dictation on November 22, 1979, Lord Maitreya stated: “I am come, most honored by the LORD God to stand in the Holy of holies to consecrate this holy shrine to the will of God as the focus of the World Saviour in the heart of the City of the Angels. . . . Let every sanctuary and teaching center strive now to establish a coordinating forcefield of the ruby ray, a sanctuary of the will of God.” The statue of Jesus that once stood in the Will of God Focus at the Ashram of the World Mother is now located in the East Fellowship Room off the foyer in King Arthur’s Court at the Royal Teton Ranch in Montana. (2000 *Pearls of Wisdom*, vol. 43, no. 45) (7) **This production of Fireworks!** refers to the theatrical performance called *Fireworks!* by students of Montessori International, which included drama, patriotic music, recitations, singing and marching. *Fireworks!* was originally performed on July 1, 1979, to celebrate the flame of freedom. The video of this play is no longer available. (8) **The sacrament of Confirmation.** On September 16, 1976, the messenger explained that the sacrament of Confirmation “is a declaration of faith at the age of twelve or older. It is the celebration of Jesus teaching the doctors in the temple when he was twelve years old, becoming independent of his parents, confirming himself through his own inner understanding of the Law.” She said that Confirmation “is the increment of the Holy Ghost that is received as one passes from the age of childhood to the age of responsibility.” According to the teachings of the cosmic clock, at Confirmation the adolescent now begins again to walk the next twelve lines of the clock, starting at the twelve o’clock line of Capricorn. (9) **Mount Ararat.** Gen. 8:3, 4. According to tradition, Noah’s Ark landed on Mount Ararat after the Flood had subsided. Ararat is located in eastern Turkey and is considered a sacred mountain from ancient times. (10) **That one playing my part.** Saint Germain is referring to the young student playing the part of “Uncle Sam,” who was dressed in a red, white, and blue costume and top hat, in the musical play *Fireworks!* (11) Matt. 6:34.
