Charge! Charge! Charge!

Hail, hosts of the LORD camped on the hillsides of the world!
Hail, sons and daughters of light positioned in Camelot and
city by city!

I AM come in the blue-flame will of Almighty God! I come
sent by the LORD God of hosts, by the Ancient of Days, Sanat
Kumara! I AM in the midst of the people, America! I AM in
the midst of the flame of freedom!

I stand in the purple fiery heart of Saint Germain and
I stand in the very heart of the messenger, there to defend
the Mother flame and the Manchild, there to defend the
great wonder of light and the crown of twelve stars.¹ For it is
the Sun of Alpha and Omega. It is the mighty I AM Presence
that is the Sun of the Woman in this age.

I say, therefore, sons and daughters of God, we are come.
Our legions are marching as one. We are determined, then,
to enter into the battle and to engage in the war declared by
the sinister force and redeclared by Saint Germain!

They shall not pass! For I, Archangel Michael, am deter-
mined to hold fast the light and the torch of the Goddess of
Liberty with you who have determined to hold that torch.
And we have received this very day reinforcements from out the
Great Central Sun who are gathering—blue-lightning angels,

angels of each of the seven rays reinforcing the contingents
of the seven archangels. For we see this hour as the hour when
darkness must be swallowed up by light and when darkness
itself will put forth the ultimate effort to defeat the light on
earth.

Therefore, whether or not the people of earth have recog-
nized it in their outer consciousness, their souls know that the
decisions in these hours will be the determining of events for
this decade, and the outcome of this decade will determine that
which shall be the course of events for more decades to come!

The Reversing of the Tide by the Science of the Spoken Word

I AM Archangel Michael! Our legions of light, with those
of you who are in embodiment, have prepared for aeons for
this hour. And therefore as you have heard from the presenta-
tion this morning,² there is light going forth in all directions,
and the Adversary has chosen to counteract that light in
every direction.

Well, beloved ones, you should know with absolute cer-
tainty that the numberless numbers of the hosts of the LORD
far outnumber the fallen ones, vast though they may seem
when portrayed over the television networks. These individuals
who are chanting their death chants³ are responding indeed
to the false guru and the false hierarch and the entire false
hierarchy behind the Ayatollah Khomeini.

Beloved ones of light, my hosts of the LORD are camped
round about Iran and in the larger circle of the ring-pass-not
around the entire Middle East. And we are determined that
the laggard consciousness shall be contained, but we require
reinforcements of the Word. Reinforcements of the Word in
our octave are the armies of heaven, but in your octave these
reinforcements are the Keepers of the Flame, who continue to
offer the spoken Word that gives us the right and the ability

to *act, act, act* in this octave to roll back that darkness! Beloved ones, even the recent earthquakes in Iran⁴ have to do with the reversing of the tide by the science of the Word.

Beloved ones, those individuals have released enough destructivity to wreak havoc in America herself, and that destructivity belongs to them, it is of them, and it is not of the lightbearers! Therefore it ought to be reversed, and it ought to be reversed hourly! And therefore I am asking you to play your “Reverse the Tide” invocation and the singing [of this decree] every hour on the hour!⁵ And I ask this across America so that when your voices tire, your free will is engaged in amplifying the sound of the invocations and the singing that you have already given.

Each Keeper of the Flame may record his [or her] own giving of the “Reverse the Tide,” and the playing of those tapes in the homes of Keepers of the Flame will add immeasurably to the vote of confidence that we must have hour by hour. For, beloved ones, you have not seen such a mounting of the hordes of the Adversary as is occurring in the Middle East in this very hour.⁶ They are determined to make the most of this confrontation and to put Uncle Sam and the entire American people on the spot.

Beloved ones, you have heard the Word of the Goddess of Liberty.⁷ Now I come to release into your heart flames the mighty energy and the sword of blue flame whereby you will stand with us with helmet and shield and sword, fully armored, ready to move with us in the night and in the day.

The Ritual of Exorcism

O beloved ones of light, be glad and rejoice that the hour of the judgment is come! For only by the judgment do the fallen ones then expose themselves and all their ulterior motives. And be not surprised at exposures within this very nation, for when the judgment comes, as you know, the rain

must fall upon the just and the unjust and all must give answer.

And as we have taught you through our messenger, the international conspiracy is not a simple one. And therefore let us continue to work with Sanat Kumara, for the very Ritual of Exorcism, which the LORD has provided,* offers to all the hosts of heaven instantaneous opportunity for the binding of the opposition to the holy innocents.

I AM come with encouragement! I AM come with legions of light! We will accompany you, each and every one of you, wherever you are. We will stand by and reinforce you.

I AM the *binding* of all penetrating discarnates and demons within this community that are interfering with the service of the chelas of the light, interfering with the publication of the Word! I say, hosts of the light, *bind* them now! *Bind* them by the Lord Jesus Christ! *Bind* them by the sacred name I AM THAT I AM! *Bind* them by the Word, Sanat Kumara!

I AM Archangel Michael. You need but to reinforce your calls to have the removal of all interference to the work at hand. We are delighted in the light of God that never fails, that we have you as our instruments in this hour. For of all the plans of heaven and of all the divine plans that have gone before, the one that would be dependent upon free will, and even somewhat upon the human consciousness, would be the decision of lightbearers in this hour to stand and still stand one with the messenger to resist every opportunity to leave and to respond to gossip and all manner of tales told many times over against these messengers of light.

Let the Lukewarm Go Their Way

Why, in this very week parents of one of the staff conspired to “deprogram” that staff member. Beloved ones, you never know when one among your midst, taken seemingly on a

*“The LORD’s Ritual of Exorcism” is published in the booklet *Invocations to the Hierarchy of the Ruby Ray through the Messenger Elizabeth Clare Prophet*, pp. 5–16.

vacation by parents, will wind up with those individuals who do not work against the light by the legitimate doctrine of the Word or the Ancient of Days, but they must rest their case on lies and calumny spoken against the messengers.

Understand, then, that this form of deprogramming is brainwashing itself and violates the free will and the rights of every individual. And therefore when one individual in the community is so violated, *all* are violated.

And I say, let the calls to me increase! For I am determined to stand by every child of the light and to defend those who would be defended and who would defend the light! And those who do not desire to be defended and who are not willing to give to our cause in the defense of the light, then let them go their sacred way.

For beloved ones, our gate is open and you are free to go and free to come. And therefore understand that it does not require kidnapping and parents sending energy to extract you from this community. You may go forth and have your freedom, if you will, and save the messenger and the staff all of this unnecessary involvement with energy that they do not even know is taking place.

Beloved ones of the light, if you have questions about the messenger and the activity, then go find another and better place for your service. For we are in the vanguard and we are determined that the light shall swallow up the darkness. And this is a battle for the strong, the courageous, and those who have faith. There is no room for your doubt. For your doubt is in your own God Presence, and your own self-doubts burden the community.

Beloved ones, this is the hour for the intensification of discipline and the acceleration of the will to be in God's service, and therefore let the lukewarm go their way and let them be with their parents if that is where they will be this day.

Beloved ones, this is the hour for the family of God to be together, and those who do the will of God are the true family and the true parents and the true children.

Stand Fast with Godfre and Lanello and Every Patriot's Heart

This, then, is the army of the LORD! You have come from far-off worlds! You have waited for this moment, and millions of people hang upon your deliberation and your decision to stand fast with Godfre and Lanello and every patriot's heart.

And I tell you, without your support this very freedom rally on the morrow⁸ would not have the flooding of light from the hosts of the LORD, and it is very necessary that the people demonstrate for freedom and for Saint Germain as Uncle Sam. For beloved hearts of light, there will be many challenges and much crisis before America and the people of America desire nothing more than that all of this should be over, and they imagine that if they go to bed one night, they will wake up in the morning and somehow the American hostages will be freed.⁹

Well, I tell you, it is not so simple. You have the intransigence of the laggards. You have the fallen ones who have fallen from our angelic bands, who have stood fast against the living Christ for aeons! They will not give up! They dare to die because they follow the death cult of the fallen ones, and therefore they invite you to come over and kill them because they are determined to die for the cause of Antichrist.

This is not so simple! And therefore I call to all to pray fervently in your hearts. When your voices have been given and given again in dynamic decrees, then be silent and go into your hearts and pray fervent prayer that there shall be wisdom and courage and fearlessness flame in the White House and in the government.

For like it or not, those who represent this nation will

give answer! They will give answer to the Middle East! They will give answer to the people! And they will give answer to Almighty God! And it is through them that the LORD is working! And I am certain that you noticed the change in their complexion and in their vibration as the Electronic Presence of our hosts of light, of Ascended Master El Morya, have been over your president in these very weeks!

Beloved ones, it does not take even a trained eye to perceive that the president is more a president than he has ever been. Well, it is the Presence of Almighty God for and on behalf of the people! And beloved ones, God is no respecter of persons, and therefore you ought never to exclude anyone upon earth, for anyone may be the instrument of Morya. Anybody may be the instrument of Saint Germain. The ascended masters will work through those for whom you pray and decree. And the binding of the hordes of death and hell and of the fallen ones is most necessary, for when individuals are free of these influences and are surrounded by legions of angels, they will act according to the will of God.

I AM in Service Twenty-Four Hours a Day unto the Victory

Beloved ones, let it be that you realize that these fallen ones have rings upon rings of sustaining demons, and by their black magic and the misuse of the science of the Word they have built up reservoirs of misqualified energy. All of this must be taken into great spheres of blue lightning, blue-flame spheres taking that energy to the lake of fire for transmutation.

This energy is lethal and it must not be allowed to be punctured and outpictured in another world war! And so the demons who reinforce the position of the seed of the wicked must be bound! These demons are like giant rubber tires, rings and rings around the seed of the wicked. And this is why when you reverse the tide, sometimes you feel a lashback

because it has never reached the individuals; it has reached their supporting demons.

Therefore in the name of the living Word, in the name of Sanat Kumara, I Archangel Michael summon my legions of light! We go forth to bind those supporting demons and fallen angels of the seed of the wicked in embodiment! We go forth to strip them of their power brought to them by the entire fallen ones of the planet. Let them be bound! This is our fiat before the LORD God and before the community of the Keepers of the Flame.

Bind them, I say! Bind them, O legions of elemental life! Bind those demons and hordes! Bind them and draw them up into mighty blue spheres! Let them be taken to Sirius and cast into the lake of all-consuming fire.

I AM Archangel Michael! I AM in service twenty-four hours a day unto the Victory! I AM here for the holding of the balance! I summon you!

Come with me now, for we go forward! Forward, march! Excelsior! Forward, march in Morya's name, in Saint Germain's name! For we are determined, Almighty God, that the cause to which we have given our lives for aeons will not be lost by the turning of the tables of the laggards upon the children of the light! Let the tables be turned upon them!

Seal the Ring-Pass-Not around the Middle East

Therefore, Sanat Kumara, seal the ring-pass-not! Seal the ring-pass-not! Seal the ring-pass-not around the Middle East, and let that darkness be contained!

This is the fiat of Almighty God! I voice it in the physical octave through our messenger, that the Word may manifest and precipitate and crystallize on earth!

I speak it in the hearts of Keepers of the Flame! I speak it in the hearts of chelas of the light and all true patriots! Let them be contained! Let them be isolated! Let them be cut off!

And let the judgment of Almighty God descend upon those who are the laggard generations! And therefore I say, come apart and be a separate people! Withdraw, then, your light and your flow of energy and see whether or not those individuals survive.

Let all, then, who are the proclaimed enemies of Uncle Sam and America know that the entire Great White Brotherhood and Saint Germain are arrayed against you in this hour, and we tear from you your masks of your supposed causes and we accuse you—you the accuser of the brethren and your seed throughout the Middle East in this very hour—and we say, yours is a battle against the Word, against Sanat Kumara, against every innocent child of light! And therefore we return to you that hate and hate creation of the Mother, of Saint Germain, and of the Motherland. We return it upon you tenfold, and you are accountable this day for your blasphemy against the Son of God, the Father, the Holy Ghost, and the Mother!

That Judgment Depends upon You

I AM Archangel Michael! I expose the lie of these sinister strategies coming and purporting to defend the children of God by World Communism and by the perversion of Islam. Let the children of the light go free! Let the laggards be bound, for the hour of judgment is come!

And beloved hearts of light, I say to you before the altar of Almighty God that that judgment depends upon you, and its acceleration and the shortening of the days for the elect are directly the equation of your use of the science of the spoken Word! Let us see it *roll* now, as all of heaven waits to reinforce your call!

I AM Archangel Michael! I stand with every child of the light unto the Victory! Forward march! *Charge! Charge! Charge!*

“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **Archangel Michael** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, December 2, 1979**, during the Sunday service at Camelot, Los Angeles County, California. [N.B. Bracketed words have been added for clarity in the written word.] (1) Rev. 12:1. (2) **The presentation this morning.** Just prior to this dictation by Archangel Michael, the messenger reviewed the geopolitical situation as it existed in December 1979, including the Iranian crisis, opposition to Camelot from individuals and government, and an announcement of another freedom rally. The messenger began by stating, “We’re going to align ourselves with the legions of light and with the armies of heaven. The protagonist who takes on the Adversary in our behalf is Archangel Michael. Archangel Michael comes to defend the Woman and her seed, to bind the dragon, the serpent that casts out of his mouth the flood to carry away the Woman.” She also said, “We also read further on in the Book of Revelation of the one who comes leading the armies of heaven, who is Sanat Kumara. His name is The Word, and *T* is capitalized in the Bible. It is a synonym for the Faithful and True. [Rev. 19:11–14] Sanat Kumara figures in the lore of the Hindus as the great leader in the battle of Armageddon. Though they have another name for the battle, that is a Hebrew word and it has to do with Megiddo, a certain pass in the Middle East where it is contemplated that the confrontation will occur. But the great army of light who fights against the armies of darkness is led by Sanat Kumara.” The messenger’s report was followed by the decree “Reverse the Tide” in order to roll back the forces arrayed against Camelot and America. (3) **These individuals who are chanting their death chants.** See *Pearl of Wisdom*, this volume, no. 30, n. 4. (4) **The recent earthquakes in Iran.** A series of earthquakes occurred in northeast Iran on November 14 and November 27, 1979, killing an estimated 297 to 440 people and causing extensive damage. (5) **Play your “Reverse the Tide” invocation.** Decree 7.05, “Reverse the Tide,” is used to reverse negative energy back to its source. The messenger has explained that “those sending forth this [negative] energy must have it returned. They must deal with the energy they send forth. This is mercy, this is love, because that energy becomes their immediate teacher.” Decree 7.05, “Reverse the Tide,” is found in *Prayers, Meditations and Dynamic Decrees for Personal and World Transformation* (#1778), pp. 88–91, and song 706 of the same title in *Book of Hymns and Songs* (The Summit Lighthouse). (6) **A mounting of the hordes of the Adversary as is occurring in the Middle East.** See *Pearl of Wisdom*, this volume, no. 30, n. 4. (7) **The Word of the Goddess of Liberty.** In a dictation given on November 27, 1979, the Goddess of Liberty stated that the Ayatollah Khomeini “has created the greatest international crisis of recent years and the greatest international confrontation, with the ships of the United States prepared and ready.” She explained that if it became necessary

for the United States to defend liberty by direct military punishment of Iran due to the imprisonment of the hostages, it would “catapult the greatest frenzy you have ever seen in the Arab world” and would result in terrorism in America and worldwide. She stated that the problem of international manipulation goes far beneath the surface and that we should decree to Cyclopea for its exposure. She said, “I expose the treachery and intrigue on all sides. I expose the false guru. . . . Those who have misqualified light, from them shall be taken the light that they have misqualified.” **(8) This very freedom rally on the morrow.** A freedom rally was held at the Los Angeles Coliseum on December 3, 1979, which included a film showing the highlights of the freedom rally held on November 24, 1979, in Los Angeles at Saint Germain’s request, a performance by Montessori International students of a condensed version of the musical play *Fireworks!*, and music by the musical group Excelsior. (See *Pearls of Wisdom*, this volume, nos. 30 and 31.) **(9) Somehow the American hostages will be freed.** See *Pearl of Wisdom*, this volume, no. 30, n. 4.
