**The Meaning of the Call to Come Back Home**  
Presenter – Carla Healy  
*We all have a special calling in this life. We resonate with it because of an inner soul-knowing and our attainment from past lives. We discover there is a lineage of ascended masters who bring us back to the heart of God. Padma Sambhava plays an important role in this lineage—he prepares us for the modern-day path of Buddhahood and Christhood. To empower us on this path, Saint Germain gives us new tools and teachings that relate to the ancient wisdom teachings of Hinduism, Buddhism and Christianity. Padma Sambhava and the ascended masters are our tutors, teachers, and gurus on this path to achieve our highest potential and return home to our Father/Mother God. Discover your true calling in life and how to achieve it. Welcome to the greatest adventure: the spiritual path of initiation.*

The Master Omri-Tas, in his dictation, asked the Messenger to read this chapter from the Bible. As she reads it, she sheds light on the deeper meaning for us of Jesus' words. Be comforted and gain a more profound understanding of our calling in this hour. It is not a time to fear. The Ascended Masters refer to this unique time as “the Dark Cycle.” The Master Saint Germain, always the prophet and seer, saw this time coming and prepared a new land for the I AM Race – called America. He called the souls of the 144,000—a mystical number representing the souls ready for the fulfillment of their destiny and their ascension in the light. How are we doing in these dawning days of the new age? How can we be part of “the great upsweep” of Light that El Morya calls us to? How can we be champions of freedom in our daily lives? How is the Age of Aquarius showing up in our lives today? Discover your important role in answering the call of Padma Sambhava, Saint Germain and El Morya. These are exciting times!*

*There is an alchemy that takes place in our four lower bodies when we step on the path of the Great White Brotherhood. You are charting a course to undo what you have done for many, many thousands of years. This involves passing through the "bitter sea" of karma, being tested and initiated in order to carry more Light. It is for the purpose of gathering the lost fragments of our soul and magnetizing those fragments to our Holy Christ Self for safekeeping. When fragments are magnetized back, the soul is restored to her wholeness and can be kept intact as the waiting bride of her Holy Christ Self. This is a great boon for us on the spiritual path.*
