The Electronic Fire-Rings Placed on Earth's Latitudinal Lines by the Seraphim

Part 1

Legions of the ring-pass-not from the Great Central Sun, descend into earth! For the cosmic clock has struck and the hour is come for the mighty light of the electronic fire-rings to descend for the sealing of the belt of earth and for the sealing of the Alpha/Omega line.¹

Cosmic cross of white fire in the Cosmic Christ and the Cosmic Buddha and in a million devotees of the Cosmic Christ and the Cosmic Buddha, be sealed in the heart of earth and in the heart of the seed of the Ancient of Days.

We are Elohim of the Fourth Ray. We are Purity and Astrea. We come on the pathway of light, white-fire devotion crystallized by the life of the rose cross. We come into your midst, O saints of the Most High God, you who are in heaven, you who are on the earth. Our legions are with us, and beloved Maximus does sponsor the seraphim who procession bearing the electronic fire-rings, which they will place in concentric rings along the latitudinal lines of earth. And the vertical line of longitude is always the descending avatar and the ascending avatar.

Thus, the ring-pass-not is come and we say to the Fallen One:* Thus far and no farther! *Roll* back, ye legions of the LORD, all that are the seed of the wicked!

Lo, I AM Astrea! I lock my cosmic circle and sword of blue flame around the entire evolution of the Fallen One, and by Cosmic Christ command, *they* shall not pass! *They shall not pass!* They shall not pass through the gate of the year bearing the venom and the mounting misqualified energy of Mother, of their misuses of the life force. Though they remain in physical embodiment, their evil shall not pass into the new year.

We come to cut off the momentum of these fallen ones, for they have gone unchecked for aeons, my beloved. How long, how long, O LORD, it has been since the saints have gathered in this enlightenment of the Christ and the Buddha to offer in God's name the call of Christ's judgment[†] on behalf of the holy innocents.

Our Desire Is for You to Give That Judgment Call

Blessed obedient ones of the ruby ray, you have come together and you have stayed, with the staying power of the Holy Spirit, to sing the Lord's Judgment² into the cycles of the earth by that mounting momentum infused with the light of Sanat Kumara.

Your momentum of light, which the ascended masters did join and the etheric saints did enter into, became the Word that has cut a momentum of Serpent and his seed whereby they have sought to nullify the ministrations of angels from within the astral plane, where Serpent and his seed have begun their ritual—dark and most tragic—of encircling the earth as they perform the rites of witches' covens and orders of black priests.

And this circling of the earth faster and faster by

*The Fallen One most often refers to Lucifer.

disembodied spirits has become a frenzy of hell and death in recent weeks and months, as in the final year of the decade [of the 1970s] these fallen ones, in a fury and a feverish frenzy, have determined to counteract the mighty light of Astrea and the cosmic circle and sword of blue flame. The outcropping of the hordes of war in Afghanistan is the result of this astral hellfire and pace that they have kept, and also the endless death chants in Iran.

I AM Astrea. I AM here to tell you that neither the pope and his cardinals nor the councils of the Sanhedrin, nor the councils of the bishops and ministers of all faiths, nor any of the Muslims, nor any other group of holy ones upon earth have had the momentum to invoke Elohim, and by Elohim the judgment of the Son of God in sufficient power to stay the hand of the seed of the wicked such as you have accomplished on this night, now turning into the dawn of New Year's Eve.³

O my beloved, so we determine to come and place in the heart of the Mother, as Archangel Michael has done,⁴ our desire for you to give that Judgment Call. I commend you one and all, as you understand the sacred labor of the Work and Word of the Lord Christ within you.

Mighty Seraphim Have Borne One of the Electronic Fire-Rings

Beloved ones, the circle of fire is round about this community. Mighty seraphim have borne to Camelot one of the electronic fire-rings sent by Alpha and Omega through the hand of Maximus. It is for the sealing evermore of the saints of God in the earth. It is for the sealing of the coming and going of the Lamb and those who are with him whithersoever he goeth⁵—that Lamb who is Sanat Kumara in your midst occupying this temple until the full coming of the ascended host into tangible octaves, visible to humanity.

My beloved hearts, this is the service of the two witnesses

on the East Gate as they initiate your souls to take your places as the saints on the North Gate, submitting to the initiations of the sixth ray under Lord Maitreya so that you might go forth as bearers of the cup of the Holy Grail to minister to the waiting multitude, so great in number, waiting on the West Gate⁶ and the golden shore of America, of India, of Russia, of China, of every nation.

At the West Gate, where the sun sets and leaves the last gleams of the golden pink glow-ray shining upon the faces of God's people, that gate that swings wide at sunset is the gate to the golden shore of God-reality. At that gate, seen each day by the children of the light, you, the saints initiated by the two witnesses, will be the bearers of the cup of the glad tidings of the Everlasting Gospel. Thus you tarry here on this North Gate in this time and space of your initiation, and you meditate on and you enter into each and every one of the seven initiations of the saints who follow the Lamb of God.⁷

We Are Determined That There Be the Multiplication of This Science of the Electronic Fire-Rings

I AM Astrea! I AM Purity! We are light! We are star-fire glow! We are white-fire/blue-fire sun from Sirius unto earth below!

Oh, how we rejoice! How we are determined that there shall be the multiplication of this science of the electronic fire-rings of God coming into congruence with the earth! These also, with the light of Uzziel, are opening the way for the moment of the beginning of the decade, for the moment of the release of light from Sanat Kumara unto Gautama unto all the world. How the world waits for it knows-not-what, but it waits—hope in new beginnings and rest in conclusions.

So the people of earth already see the rumblings of war and the engines of war, as Serpent and his seed, in this conspiracy that spans the nations, now step forward boldly to enter the white chakra of earth.⁸

We are light in Archangel, Russia!⁹ We are light that stays the hand of the dark and the dark ones! We understand why these fallen ones make haste to lay claim to the light of the Mother. They behold the dawn of her coming within you. They fear an *ungodly* fear! It is the fear of devils who believe that God is and who tremble before his footstep heard in the earth as the walk of the Ancient of Days and of the LORD God, who walked and talked with Adam and Eve in the Garden.¹⁰ For they know the footstep of the lineage of the ruby ray. These sons and daughters of God are unmistakable to them.

Therefore, they know that the judgment is nigh, even at the very door!¹¹ Thus, they rush forward. They rush forward in the final death play of their death cult with which they have *seized* the children of the light. But they shall not pass! *They shall not pass!*

A Garland of Fifteen White Roses around the Equator of Earth

You have given a rosary of light unto the Mother, every manifestation of the Mother, worlds without end. In the giving of this call, “They shall not pass!” you, my beloved, with the Great Divine Director working with you, have arrested this spiral of the encirclement of the earth [by Serpent and his seed], and in its place are fixed positions of the fifteen stations of Mother Mary, fifteen calls unto the LORD.¹² And your voices shall continue throughout this decade through those points of light that form a garland of fifteen white roses around the equator of earth.

Each vortex of light coming forth from the white rose emits the sound of your invocation of the Lord’s Judgment, and that intonation of the Word shall be multiplied by Maximus, by Elohim one hundredfold, and it shall be released consecutively and continuously as the Word of the Lord spoken in the heaven and in the earth. And you who have understood

that measure of God-obedience will have the reward of love, not only from God above but from the hearts of the holy innocents, who will receive the flame of our protection and perfection through that Word.

Being the Instrument of the Lord’s Judgment throughout the Historical Stream

In any hour that our chelas of the Elohim of the fourth ray so desire to reconsecrate that ritual of the giving of “They Shall Not Pass!” with Sanat Kumara’s precious *Pearl*,¹³ they may simply take the tape recording and give it again.¹⁴ And in the giving of that ritual, my beloved, you will begin to cut off the momentum of Serpent and his seed in their momentum of the decades.

You may begin your service with an invocation for the clearing of a specific decade of all the ills and injustices of the seed of Serpent. And if with all your heart, in your fasting and in your prayers, you enter into our being of light, you will know the meaning of being the instrument of the Lord’s judgment throughout the historical stream.

Thus, the words and the works of the seed of Serpent done in the decade of the 1970s have been judged and seized from them. They enter the new year stripped of their garments, and they will stand naked before the world! And as you enter into the ritual of Cyclopea,* more and more children of the light will awaken to the truth of this teaching of the Everlasting Gospel.

Unto Those Who Keep the Astrea Vigil Daily, Their Offering Shall Be Multiplied One Hundredfold Daily

Therefore, I come with this dispensation of light. So great is the devotion of our chelas in the sustained and constant invocation of our decree[†] that the Lords of Karma have granted unto those who keep the Astrea vigil daily that their offering

to us shall now be multiplied one hundredfold daily for the liberation of life upon earth and specifically for the binding of Abaddon and his fallen ones,¹⁵ devils, and discarnates who roam the earth and the cities of the earth, having come out of the pits and the bowels of the earth by the blasphemies of Serpent and his seed as they have stood in the earth and mouthed their mouthings of mortal cursings against God and his children.

They have played their tune as pied pipers, and their rock music has sounded the call that on earth this expression of free will by those in embodiment demanded the opening of this bottomless pit and the many connections to it that are located in certain geographical locations around the world. Therefore know this, my beloved—that where there is rock music, where there is the beat of the disco, where there is the perversion of sound and rhythm, there on the astral plane the satanic hordes celebrate their satanic rites and mass.

These satanic hordes surround the individuals who are the players of this pied piper's tune, and they surround those who dance to their tune. And thus they take up their energy, misqualify it, and magnetize more and more of those devils that have been sealed in the astral pits for thousands of years. These astral pits have been sealed by the LORD God, and they were not allowed to be opened until the saints would be in embodiment in the community of the Holy Spirit and gathered together in the sacred fire of Pentecost in one place, in one accord, in the flame of God Harmony, that they might take up those serpents out of the pit and those waiting for them in the earth and in the astral plane.

“The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **Elohim Purity and Astrea** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, December 30, 1979**, during the New Year's conference, *Harpstrings of Lemuria*, held at Camelot, Los Angeles County, California. Part 2 of this *Pearl of Wisdom* is published in this volume, no. 47. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Bracketed words have been added for clarity in the written word.] (1) **The Alpha/Omega line** is the vertical line of the twelve and the six o'clock line on the cosmic clock. (2) **The staying power of the Holy Spirit to sing the Lord's Judgment.** The congregation had been giving decrees followed by the ritual of “The Judgment of Serpent and His Seed” until late in the evening, which included the singing of song 88, “They Shall Not Pass!” by Jesus Christ in *Book of Hymns and Songs*, published by The Summit Lighthouse. See notes 4 and 13. (3) **Now turning into the dawn of New Year's Eve.** Purity and Astrea's dictation began on Sunday, December 30, at 11:41 p.m. and concluded at 12:26 a.m. on December 31. (4) **As Archangel Michael has done.** Just prior to this dictation, the messenger explained: “Archangel Michael asked me to read to you Sanat Kumara's *Pearl of Wisdom* on the taking up of serpents and to invite you to sing ‘They Shall Not Pass!’ each time it is spoken [in the *Pearl*]. . . . When Archangel Michael said, ‘Will you please do this *Pearl* in this manner?’ I said, ‘Will you help me?’ So he said, ‘Alright.’ So that's how Excelsior came about singing their song just now, so Archangel Michael could step through the veil.” See notes 2 and 13. (6) **Waiting on the West Gate.** For a detailed teaching on the initiations of the East Gate, North Gate, and West Gate, see chapters 15–18 in *The Opening of the Seventh Seal: Sanat Kumara on the Path of the Ruby Ray*, pp. 104–40. (8) **As Serpent and his seed now step boldly to enter the white chakra of earth.** The Middle East is the white chakra of the earth, or the base-of-the-spine chakra. In the year 1979, known as the year that changed the Middle East, there were several significant events that occurred, including the overthrow of the Shah of Iran, the creation of an Islamic state, Saddam Hussein's ascension to the presidency of Iraq, the siege of the Great Mosque in Mecca, the invasion of Afghanistan by the Soviet Union, and the taking over of the United States embassy in Tehran by Iranian students, resulting in 52 American hostages being held for 444 days. (9) **We are light in Archangel, Russia!** The retreat of Purity and Astrea is located in the etheric plane over the Gulf of Archangel, the southeast arm of the White

Sea, Russia. The retreat focuses the energies of the base-of-the-spine chakra of the planet. The etheric focus interpenetrates with the physical on the nearby plains. For a description of the retreat, see *The Masters and Their Retreats*, pp. 453–54. (10) Gen. 3:8–13. (11) Matt. 24:33. (12) **Fifteen calls unto the LORD.** During the course of the ritual of “The Judgment of Serpent and His Seed,” the song “They Shall Not Pass!” was sung fifteen times. The “fifteen stations” refer to Mother Mary’s Fifteenth Rosary, which is not a rosary to be recited but is explained as the surrender of the Christ that you have become. On June 29, 1988, the messenger explained that “the Fifteenth Rosary is yours to enter into when you have fulfilled the requirement of Christhood on those twelve lines of the [cosmic] clock and may enter the center, having achieved that Christhood and therefore can give it to the world. And the choice is yours to retain it for your private initiation and experience and moving on in the hierarchy of life, or to give it to a planet and an evolution.” Also see chapter 22, “The Gift of a Mother’s Heart: The Mystery of the Fifteenth Rosary,” in *The Age of the Divine Mother*, pp. 295–302. (13) **The giving of “They Shall Not Pass!” with Sanat Kumara’s precious Pearl.** Prior to Purity and Astrea’s dictation, the messenger read aloud Sanat Kumara’s *Pearl of Wisdom* entitled “The Judgment of Serpent and His Seed: They Shall Not Pass!” wherein he exposes the modus operandi of the seed of Serpent. (*The Opening of the Seventh Seal*, chapter 34, pp. 293–306) Each time the phrase “They shall not pass” was read by the messenger, the entire congregation joined in singing the song “They Shall Not Pass!” See notes 2 and 4. The Judgment Call “They Shall Not Pass!”

by Jesus Christ

In the Name of the I AM THAT I AM,
I invoke the Electronic Presence of Jesus Christ:
They shall not pass!
They shall not pass!
They shall not pass!
By the authority of the cosmic cross of white fire it shall be:
That all that is directed against the Christ
within me, within the holy innocents,
within our beloved Messengers,
within every son and daughter of God . . .

Is now turned back
by the authority of Alpha and Omega,
by the authority of my Lord and Saviour Jesus Christ,
by the authority of Saint Germain!

I AM THAT I AM within the center of this temple
and I declare in the fullness of
the entire Spirit of the Great White Brotherhood:
That those who, then, practice the black arts
against the children of the Light . . .
Are now bound by the hosts of the LORD,
Do now receive the judgment of the Lord Christ
within me, within Jesus,
and within every Ascended Master,
Do now receive, then, the full return—
multiplied by the energy of the Cosmic Christ—
of their nefarious deeds which they have practiced
since the very incarnation of the Word!

Lo, I AM a Son of God!
Lo, I AM a Flame of God!
Lo, I stand upon the Rock of the living Word
And I declare with Jesus, the living Son of God:
They shall not pass!
They shall not pass!
They shall not pass!
Elohim. Elohim. Elohim. [chant]*
