

CALLING FOR VOLUNTEERS

In-Action

Keen to Serve the Light?

Help fulfill the mission of the Ascended Masters!

Whether you are looking for remote or on-site opportunities, part-time or full-time, there's a place for you to contribute and grow spiritually.

Every volunteer contribution creates a positive, nurturing, and sacred space for spiritual seekers!

The need for harmony and love between all the masters' chelas united in a common effort cannot be overemphasized. Working and serving together, we form a mandala of light through which the masters of the Great White Brotherhood will awaken humanity.
