

ROSARY *for the* NEW AGE

I will never leave you who give that
rosary each day. I cannot leave, for
you by your devotion have established
my Presence around you. Blessed are
ye who know me truly and desire to
be myself in form. I am Mary,
mothering the flame of God within
you, mothering the God-manifestation.

Mother Mary, October 10, 1992

ROSARY

for the **NEW AGE**

The Divine Mother is the representative of the feminine aspect of God, the counterpart of the Divine Father. As a spiritual mother, she is intimately involved in the joys and trials of her children on earth. She extends her love and nurturing to all as she gives guidance for the path of self-transcendence.

Devotees East and West revere the Divine Mother in her many manifestations. In the Christian tradition, she is known as the Blessed Virgin. In the Buddhist tradition, she appears as Kuan Yin, the Goddess of Mercy. And in the Hindu tradition, she comes as the divine shakti, the feminine counterpart of a Hindu god— showing herself in many forms, including Sarasvati, Lakshmi, Parvati, Durga and the Maha Kali.

Throughout the two thousand years since her embodiment as the mother of Jesus, Mother Mary has been appearing to her devotees. She has taught those who seek her help to pray the rosary. Through Elizabeth Clare Prophet, in the twentieth century she released a rosary for the new age of Aquarius.

Building toward this age, God has released increasing awareness of Divinity. This awareness progresses in two-thousand-year cycles, or ages. Each of these periods brings the realization of a unique aspect of God. Two thousand years before Christ, the age of Aries began, bringing with it the understanding of God as the Father

and the Lawgiver. In Pisces, Jesus exemplified God's nature as the Son. He taught compassionate wisdom and the opportunity for all to follow in his footsteps. As he was the Son, the Christ, so we too can become Sons and Daughters of God. Aquarius brings the awareness of God as the Holy Spirit and the Mother. It is the age of the divine feminine and the raising up of the Mother light and her flame within all of her children.

This rosary is a fifteen-minute scriptural rosary for children and adults. It can be given by people of any faith. For this new age version, Mary requested some changes from the traditional Catholic form:

She asked that in the Hail Mary we call ourselves not sinners but sons and daughters of God, affirming that we shall have our "victory over sin, disease and death," as Jesus had.

Similarly, in the "I AM Lord's Prayer," we are not only calling for God's light and blessings to come to us but also recognizing that the Divine is within each of us and is acting through us.

"The Keeper's Daily Prayer," at the beginning of the rosary, is a universal creed which centers consciousness on God's light and love, rather than merely on doctrine.

In this rosary, the verses from the scriptures are read by the conductor. The Hail Mary and the other prayers are given in unison by the participants. The readings are drawn from Hebrews and from the epistles of Paul, John, James and Jude.

SIGN OF THE CROSS

THE KEEPER'S DAILY PRAYER

by Lady Master Nada

A flame is active—
A flame is vital—
A flame is eternal.

I AM a God flame of radiant love
From the very heart of God
In the Great Central Sun,
Descending from the Master of Life!
I AM charged now
With beloved Helios and Vesta's
Supreme God consciousness
And solar awareness.
Pilgrim upon earth,
I AM walking daily the way
Of the ascended masters' victory
That leads to my eternal freedom
By the power of the sacred fire
This day and always,
Continually made manifest
In my thoughts, feelings,
 and immediate awareness,
Transcending and transmuting
All the elements of earth

Within my four lower bodies
And freeing me by the power
of the sacred fire
From those misqualified foci of
energy within my being.
I AM set free right now from all
that binds
By and through the currents of the
divine flame
Of the sacred fire itself,
Whose ascending action makes me
God in manifestation,
God in action,
God by direction and
God in consciousness!
I AM an active flame!
I AM a vital flame!
I AM an eternal flame!
I AM an expanding fire spark
From the Great Central Sun
Drawing to me now every ray
Of divine energy which I need
And which can never be requalified
by the human
And flooding me with the light
And God-illumination of a
thousand suns
To take dominion and rule
supreme forever
Everywhere I AM!
Where I AM, there God is also.

Unseparated forever I remain,
Increasing my light
By the smile of his radiance,
The fullness of his love,
The omniscience of his wisdom,
And the power of his life eternal,
Which automatically raises me
On ascension's wings of victory
That shall return me
to the heart of God
From whence in truth
I AM come to do God's will
And manifest abundant life to all!

CALL TO THE FIRE BREATH

by Dwal Kul

I AM, I AM, I AM the fire breath of God from the heart of beloved Alpha and Omega. This day I AM the immaculate concept in expression everywhere I move. Now I AM full of joy, for now I AM the full expression of divine love.

My beloved I AM Presence, seal me now within the very heart of the expanding fire breath of God. Let its purity, wholeness, and love manifest everywhere I AM today and forever.

I accept this done right now with full power! I AM this done right now with full power! I AM, I AM, I AM God-life expressing perfection all ways at all times. This which I call forth for myself I call forth for every man, woman, and child on this planet.

I AM LORD'S PRAYER

by Jesus the Christ

Our Father who art in heaven,
Hallowed be thy name, I AM.
I AM thy kingdom come
I AM thy will being done
I AM on earth even as I AM in heaven
I AM giving this day daily bread to all
I AM forgiving all life this day even as
I AM also all life forgiving me
I AM leading all men away from temptation
I AM delivering all men from every evil condition
I AM the kingdom
I AM the power and
I AM the glory of God
 in eternal, immortal manifestation—
All this I AM.

*The conductor reads seven Bible verses followed by
participants' saying the Hail Mary.*

Holy Mary, Mother of God,
Pray for us, sons and daughters of God,
Now and at the hour of our victory
Over sin, disease, and death.

SIGN OF THE CROSS

In the name of the Father and of the Son
and of the Holy Spirit, in the name
of the Cosmic Virgin, Amen.

OPTIONAL CONSECRATION OF THE ROSARY

You may consecrate your rosary to whatever country
you feel is in need of the healing love of the Divine
Mother using the following prayer:

In the name of my Mighty I AM Presence and
by the authority of the Vicar of Christ, I consecrate
[name of country] and all the energies of her people
to the Immaculate Heart of Mary.

The background is a solid teal color with a repeating pattern of white stars and swirling, floral-like motifs. The stars are of various sizes and are scattered throughout the design. The swirls are intricate and resemble stylized floral or scrollwork patterns.

Mercy is the love that allows the
brokenhearted to pick up the pieces
of shattered, battered lives and to
begin again. So long as mercy's
immortelle is the floral offering
extended hand to hand, heart to heart
in love's embrace, the burdens of
all that's unreal can be mended
and transcended.
