

*Beloved Archangel Gabriel*

## **Preaching the Word of the Revolution of the Woman Clothed with the Sun**

I, Gabriel, send forth my light from the inner cube. I receive my messenger within that cube, and the walls of light are sealed! And many doors are sealed! And I send the disciples of the Lord to preach my Word in her name. I send the disciples of Lanello to preach my Word in his name, as that Word was preached by Isaiah and Jeremiah and the prophets.

Lo! I, Gabriel, come in the name of Uriel and the ascended master John the Baptist and the ascended lady masters and the men and women of God in heaven and on earth. I go forth.

I preach the Word of the revolution of the Woman clothed with the Sun, and I make it the revolution of every woman who is of God, who is born out of the light of Alpha and Omega.

## Preaching the Word of the Revolution of the Woman Clothed with the Sun

*“I AM in the Heart of the Cosmic Cube with the Mother”*

I, Gabriel, send forth my light from the inner cube. I receive my messenger within that cube, and the walls of light are *sealed!* And many doors are *sealed!* And I send the disciples of the Lord to preach my Word in her name. I send the disciples of Lanello to preach my Word in his name, as that Word was preached by Isaiah and Jeremiah and the prophets.

Lo! I, Gabriel, come in the name of Uriel and the ascended master John the Baptist and the ascended lady masters and the men and women of God in heaven and on earth. I go forth. I preach the Word of the revolution of the Woman clothed with the Sun,<sup>1</sup> and I make it the revolution of every woman who is of God, who is born out of the light of Alpha and Omega.

And this revolution for the eighties is not to be taken, nor will it be allowed, by the fallen ones. They will not take this revolution to their own and confute and confound the Word of God! For the Word of the LORD given unto me, the light of the white fire of Alpha and Omega, I transmit from the fiery core of each one's heart, from the inner chamber of the cosmic cube, from the very heart of our messenger. And that Word

*Preaching the Word of the Revolution of the Woman Clothed. . .* 152

of white fire, it goeth forth out of the mouth of the disciples who have followed the Word and the admonishment and the teaching and the exhortation and the rebuke and the love and the forgiveness.

Therefore, I come. And I empower as many who will be empowered by the light of the fourth ray of the Holy Spirit and of Astrea and of Purity and of Hope that does abound in the earth, and of Serapis Bey and of the white fire of the Mother! Therefore the Word does go forth and it shall be for the quickening, the chastening, and the conversion of souls! So be it!

I send my Word! I send the chelas of the path of the ascension! And I am with you as I speak through you the light of Omega's manifestos on the issues of the decade!<sup>2</sup>

**Go Forth!**  
**I AM with You!**

Go forth! For this is my anointing and my blessing to all men and women of the Spirit who will follow the messengers and understand that it is the hour of the mighty wave of light from out the Great Central Sun. Go forth, my beloved! I AM with you! I AM with you! I AM Gabriel of the light! I dwell in the bosom of God and now in the bosom of the chelas of Serapis!

Now understand why he has come and why he has drawn you into the Ascension Temple.<sup>3</sup> It is so that you might be prepared for the coming of Gabriel into your heart. Therefore my angels complete the preparation and they sweep the threshold so that I may enter and be the voice of the prophet, the voice of Alpha unto Omega echoing across the cosmos and released midpoint in the heart of the sons and daughters of God.

Go forth and pursue the lamp of wisdom by sacred fire ascension current! Let wisdom be ignited in all hearts! For this is the hour of the fourteen-month cycle of ascension's flame<sup>4</sup>

amplifying the mighty band of illumination that comprises all of the God consciousness of the sons of God.

Go forth in my name! I go forth in thy true name, the inner name that thou shalt know in the hour of thy calling to the Great Throne Room.

So remember, I AM in the heart of the cosmic cube with Mother.

*"The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom."* This dictation by **Archangel Gabriel** was previously published as a "Radiant Word" in the 1980 *Pearls of Wisdom*, vol. 23, no. 29, and was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, August 3, 1980**, during the Sunday service at Camelot, Los Angeles County, California. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. Books, audio, and video products are available at [Store.SummitLighthouse.org](http://Store.SummitLighthouse.org). The widest selection of audio files, including dictations, is available at [AscendedMasterLibrary.org](http://AscendedMasterLibrary.org). **(1) The revolution of the Woman clothed with the Sun.** On August 10, 1980, the messenger explained that the current "stump," or lecture series, being implemented in several states

across the country called "The Woman's Revolution of the Eighties" is "the revolution of the Woman clothed with the Sun, the Divine Mother in all of us. It is her revolution. It is her answer to the statement in the Book of Revelation that the dragon was wroth with the woman and went forth to make war with the remnant of her seed (Rev. 12:17), and because she does so, the woman begins the revolution. And the revolution is to expose the warfare of the dragon against the children of the light, how they conduct their warfare. And so this is Omega's revolution. It's the revolution of every ascended lady master. It's also the revolution of every son and daughter of God in defense of the Mother flame in the hearts of everyone." The messenger also explained that Sanat Kumara gave to her the thoughtform for this woman's revolution and described it as "the Divine Mother, or a woman, holding the child, and they are in the figure-eight pattern. You can draw the figure eight right over it and see the "x" of the figure eight flowing through the mother's heart chakra." Sanat Kumara then said with immense power, "The hand that rocks the cradle is still the hand that rules the world!" **(2) Omega's manifestos on the issues of the decade** is referring to a series of exposé lectures delivered by Elizabeth Clare Prophet entitled Mother's Manifesto, which includes "The Religious Philosophy of Karl Marx and the Economic Philosophy of Jesus Christ," and "Marijuana: The Death Drug." See *Pearl of Wisdom*, this volume, no. 6, note 4, for a full list of the lectures. **(3) He has drawn you into the Ascension Temple.** This may be referring to the dictation by Serapis Bey on February 26, 1980, in which he said, "Therefore in my assessment of life in general and life in particular within your soul, I have seen what is necessary for you to feel that fulfillment at the conclusion of this incarnation, when you will come to Luxor and the council of initiates of the ascension flame will review whether or not all that the Karmic Board has assigned to you has been completed and therefore you may then enter the preparations for the soul's assimilation into the ascension flame." (*Pearl of Wisdom*, this volume, no. 6) For a description of Serapis Bey's retreat, which is located on the etheric plane over Luxor, Egypt, see *The Masters and Their Retreats*, pp. 421–24. **(4) The hour of the fourteen-month cycle of ascension's flame.** A fourteen-month cycle began at winter solstice in 1978, initiated by Serapis Bey for "the passing through of your lifestreams on the fourteen stations of the cross of the Woman and her seed" and for the increase "of the great white sphere of your individual causal body surrounding the light of Alpha and Omega." The messenger explained: "The fourteen months was the cycle of the fourteen stations of the cross—twelve lines, and then the return—twelve lines of the [cosmic] clock and then the return to the heart of Alpha and Omega." The messenger further explained that the next beginning of the fourteen-month cycle was under the hierarchy of Aquarius, the one o'clock line of the cosmic clock, and ran from February 19, 1980, to April 19, 1981.
