

Beloved Archangel Uriel
Archangel Uriel
in the Heart of Belfast

I AM Uriel, Archangel of the Judgment, and I come in the name of Jesus. I come in the name of the universal Christ, who is also thy heart and in thy heart. For I answer the Word of God above and the Word of God below in the hearts where the blazing fire, white in its purity and reflection of the wrath of God, does swell and become the white rose tinged with the ruby ray. And therefore it is the blood of Christ and his body, as the light of Alpha and Omega within you, that shall redeem the saints and those who have stood, though beaten down, though threatened as Saint Patrick.

Patrick, Patrick, my own dear son of light, how I have also stood with thee and with saints in every nation who have become heroes in the cause of the Great White Brotherhood.

I summon thee, O soul of light, Mother of the World and daughter of Zion. O precious hearts, understand the presence of thy soul as the reflection of Omega.

Beloved Archangel Uriel

September 15, 2026

Archangel Uriel in the Heart of Belfast

Lower thy hand, O maiden of God. Daughter of Zion, let the judgment of the Mother be upon those who oppress my people. The people of God on earth cry out for the living witness, and you have borne my witness this day.

I AM Uriel, Archangel of the Judgment, and I come in the name of Jesus. I come in the name of the universal Christ, who is also thy heart and in thy heart. For I answer the Word of God above and the Word of God below in the hearts where the blazing fire, white in its purity and reflection of the wrath of God, does swell and become the white rose tinged with the ruby ray. And therefore it is the blood of Christ and his body, as the light of Alpha and Omega within you, that shall redeem the saints and those who have stood, though beaten down, though threatened as Saint Patrick.

Patrick, Patrick, my own dear son of light, how I have also stood with thee and with saints in every nation who have become heroes in the cause of the Great White Brotherhood.

I summon thee, O soul of light, Mother of the World and daughter of Zion. O precious hearts, understand the presence of thy soul as the reflection of Omega.

Therefore, I speak to the Mother in all and to the flame in the earth that is the white fire of the sun. I speak to all of heaven, for it is the hour of the presence of the Mother in her own, midst the very children of the Sun, to deliver the word of the archangels. Let it be done, therefore.

We have been summoned! We have heard! And the Word above and the Word below are one—one reflection of the God of very gods! We therefore also enter Ireland. We come in the light of distant suns and origins of lightbearers. We come to claim our own.

Let the Women of the World Rise Up and Refuse to Give Birth to the Fallen Ones

Therefore according to the power of Mary, Divine Mother and Virgin blest, according to her heart we also let the right hand of God descend and the judgment be upon those denizens of death and hell that have entered earth, mind you, conceived by the very anger and pride of those in embodiment. And therefore the hellions do beget like unto themselves, and the seed of the fallen ones is given life in malice and in ignorance and, above all, in sympathy to their cause and by the impelling attraction of their many masks. Thus, beloved hearts, let the women of the world rise up and *refuse* to give birth to the fallen ones!

Thus, you understand how necessary it is to keep the vigil of the ascension service on Friday evening.¹ For during this service, beloved hearts, legions of Astrea and Gabriel and Serapis and all of the hosts of angels come for the binding of the seed of the fallen ones whose time is up!

You may make this call for the binding of the fallen ones who have passed from the screen of life whose time is up and therefore who must be bound and taken to the Court of the Sacred Fire for judgment. When the call is not forthcoming, these fallen ones urgently seek some manner to be born again

in the flesh and therefore to escape that Final Judgment by entering through some opening of mortal consciousness like their own.

The Will of Those in Embodiment Is Very Key and Important as to Who and What Shall Embodiment on Earth

Thus each week it is necessary that there take place a harvest of souls of light to enter the octaves of light and the retreats and cities of light so that they might receive an acceleration for their next incarnation. For it is the desire of Alpha that these lightbearers do not reembody except having passed through the etheric octave, and they too require the call from those who are members of the Order of the Golden Lily² under the Lords of Karma and the Goddess of Liberty, the sponsor of this mighty service.

The harvest must include the harvest [that is carried out by] the reapers, who come to bind the tares that can be removed because no further incarnation is due them. For they have spent and spent again the last option of the Karmic Board and the hierarchies of light, some having done their deathly deeds, their despicable deeds for hundreds of thousands of years without remorse or desire for self-correction, though they will always give the appearance (to gain a little more time) that perhaps they may be swayed or become sympathetic to the Brotherhood.

Believe them not, but let their actions show proof of what cause they represent. Beloved hearts, just as they manipulate while in life, so they manipulate from the astral plane. As like attracts like, where there are beds of sin and hell and anger and violence, so there the seed of the lowest order may reembody.

Now you understand that the will of those in embodiment is very key and important as to who and what shall embody on earth. Therefore, if parents keep their consciousness attuned in the light of the Holy Spirit—ministering servants, as the

Essene community—as they keep themselves as a chalice of the Holy Spirit, they can be assured, by the blessing of Almighty God and his Church, that their offspring will come forth from the highest octaves. But if they seek not that consecration, that Holy Grail, that Communion Cup, if they come not before the altar and do not revere marriage as the sealing on earth of that which is made in heaven, there is not a circle of protection that seals the mighty seed and the egg and the womb for the entrance of the soul of light.

Take heed, then, lest in anger or violence you create anything or begin any project or attempt, therefore, to serve God. For these ends are not justified by the means, and the means do not justify the ends. Thus, beloved hearts, an immaculate chalice and a life of purity will seal you and protect you from unwittingly being in a warfare of Armageddon.

To Be the Ministering Servant Means to Be the Guardian of the Light

I AM Uriel and I AM with Kuan Yin, also the sponsor of those coming into life and those who will reembody no more.

I seek ministering servants of the sixth ray who will understand that to be the ministering servant means to be the guardian of the light and the light evolutions upon earth. Let them not steal the light, whether in death or in life or from the astral plane or the physical octave. See that you are a channel of Christ-purity always, and therefore all things touched by thy hands, thy mind, thy heart shall be consecrated, not merely by the formality of consecration but overwhelmingly by a life that is lived in devotion, adhering to the great law of love in all hours of the day and the night.

Seal thyself, therefore, from the place where evil dwells,³ for you yet inhabit a planet where there is grave darkness and danger to the souls of all. Think not that the fires of hell would desire to leap and lick against the children and the holy ones of

God in revenge and in their own terror of their own judgment.

Realize that this world has the highest octaves of heaven actually physically externalized in the hearts of the saints, as well as the depths of hell, which come as riptides through the astral bodies of those who do not guard and keep the flame.

I Speak to You from the Very Heart of Belfast and the Very Heart of the Holy Grail

I AM Uriel, and I speak to you from the very heart of Belfast and the very heart of the Holy Grail. I stand at the altar here and I stand there, and my message is to all of the faith of Christ, of Buddha, of the law of Moses and of Mohammed. I speak to those who love and adore the fire of Zarathustra and the practical application of the Law in God-government by the life of Confucius.

Precious hearts, all avatars of all ages have loved their own, and these own come now to the fore in incarnation to redeem their teachers, their beloved sponsors, those who have ignited their own flame. Indeed, as such, you are the children of the Sun, of the Great Central Sun, and of the sons of God.

Your love for those who have loved you is very great indeed, and this does explain in part the wondrous union you experience here. For you have seen at inner levels the generations and the centuries and the millennia of those who have gone before who have loved you, with whom you have served and have come to understand the Path.

Thus in this hour of overcoming, as you gather together here and there across the earth in your finer bodies, you may truly give your gratitude to those who have stood, many times alone or with few supporters, and who have gone before you.

You Can Be Anywhere on Earth

You are grateful and we are grateful to be able to gather in the name of Saint Patrick on behalf of his own, to see to it,

as Abraham Lincoln did say, “that these dead shall not have died in vain.”⁴ Thus, we say that these living saints shall not have lived in vain!

We do stand in this hour and we raise both of our hands and the mighty scepter of God and that rod of power and we drive back World Communism! We drive it back by the power of the Holy Ghost! And you will know the power of God if you will only exercise it and see how the fiat into the day and into the night here and there, even without a formal session but simply spoken from your lips, will bind these terrorists and these murderers and assassins in every nation.

Our armies and legions of light summon you to join us in the etheric octave, not alone while you sleep but into the day itself. You can be anywhere on earth through the mighty causal body of your own Lanello, who is indeed holding the flame in many areas. But by a call to him, but by a fiat, but by an image and an awareness of a point in Nicaragua or El Salvador or Honduras or Mexico City, you can be there in an instant! It takes no time!

You know how quickly you can think of a loved one and see a smiling face, and in a moment you are there. Therefore, be everywhere on earth, and let the angels attend thy goings and thy comings. Speak to the devils and let them be bound. For I, Uriel, shall bind them in thy name! I, Uriel, shall bind them in the name of the living Christ of thy own heart! And therefore the record is kept. And therefore the victory of Kuan Yin is thine own.

You who are putting on her mantle will soon discover the power of the Avalokiteśvara, the power of the Buddha, and the power of the Padma Sambhava. You will understand that the chain of hierarchy does reinforce, by the increasing power of higher spheres, the one individual who stands in the nexus in the physical octave—that one individual being you, the disciple, or any disciple anywhere on earth.

You have behind you the power of the Holy Ghost of all predecessors on the path of discipleship that you follow, and as you understand it, you follow the ways of many of the masters. For in this hour, the synthesis of the teachings of the Great White Brotherhood enables you to walk three hundred and sixty degrees from the center of your own circle of Christhood, each degree a path of one who has gone before, and these many paths leading to the one Central Sun, of Sanat Kumara, Ancient of Days, of Alpha and Omega, Elohim of God.

**The Divine Judgment Has Descended upon the Evil Ones
in Northern Ireland and the British Isles**

Therefore, beloved hearts, know this day that the power of Mary in the divine judgment has descended upon the evil ones, as you have required it, in Northern Ireland and the British Isles. As you have required it, so it is done.⁵ For the Lord Christ has given to his apostles (and you are counted among them) the power, therefore, to retain that sin, to remit it; the power to forgive and to be the instruments of the judgment of the Word.

So long as the power of love reigns within you, and you stand before Almighty God, you may be certain that according to thy will committed unto him, the Word itself will be the judge, dividing Light and Darkness, separating out all that is unreal, and binding the oppressors of God's people everywhere. Even so, according to thy call, O holy ones of God, is the oppressor of the saints and the mystical body of God bound!

In the name of Jesus, I say: Depart from me and thee! Depart, ye despisers of the Word, ye betrayers of the Word! Be bound by the LORD's host! For the kingdom of God on earth is rising and the little ones shall know the eternal God in their own vision of the I AM Presence.

Thus, let each one confirm and witness to his own God Presence and to the truth that I speak.

**Let the Woman and Her Seed Fulfill
the Prophecy of the Age**

I AM Uriel of the Sun, angel of Helios and Vesta and of the Christ consciousness ever blazing. In my office, I AM the power of Light that consumes the Anti-light, and I AM the defender of the least of these my brethren.

Therefore, let the Woman and her seed fulfill the prophecy of the age. For it is an open highway, the highway of our God, and the saints may tread upon it in glory and in victory.

I AM Uriel. In the name of Gautama Buddha, the right hand does descend for the judgment of the betrayer of the Word.

In Jesus' name I serve, beloved, at this altar and the altar of thy heart.

Keep the flame of God's harmony, and therefore find me always.

"The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom."
This previously unpublished dictation by **Archangel Uriel** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, March 18, 1984**, during the Saint Patrick's Day Sunday service. [N.B. Bracketed words have been added for clarity in the written word.] (1) **The ascension service on Friday evening.** Beloved Zarathustra has spoken of the importance of the ascension service. On March 31, 1985, he said, "I would direct your attention to the

fact that in this hour many pass from the screen of life in war or through famine and disease. Your Friday night service, the Order of the Golden Lily, under the Goddess of Liberty and dedicated to the ascension, was also instigated at the request of the Lords of Karma because of the great necessity for the weekly clearance of the planetary body of discarnates—those who pass from the screen of life whose astral sheath and lower bodies are yet earthbound. In order for us to make progress in the light, there must be the binding of these discarnates. There must be the calls made for the directing of these souls of light by the power of the mighty archangels to the retreats of the Great White Brotherhood. Let the earth, the astral plane, the mental belt, and the etheric body therefore be cleared utterly and completely, week by week, so that when the day dawns on Saturday, the forces of freedom may march unencumbered and uninhibited by yesterday's responsibility, having to become the cleanup committee to clear the way of this astral debris and therefore not being able to function purely in the defense of freedom and for the rescue of souls of light on earth. Blessed ones, there is a time and a place for all who pass from the screen of life. Some must be taken to the retreats of the Great White Brotherhood and some there are whose time is up who must face the Final Judgment. Some prepare for reincarnation in the retreats on the etheric plane. Some pass through the mystery of the ascension in the light after many weeks or months under the tutelage of Serapis Bey and others. Understand that the calls given in the service on Friday evening are for each one to be in his proper place and for the remaining families and relatives to be delivered of their grief and mourning and their burden by the attachment to the discarnate and departed one, who himself or herself is not free to move on in spiritual evolution under the emotional pull of remaining family members." (1985 *Pearls of Wisdom*, vol. 28, no. 17) (2) **The Order of the Golden Lily.** The Goddess of Liberty founded the Order of the Golden Lily in a dictation given on July 7, 1963. In this dictation, she placed the symbol of the golden lily over the hearts of those who would accept the responsibility of assisting the Goddess of Liberty to "lift the torch" of illumination to all mankind, both in and out of embodiment and to cut free all souls trapped in the astral plane. The ascension service is dedicated and consecrated to the purposes of the Order of the Golden Lily. To affiliate with this order, see "The Order of the Golden Lily" at HolyOrders.org. (3) See Rev. 2:13; 20:1–3. (4) **"That these dead shall not have died in vain."** These words were said by Abraham Lincoln during his Gettysburg Address, delivered November 19, 1863, at Gettysburg, Pennsylvania. (5) **As you have required it, so it is done.** Prior to this dictation, the messenger conducted a prayer vigil for Ireland, focusing on the violence fomented by the Irish Republican Army (IRA) in their attempt to drive the British out of Northern Ireland. In 2005, the IRA formally ended its armed campaign. Currently, the "New IRA" maintains a low-level, yet violent campaign to end British rule by attacking the Police Service of Northern Ireland and the British army.

Beloved Uriel Archangel of the Sixth Ray

Uriel, Uriel
In thy love we all dwell
As thou comest in God's name
Bringing ministration's flame.
For the souls of all men
Shall be raised into heaven
As the Christ from above
Bathes the earth in his love.

Uriel, Uriel
All in heaven now tell
Of the pow'r of freedom's might
To raise earth to heaven's height.
Saint Germain, gracious king
Freedom's bells clearly ringing
Tell of God's holy plan
Freedom for ev'ry man.

Uriel, Uriel
Freedom's friends love thee well
For thy freedom, joy, and peace
Ever bringing earth release.
We call forth blessings now
To God's victory winning
As above angels sing
To God's harmony bring.

Uriel, Uriel
Let all hear freedom's bell
As its mighty, holy sound
Now is heard the world around.
Now the dawn, golden age
Cradles God's seventh race
I AM Presence of Life
Set all free by thy might.*
