The Electronic Fire-Rings Placed on Earth's Latitudinal Lines by the Seraphim Part 2

Evil Does Not Endure Forever

Thus it is written and prophesied that those sealed in the astral pits should come forth, and the timing and the spacing of the LORD God has allowed it in order that they might finally be bound and taken to that which is called the “lake of fire”—that mighty and majestic sea of light, sacred fire, at the God Star where they and their works are dissolved.

Each time you make the call to me and these fallen ones are bound and the Judgment Call is given, millions of our legions of white fire, cosmic white fire of purity and blue lightning, are enabled to descend into the depths of the astral plane, even going into the pit and seizing them there. They are bound! They are sealed in mighty blue spheres! They are escorted by the legions of Archangel Michael and of the Great Teams of Conquerors and they are cast into the lake of fire.

This is the exorcism of a planet and a people. We have...

The Electronic Fire-Rings Placed on Earth's Latitudinal Lines by the Seraphim

Part 2

Evil Does Not Endure Forever

Thus it is written and prophesied that those sealed in the astral pits should come forth,¹ and the timing and the spacing of the LORD God has allowed it in order that they might finally be bound and taken to that which is called the “lake of fire”—that mighty and majestic sea of light, sacred fire, at the God Star where they and their works are dissolved.

Each time you make the call to me and [these fallen ones] are bound and the Judgment Call is given, millions of our legions of white fire, cosmic white fire of purity and blue lightning, are enabled to descend into the depths of the astral plane, even going into the pit and seizing them there. They are bound! They are sealed in mighty blue spheres! They are escorted by the legions of Archangel Michael and of the Great Teams of Conquerors and they are cast into the lake of fire.

This is the exorcism of a planet and a people. We have come forth before to sound forth the call of that exorcism. Those who observe with outer observation would have no

realization of the tremendous work that has been accomplished since we came to San Francisco at *Portals of Purity*² to deliver our mandate of this exorcism.

Beloved hearts, it is true that a steady stream of these fallen ones have been bound and taken. But it is also true that a steady stream have continued to emerge, invoked by the satanic rite that I have described. Therefore, the work is ongoing, but it is not ongoing forever. For evil does not endure forever, and the inner matrices are collapsing by the calls to the light.

Your Right Hand Raised Up Is Always Sealed by Our Hand

We know, beloved hearts, what you must bear as persecution for persevering in this most noble work of the turn of the century. We know, beloved hearts, and we have taken you up on many occasions while your bodies have slept. We have shown you in your etheric body exactly what you are accomplishing by this steadfast devotion. Thus at inner levels you are at peace in the purity of our love and you have seen that no other light but this light of the fourth ray will seal the earth as the keystone in the arch. It is the midpoint of the seven rays—this mighty white light.

And therefore when that light is established, *they shall not pass!* They may not pass over into the chakras of Spirit in our children. They may not pass over into the chakras of Mater in our children. Thus, they may not complete the circle. And when they cannot complete the circle, they are short-circuited and their works do not endure.

Therefore, we have positioned our chelas strategically throughout the earth, always in the jeweled amethyst light of Saint Germain to cut off, to arrest the spiral, to decelerate their mounting energy. Wherever you are, my beloved, your right hand raised up is always sealed by our hand.

The love of Purity and Astrea is with you. Together we form the trinity. And when you raise your hand, you shall have upon you the body and blood of Christ through the power of Saint Francis, the light of purity of Clare, and you will watch the miracle of the turning back of the Saracens upon each other.³ And you will behold as they devour one another and are no more, like predatory beasts that roamed the earth and destroyed each other even as they were destroyed by the oncoming age of greater light.

The Sealing of the Incarnation of the Ten Thousand and One

The mighty Snow King and Queen,⁴ who keep the flame of crystalline purity from the North unto the South Pole and hold the balance of Alpha and Omega, now hold in the earth the blanketing of white light wherever our chelas are present.

Therefore, the mighty light of God does now release its rays, and we are blessed to have begun with you this day a twenty-four-hour cycle from midnight unto midnight, when all of the hosts of heaven are gathered, garlanding the earth with white flowers of every sort—roses and lilies, lilies of the valley and gardenia, the jasmine light.

Oh, the fragrance of the white light! Beloved hearts, flowers from Venus and Helios and Vesta and from the God Mercury and his legions, from the planetary homes, from etheric evolutions—earth is bathed in the light of these flowers and in the fragrance.

So it is. For this is the year that we dedicate to the sealing of the incarnation of the ten thousand and one.⁵ They have been, lo, these years in coming. Six years and unto the seventh, their coming is decreed by Almighty God.

We are determined, then, that the remaining lifestreams, so dedicated, will enter earth. And the hand of the LORD is upon them, and Lord Sanat Kumara stays the hand of the

Wicked One, of Serpent and his seed. The staying action of the LORD God is upon them, as those who are chosen to bear them now have the opportunity to carry forth in grace the light of the Holy Spirit unto their cosmic conception in the earth.

Seraphim and the Legions of the Fourth Ray Will Come with Miniature Electronic Fire-Rings

My beloved hearts, it is good to be together with those who are responsive to our Word. We as Elohim are grateful to be able to come into the midst of a congregation of souls upon earth and not to be offended by the odoriferous manifestations of their misqualified energies. The light and the forcefield that you have raised up, accelerating since the coming of Morya to Camelot eighteen months ago,⁶ now serves as this platform into the eighties.

We are comfortable with you. Beloved ones, this is a most unusual statement for me to make, for it is well known that the Elohim are never comfortable in earth's atmosphere. We perform our duty, and our legions rise to the etheric plane until called again. Our comfortability in your midst is due solely to your devotion to our flame. Those of you who have been careless in your devotion to your dynamic decrees, take heed. For this is the year when you should justly desire to have angels tarry with you.

When the seraphim and the legions of the fourth ray come into your aura, they will come with miniature electronic fire-rings, miniature replicas of those that now gird the earth. If you will make your aura comfortable for their presence, they will indeed tarry with you.

We Appeal to You to Begin This Year's Lenten Celebration on January 1 unto Easter Morning

Therefore, we appeal to you to begin this year's Lenten celebration on January 1, 1980, as the clock strikes. We invite

you—and this is an invitation and not a demand. For we would not impose our will upon you but freely suggest that you consecrate your temple from that hour unto the hour of his resurrection on Easter morning, that you pursue in moderation and wisdom your prayer and fasting.⁷ And those of you who have the habit of partaking of flesh foods, abstain therefrom and let yourself be purified by the clear, crystal river of the water of Life.⁸

This abstention need not continue beyond Easter if it is not your will. We ask it that we might have a very special forcefield within your temple whereby we might magnetize the great light that Maximus radiates through the Snow King and Queen. They are the twin flames of an ancient civilization that spread far and wide near the North Pole and in the area of Greenland, on the surface of the earth and stretching in the etheric plane to the innermost portions of the etheric lifewave.

Earth Is Suspended in a Cosmic Sea of Light

The white-fire core, the central sun of the earth, the etheric light of a planetary sphere, has received the sphere of solstice. It is brilliant. It is comforting. It is the light of wisdom. It is all of the energy required. It is the gold of cosmic supply. It is the sweet oil for the lubrication of life upon earth.

Blessed and devoted hearts, the sea of light of God's cosmic consciousness is being lowered round about the physical earth. Earth is suspended in this cosmic sea of light as the clock begins its passage through this twenty-four-hour vigil unto the new year. This cosmic sea of light is a very high vibrating forcefield that is able to be magnetized round about the earth because of the electronic fire-rings set in position by the seraphim. This sea of light is the opportunity for every lightbearer upon earth to make that New Year's

resolution to enter into the highest meditation on the great Void of light—the light of Brahman, the light of the fiery vortex of eternal Being.

It is as though the cloudy, vaporous light of the Milky Way would suggest that this cosmic sea would intensify, and so it is. It is a forcefield of heavenly octaves. Drink it in. As Sanat Kumara would say, "Drink me while I AM drinking thee."⁹

The Lord of the World Claps His Hands in Joy

O blessed of the Blessed, I AM Astrea. I bid you rise and *seize* my sword! [Audience rises.] My angels bow before you as they hand it to you.

O blessed sword of God given unto me as the measure of the cosmic light of the Kundalini of the Maha Kali, O sword of the Mother, O rod of her power now in the hand of the lightbearers, go forth! Perform thy perfect work!

O sword of Astrea, sword of Purity, sword of the legions of light in heaven and in earth, go forth. *Bind* the seed of Serpent in earth! *Bind* them once! *Bind* them twice! *Bind* them thrice! *Thrust!* *Ho!* *Bind* them now! *Seize* them!

Angels of light, let them remain *bound* until they are remanded to the Court of the Sacred Fire by divine decree to face the Four and Twenty Elders and their own Final Judgment.

Let them be *bound* in the earth! *Bound* in the earth! *Bound* in the earth! *Bound* in the heaven! *Bound* in the heaven! *Bound* in the heaven!

[three claps]

The Buddha claps his hands in joy—once and twice and thrice—and planetary forcefields crumble.

Beloved body of believers in the heart of earth, these ceremonies are for the inner mysteries of the Holy Grail and the inner initiates. They are not for the profane. They do not understand the clearance of a planetary orb. Millions of layers of the misqualified energies of this fallen evolution must be carefully withdrawn from the earth.

And so it is that the Lord of the World claps his hands in joy and another veil of illusion is dissolved and the light of far-off worlds penetrates more deeply the souls of our children. Thus, the clearance of earth and her evolutions is even evolutionary in nature—self-transcending, cyclic, again and again, until every jot and tittle of the Law is fulfilled.

My legions bow again before you. They leave in your hand a personal replica of my sword. You may place it now into your heart and remember to draw it therefrom and use it daily.

Wielders of the sword of Astrea, wielders of the circle of Elohim:

Remember the electronic fire-rings. For, lo, I AM come. We are the Divine Us. We seal your twin flames in the service of the light unto the victory of earth and unto our glorious reunion in the Great Central Sun before Alpha and Omega. It is done.

“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **Elohim Purity and Astrea** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, December 30, 1979**, during the New Year’s conference, *Harpstrings of Lemuria*, held at Camelot, Los Angeles County, California. Part 1 of this *Pearl of Wisdom* is published in this volume, no. 46. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. Books, audio, and video products

are available at Store.SummitLighthouse.org. The widest selection of audio files, including dictations, is available at AscendedMasterLibrary.org. [N.B. Bracketed words have been added for clarity in the written word.] (1) Rev. 9:2. (2) **Portals of Purity** was a two-day seminar held in San Francisco, California, December 7–8, 1974. (3) **The turning back of the Saracens upon each other**. In 1240 A.D., when a group of Muslim Saracens in the army of Frederick II were advancing toward the town of Assisi to plunder it, Saint Clare held up the monstrance containing the Holy Eucharist. At the sight of this, the advancing soldiers, scaling the convent walls, were suddenly seized with terror and took flight. (4) **The mighty Snow King and Queen** are cosmic beings of great attainment who once ruled an ancient golden-age civilization, tropical in nature, where Greenland is now located and covering a large part of the North Pole. The Snow King and Snow Queen work with the beings of the elements to hold the balance in nature and in the four lower bodies of the planet. (See *The Masters and Their Retreats*, pp. 345–46.) (5) **The incarnation of the ten thousand and one** refers to ten thousand and one avatars who were to be born beginning in 1974 and 1975, heralded by the comet Kohoutek, which passed close to the sun towards the end of 1973. These avatars are Christed beings who had evolved from other systems of worlds and who came to earth on a mission to liberate the planet and to assist in the transition from Pisces to Aquarius. (6) **The coming of Morya to Camelot eighteen months ago**. On July 4, 1978, El Morya delivered a dictation through the messenger, who arrived on a barge in the middle of Swan Lake at Camelot while conferees held candles for the entirety of the dictation. Morya stated: “I inaugurate an era of opportunity for your souls to be disciplined in the path leading to knighthood and to your being anointed as ladies of the flame.” He announced that “Camelot, the foundation of the building of the New Jerusalem, is come again. . . as a vibrant set of lightbearers who. . . will move as this legion of light and understand that humility and working together with all people of whatever race or nation or religious conviction is the way to achieve the best and finest example of who and what we are. My beloved, it is truly not necessary that people believe in *me*. It is necessary that they believe in *you*. It is your integrity that counts, after all.” (See 2023 *Pearls of Wisdom*, vol. 66, nos. 41–43.) (7) **Your prayer and fasting**. See *Pearl of Wisdom*, this volume, no. 37, n. 3. (8) See Rev. 22:1. (9) **“Drink me while I AM drinking thee.”** This statement is the title of Sanat Kumara’s original *Pearl of Wisdom*, later published as chapter 35 in *The Opening of the Seventh Seal: Sanat Kumara on the Path of the Ruby Ray*, pp. 307–19, which includes teaching on Jesus and the Samaritan woman at the well (John 4:1–42). The entire *Pearl*, under the same title, was read aloud by the messenger in her lecture given on December 31, 1979.
