**Mother Mary's Blessing of the
Bread and the Wine**
"This Do in Remembrance of Me"

Blessed ones, I am your Mother Mary. I have come to the altar, as you have invoked my name, to intercede on behalf of the children of the light.

I come, as my son has called me, to bless the bread and the wine, which he now infuses with his Body and his Blood that you might partake of the Christic light of Alpha and Omega in your Spirit and Matter being and receive the light of the Elohim Astrea and Purity this night. By this Body and this Blood, all of the Creation is manifest.

My beloved, *listen to me*. For by this Body and this Blood, all of the creation of the seed of Serpent is *unmanifest*. Remember that this light of Alpha and Omega always flows forth from you when you give the science of the spoken Word in the wholeness of your Christ Self.

Mother Mary's Blessing of the Bread and the Wine

"This Do in Remembrance of Me"

Blessed ones, I am your Mother Mary. I have come to the altar, as you have invoked my name, to intercede on behalf of the children of the light.

I come, as my son has called me, to bless the bread and the wine, which he now infuses with his Body and his Blood that you might partake of the Christic light of Alpha and Omega in your Spirit and Matter being and receive the light of the Elohim Astrea and Purity this night. By this Body and this Blood, all of the Creation is manifest.

My beloved, *listen to me*. For by this Body and this Blood, all of the creation of the seed of Serpent is *unmanifest*. Remember that this light of Alpha and Omega always flows forth from you when you give the science of the spoken Word in the wholeness of your Christ Self.

We celebrate with you the Last Supper and we quicken your memory of the ordinance of God—that those who rise to the office spiritually of Apostle therefore become congruent with the Electronic Presence of Jesus Christ as he manifests himself for the judgment in answer to your call.

Remember, then, that until you rise to that apostleship of Paul and Patrick, having fulfilled all of your initiations of the fifth ray,¹ you have an advocate with the Father, the Lord Christ, and more than one. For I AM your holy intercessor and therefore, my disciples and beloved ones, the Body and the Blood of the Lord in this flowing light enables you to partake with him in the call of the judgment even before it is given to you by initiation. Such is the science of the Word.

Therefore, he said, "This do in remembrance of me."² That remembrance of him by the mind's eye and vision exalts you to his high estate, even before you have walked the footsteps of the Path to that attainment. And thus by the grace of God you enter into him, into the Communion cup. You drink all of it. And by his Body and his Blood within you, the Word is manifest—the *true Creation of God is manifest*—and all that is the not-creation is *unmanifest*.

Therefore, my servants will come forward and serve to you this blessed sacrament. And when you have received it, you may kiss the cross within your own heart and go silently to place your bodies to rest as you come with us to the higher octaves in preparation for the morrow.

We ask you to return here at ten o'clock in the morning, that you might take your rest and be refreshed for a full day of service to the coming of the Lord of the World.³

You are kissed by the Son, and therefore I call you my Son-kissed ones.

Won't you come forward as I receive you in his name?

(1) **All of your initiations of the fifth ray.** Sanat Kumara explained that "This initiation of the fifth ray, the taking up of serpents, is the opening of the eye of God within the soul, that in seeing the true image and likeness of God the soul might bind the anti-image pervaded by Serpent. In the hour of his disciples' God-victorious passage through the scenes of Serpent unto the God-vision of my name, my throne, and my authority, Jesus rejoiced in the Spirit of the Great White Brotherhood and in the lineage of the ruby ray, praying unto the Almighty One, 'I thank thee, O Father, LORD of heaven and earth, that thou hast hid these things from the wise and prudent and hast revealed them unto babes: even so, Father; for it seemed good in thy sight.'" I AM Thy Chalice

I AM the true life of the Flame
 A focus of God's I AM name
 Descending cycle from the sun
 My radiant source, thou Lovely One.

I AM thy chalice ever free
 My purposed aim like thee to be
 A ray of Light's expanding love
 A focus for God's Comfort Dove.

Thy ray now anchored in my form
 Does my divinity adorn
 Thy Flame, a rising sacred fire
 Each moment takes me ever higher

Until at last, made purer still
 Eternal focus of thy will
 I AM thy crystal chalice pure
 An anchor of thy love secure.

A healing fountain to the earth
 I AM real proof of Life's rebirth
 Which by the power of thy name
 Ascends today thy love to claim.

I AM thy radiance crystal clear
 Forever pouring through me here
 Thy living joy fore'er expanding
 I AM with thee all life commanding!*
