

Beloved Archangel Gabriel

Hope for the New Birth

Let purity be the white rose that is the sign of the annunciate who comes forth, then, to renounce all that is less than the purity of life and the sweet purity of communion with the Almighty.

I announce to you, who would renounce the ways of this world, that path of purity and purification whereby the whole muddled stream of humanity is made pure. For it is the drop of sacred fire that consumes as it flows—as it expands and multiplies—all unlike itself in the river of consciousness.

Let the mind of God be in you! Let the mind of God be in you, my beloved! Oh, let those who are the renunciants hear my word and understand the mystery of the bread of life, understand how purity is an unguent unto a troubled world, that purity itself will consume that cancer of the soul that is far more deadly than the cancer of the body—purity, a flame to espouse; purity, . . .

Beloved Archangel Gabriel

April 1, 2026

Hope for the New Birth

I AM Gabriel. I have come. I enter the sanctuary of the heart. I AM come in the fullness of the light, and the bride of the Holy Spirit runs to meet her God. And lo, Lanello, in the very midst of the light, is the knight champion of the flame of purity.

Let purity come forth at Camelot! Let purity be the white rose that is the sign of the annunciate* who comes forth, then, to renounce all that is less than the purity of life and the sweet purity of communion with the Almighty.

I announce to you, who would renounce the ways of this world, that path of purity and purification whereby the whole muddled stream of humanity is made pure. For it is the drop of sacred fire that consumes as it flows—as it expands and multiplies—all unlike itself in the river of consciousness.

Let the mind of God be in you! Let the mind of God be in *you*, my beloved! Oh, let those who are the renunciants hear my word and understand the mystery of the bread of life, understand how purity is an unguent unto a troubled world, that purity itself will consume that cancer of the soul that is far more deadly than the cancer of the body—purity, a flame to espouse; purity, the sun that we shall all become.

*annunciate: historically, a member of one of a number of religious orders dedicated to the annunciation of Archangel Gabriel to Mother Mary; more broadly, one who has made a vow of purity, as one would in a religious order

Angels of Hope Release the Full-Gathered Momentum of Hope unto My People

I have delivered to you my word on the ascension flame.¹ I come to charge you with renewed devotion to your soul's own purification in God. Now as you approach, my beloved, the hour of the initiation of the angels of the cosmic cross of white fire, fast and pray and be with the LORD on the Lord's day.² For they come to offer you a cup of the white light of the Good Friday symphony of light and of initiation. So that cup of light, which we shall celebrate here,³ shall be for the lightening of the burden of my people, saith the LORD, for the enlightening of their minds and for the buoying up of their hearts in joy.

O lightbearers, "More light!" was the call of the LORD many months ago.⁴ More light we come to bestow, and hope—hope for the new birth. For this is a day of reckoning and of rebirth for many across the face of the earth. This is a day for new birth in America.

Angels of Hope, legions of light, my beloved, stand forth and release the full-gathered momentum of hope unto my people. Hope for eternal life is the first hope, and the second like unto it—the hope of the soul for worthiness to inherit that flame. There is no struggle in God, my beloved. There is only struggle outside of God.

I invite you to come into the sanctuary. I invite you to come into the great circle of life and simply be the joy of the fountain of life bursting with the will to be and to be God in this service of the hour.

The Mighty Cosmic Cross of White Fire

I AM Gabriel. I consecrate this Woman clothed with the Sun with the mighty cosmic cross of white fire, that it might reflect and multiply the light in every chela of the flame of purity and of Serapis Bey and of Elohim Purity and Astrea and of the seraphim and all of the servants of the holy church of purity.

Therefore when you meditate upon the Mother, know that that cosmic cross will mirror and send back to you the light that is in you to multiply and increase the cosmic cross of white fire within you. When the angels of the cosmic cross of white fire come in celebration of the resurrection of the Lord Jesus Christ,⁵ they will also bring to you a mighty cross of white fire. It is *sealed* in their hearts! It is sealed in higher octaves. And the leader of their bands will deliver to you that message of the Holy Spirit⁶ on the principle of perfection and the path of the cosmic cross that is yours to follow as the essence of the ruby ray.

We Send Hope to a Darkening World for New Life

I AM Gabriel. I stand in the land to bring the comfort of the path of purity and the good cheer of the messengers, who celebrate year by year the union of your twin flames and of their own as the archetypes of Helios and Vesta in the earth.

O love of God, immortal love, enfold all in thy ray! Beloved hearts, let the ray of love enfold you and be the magnet of God's heart in your own to magnetize your real being, who is Christ the Lord.

I AM the sealing of the immaculate conception of the Divine Manchild within you. I AM the Angel of the Annunciation, and I am announcing that immaculate purity whereby Christ in you conceives and brings forth the soul made in the image and likeness of purity and perfection.

I AM Gabriel, with Hope. We send hope to a darkening world for new life. Let those who understand that life seize the torch of life and run with it! And let that torch consume death in the land before it overtakes the [one robed in] white who is on his way and maketh his way on the path of self-perfection.

I Am Come to Be with You in the Hour of Your Overcoming

I AM Gabriel. My affirmation of being is your own. I AM the impelling light of the Law that molds and magnetizes true

Being for the victory. Welcome me into your temple, son of light, daughter of God, children of the One. For I am come to be with you in the hour of your overcoming, in the hour of your crucifixion, in the hour of your resurrection, and in the hour of your victory. So many who have gone Home await your coming and they cheer each victory in the earth, and they go forth to bring to Camelot this day new souls of light who will keep the flame of Mother.

Seraphim of ascension's flame, let the path of the ascension, as a mighty light ray, go forth from this heart to every heart of light in the planetary body. For this day I, Gabriel, announce the ascension in the light unto all who have stood before Alpha and Omega and who have made the call to go forth into the earth and to demonstrate that perfect union of the soul in Christ with the mighty I AM Presence.

Lo, I pronounce you *one*, as Above, so below. I pronounce you *one*, in the name of the Father and of the Mother, of the Son and of the Holy Spirit. Amen.

In a dictation given by Jesus on April 7, 1985, he explained: "Beloved in the love of the Spirit on the Lord's day, consider, then, what is the meaning of the Lord's day. Why, it is the appearing of your own I AM Presence! It is the internalization of the Word within you! And these are not mere words that I speak but the promise of your Father from everlasting unto everlasting." (1985 *Pearls of Wisdom*, vol. 28, no. 23) (3) **That cup of light, which we shall celebrate here.** Gabriel is referring to the upcoming Easter conference entitled *Feast of the Resurrection Flame with the Lord Jesus Christ*, held at Camelot April 2–6, 1980. Good Friday was April 4 and Easter Sunday was April 6. (4) **"More light!" was the call of the Lord many months ago.** This is likely referring to the dictation by the Goddess of Liberty given on February 26, 1980, published as *Pearl of Wisdom*, this volume, no. 7. (5) **In celebration of the resurrection of the Lord Jesus Christ.** See note 3. (6) **The leader of their bands will deliver to you that message of the Holy Spirit.** On Good Friday, April 4, 1980, the Angel of the Cosmic Cross of White Fire gave a dictation explaining that "in this hour it is not one cross upon a hill, but one hundred and forty and four thousand cosmic crosses of white fire implanted in the earth as the markers of life, eternal life, unto the sons and daughters of God. . . . And lo, the cosmic cross of white fire is superimposed in the mighty figure-eight flow of your own mighty I AM Presence and God Self, the beloved Christed One, the beloved soul. . . . There is a rising of the mighty current of the ascension flame from the base unto the crown, from the white-fire core of your mighty I AM Presence unto your very heart." Wings of Hope To the Archeia of the Fourth Ray

Wings of Hope, enfold our planet 'round
Wings of Hope, bring freedom's joyful sound
Bells of peace and joy they ring
Make all life arise and sing.
Resurrection's flame of beauty bright
Raise our earth victorious in Light
Wings of Hope from God's great heart
Love's forgiveness prove.

Wings of Hope of Cosmic Christ release
Transmute discord into heaven's peace
By the pow'r of your heart flame
Raise the earth in the I AM name.
Wings of Hope, protect God's Life in all
Free all elementals great and small
All Hope's courage now impart
To each beating heart.

Wings of Hope, we lovingly adore
God's perfection earth once knew before
Resurrect in worlds of men
God's perfection here again.
Central Sun, our source of Life so dear
Bless our Hope for bringing to us here
Wings of Hope that all may be
Free eternally.*
