Delivered in North Hollywood, California February 9, 1988  
*The Age of Aquarius is upon us! This cosmic age brings many challenges as well as amazing opportunities to come up higher in consciousness and experience our own Divine Presence. Change is the order of the day. The Light from the Great Central Sun impels us higher, into a new oneness with God, into a new culture of compassion and brotherhood, and into a greater understanding of individual and world freedom. In one of her international lectures, Elizabeth Clare Prophet*

explains how we can integrate with the new spiritual frequency of Aquarius, hold more Light in our chakras, and move with the winds of the Holy Spirit.

The goal of souls of light is to raise the vibration of earth to be congruent with Freedom's Star. When this happens, we will be living in the Golden Age. You have a special role in this destiny. The purpose of this relationship is to transfer the mantle and Christ consciousness of the guru to the chela. Discover the stages of this relationship from first contacts to full empowerment. - 5:20 pm      **Celebration of Holy Communion and Love Offering**  
*Jesus gave us the spiritual gift of Holy Communion at the Last Supper. Communion is a sacrament, and all are welcome to partake of it. Sacrament means "to make holy." We are made holy when we receive the consecrated bread and wine (grape juice). When the communion blessing is recited, Jesus or any master transfers the light and consciousness of the Father/Mother God, Alpha and Omega to the bread and the wine. They are consecrated and made holy. This is known as the ritual of transubstantiation, which means the change of substance or matter. This same action takes place in us when we invoke the violet flame. You will need to have some bread and grape juice on hand for this ritual. Remember the mantra, I and my Father are one. I and my Mother are one.*

fragments to our Holy Christ Self for safekeeping. When fragments are magnetized back, the soul is restored to her wholeness and can be kept intact as the waiting bride of her Holy Christ Self. This is a great boon for us on the spiritual path. Experience a new level of spiritual wholeness.
