About The Summit Lighthouse®

Are you interested in the exploration of reality, pursuing individual self-mastery, and finding points of commonality in the mystical paths of the world's religions? The Summit Lighthouse is a worldwide spiritual organization that helps spiritual students find their way out of human problems and reconnect to their inner divinity. We publish teachings of the ascended masters so explorers like you can use them to accelerate your spiritual path.

What are these teachings? Over the last 150 years, the ascended masters brought to mankind's attention the spiritual concept of restoring the connection with our Divine Self or I AM Presence by balancing our karma. They also gave practical instruction on how to reconnect with one's twin flame and soul mates. With their guidance, you can accelerate your journey of soul liberation by using the power of the spoken word, violet flame, and meditation.

The Summit Lighthouse is the go-to place for information on the long-rumored brotherhood of light that appears in times of need to help mankind. What is this brotherhood? The Great White Brotherhood is comprised of ascended beings who, like Jesus Christ and Gautama Buddha, lived on earth, balanced their karma and reunited with their Divine Presence in the ritual of the ascension. Today this growing body of work, spanning a wide variety of spiritual topics, helps souls like you and me master ourselves in order to become our Real Self. As you read these books, if you feel a kinship with an ascended master or archangel, don't be surprised, we've all known and learned from them in past lives.

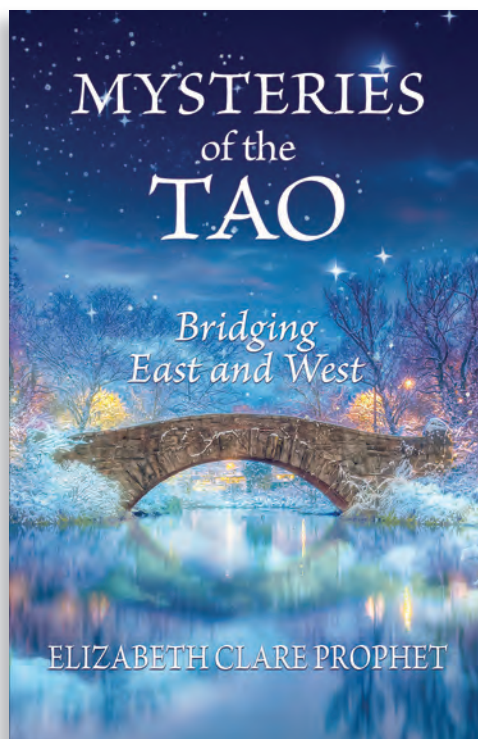

The Summit Lighthouse international headquarters is at the Royal Teton Ranch, a spiritual retreat in the Rocky Mountains, just north of Yellowstone National Park. We welcome you to drop by for a chat and enjoy our beautiful mineral-rich Yellowstone Hot Springs—an unforgettable experience on the picturesque banks of the Yellowstone River.

MYSTERIES OF THE TAO

Bridging East and West

For centuries, spiritual seekers in the West have sensed that the great world religions are speaking the same truth in different languages. *Mysteries of the Tao* is the book that finally proves it.

Drawing on multiple scholarly translations of the Tao Te Ching and weaving them together with the teachings of Jesus Christ, Gautama Buddha, the Christian mystics, the Sufi poets, and the Hindu sages, this richly layered work guides readers through the deepest Taoist principles, including the nature of the Tao as the Great Mother, the meaning of virtue as inner power, the mystery of non-being, the practice of wu wei, and the path of the Perfect Man and Perfect Woman. The result is a transformative roadmap for anyone who wants to stop searching for God outside themselves and discover the inexhaustible divine source already burning in their own heart.

SAINT GERMAIN: A SECRET HISTORY

Shakespeare and the Last Tudor Prince

(Formerly titled, *Secrets of the Golden Age Prince: Francis Bacon*)

Heralded by a supernova, a hidden prince grew up in the shadow of the English court. Secretly born to Queen Elizabeth I, Francis Bacon lived a double life of breathtaking magnitude. Denied his rightful throne, he chose instead to build an empire of wisdom, creating cultural, scientific, and philosophical foundations for a coming Golden Age. Yet his true identity would remain largely concealed for over 400 years.

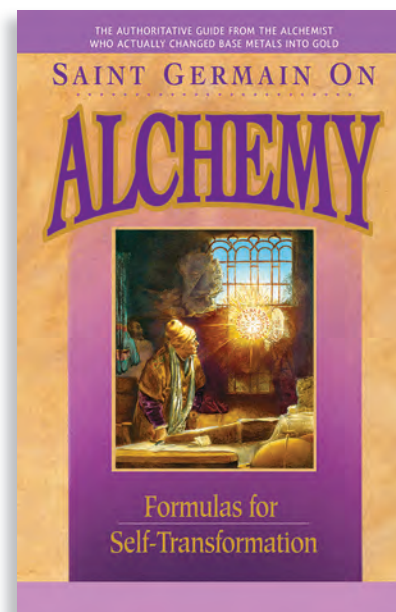

The Man Behind the Shakespeare Mask: Through careful ciphers, symbolic clues, and collaborative genius, Francis orchestrated the greatest literary deception in history—the Shakespeare plays. Working with his “good pens,” including Ben Jonson, he elevated the English language, taught profound spiritual truths, and left encrypted messages for future generations to discover. Delve into how this literary master shone his light through borrowed names and gave us initiatory tools for spiritual transformation.

From Tudor Prince to Ascended Master: But Francis’s mission extended beyond literature and even beyond his physical life. As the hidden architect of Freemasonry and the Rosicrucian Order, he planted seeds of freedom and spiritual brotherhood that would blossom into the United States’ founding. Meet the magnificent soul who chose service over sovereignty, wisdom over worldly power, and ultimately transcended physical death to become the “Mystery Man of Europe,” and the Ascended Master Saint Germain.

Go beyond reading the historical revelation. Use it as a blueprint for your spiritual attainment.

FALLEN ANGELS AND THE ORIGINS OF EVIL

Why Church Fathers Suppressed the Book of Enoch and Its Startling Revelations

Did rebel angels take on human bodies to fulfill their lust for the “daughters of men”? Did these fallen angels teach men to build weapons of war? That is the premise of the Book of Enoch, a text cherished by the Essenes, early Jews and Christians but later condemned by both rabbis and Church Fathers.

Elizabeth Clare Prophet examines the controversy surrounding this book and sheds new light on Enoch’s forbidden mysteries. She demonstrates that Jesus and the apostles studied the Book of Enoch and tells why Church Fathers suppressed its teaching that angels could incarnate in human bodies. Contains Richard Laurence’s translation of the Book of Enoch, all the other Enoch texts (including the Book of the Secrets of Enoch) and biblical parallels.

REINCARNATION: STORIES OF MERCY AND RESOLUTION

Karmic Revelations of Eight Influential People with Elizabeth Clare Prophet

(Formerly titled, *9 Cats 9 Lives*)

FDR, Al Capone, Henry Ford . . . What were they doing on Atlantis? And how did that set the stage for future lives? Elizabeth Clare Prophet penetrates the veils of *akasha* to reveal the past lives of individuals who helped shape the modern world. As she traces threads of karma, we see how their choices in many lives set their destiny and the karmic challenges they would face in the twentieth century. The stories are intriguing. More importantly, they show that while karma may determine the cards we are dealt in life, we each choose how we will play our hand. We can rise to our higher calling and balance our karma—or wrap ourselves more tightly in its bonds. The message is that we can *transcend* our past—and our past lives—and find a new freedom and joy in life each day.

This groundbreaking work makes the case that Jesus taught reincarnation and traces the history of reincarnation in Christianity—from Jesus and early Christians through Church councils and the persecution of so-called heretics. Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts, it also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within. —Robert S. Ravičz, Ph.D., Professor of Anthropology,

Ancient texts reveal that Jesus spent 17 years in the Orient. They say that from age 13 to age 29, Jesus traveled to India, Nepal, Ladakh and Tibet as both student and teacher. For the first time, Elizabeth Clare Prophet brings together the testimony of four eyewitnesses—and three variant translations—of these remarkable documents. She tells the intriguing story of how Russian journalist Nicolas Notovitch discovered the manuscripts in 1887 in a monastery in Ladakh. Critics "proved" they did not exist—then three distinguished scholars and educators rediscovered them in the twentieth century. Now you can read for yourself what Jesus said and did prior to his Palestinian mission. It's one of the most revolutionary messages of our time.

Who Is Maitreya?

According to the traditions of Buddhism, Gautama Buddha prophesied to his disciples that after the planet had been steeped in a period of darkness, Lord Maitreya would descend to earth to preside over an age of enlightenment. Buddhists today await Maitreya's coming in much the same way that Christians await Jesus' Second Coming.

But whereas Buddhists believe that Maitreya is coming at some future date (some put it at thousands, millions and even billions of years from now), we affirm that the ascended master Maitreya has come and is here today to initiate all who qualify themselves to be his students.

In studying the elements of historical Buddhism, we should remember that Maitreya is not so relevant to us as a past Bodhisattva or a future Buddha as he is gloriously relevant to us as a very present ascended master in our midst having full Buddhic powers and attainment, which he may transmit to us through teachings and initiations.

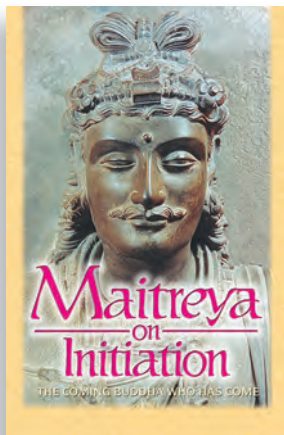

What Is Maitreya's Mystery School?

As the ascended master who holds the office of Cosmic Christ and Planetary Buddha, Maitreya teaches us the same path of individual Christhood leading to the attainment of Buddhahood that he taught Jesus more than two thousand years ago.

The Mystery School experience is an opportunity to cease being preoccupied with one's human existence and find out who we are in the mind of the Planetary Buddha and the Cosmic Christ. And be that spiritual being where we are.

You are living in the Eternal Now at a very crucial moment in the planetary cycles; and in this slice of eternity, you can determine to make your mark in time, in space. You can accept the fusion of your being with the Christ who is Jesus, the Christ who is Maitreya. We don't have any other time but now!

Messengers of Maitreya are we, one and all, sent to bear his teaching, the same teaching that has been taught by Jesus Christ and Gautama Buddha. The Mystery School series books bring you the deep teachings your soul has longed for—a spiritual path you once knew, lost, and now can regain and make up for lost time.

Teachings from the Mystery School.

In an ancient past—now only recalled in a Biblical account that many think of as legend—man and woman walked and talked with God in the garden of an earthly paradise.

Then came the Fall. We no longer saw the Guru face-to-face. The world became our teacher—the lessons often hard.

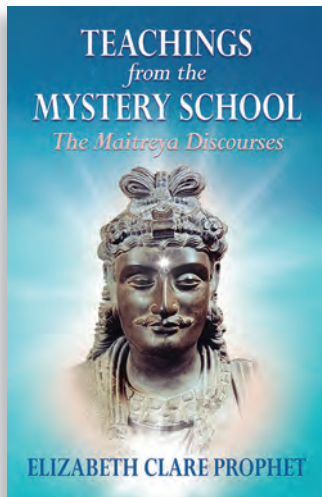

Now comes Maitreya—Guru of old. He would open the door of the ancient mystery school once more. But there are requirements to be met before we are ready to enter.

Maitreya would show us the way. The first step: to reestablish the thread of contact with the Guru—and with our own Real Self.

Enter the path of the Cosmic Christ.

Regain the Edenic consciousness.

Find your way back Home.

TEACHINGS FROM THE MYSTERY SCHOOL

The Maitreya Discourses

Welcome to the Mystery School of Lord Maitreya

Two thousand years ago, Maitreya, the Buddha of compassion, called to his disciple, Jesus, to “come and find me.” And so Jesus set out for the Himalayas to find the Father, Maitreya, and to receive the teachings that would be the key to an age.

Jesus tells us that the Mystery School of Lord Maitreya is “the open door of the coming of the golden age. This is the open door of the pathway of East and West, of the bodhisattvas and the disciples. . . . For once again it may be said that Maitreya is physically present, not as it was in the first Eden but by the extension of ourselves in form through the messenger and the Keepers of the Flame.”

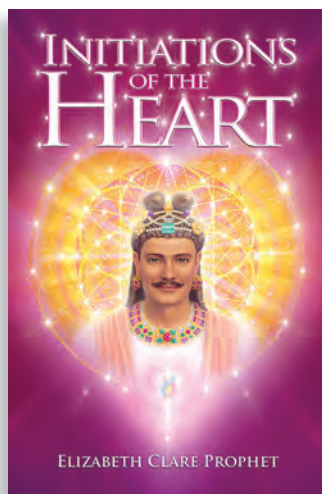

Soon after the opening of his Mystery School, Lord Maitreya began a series of profound discourses. Once again, Maitreya calls. Are you one of the fiery spirits that Maitreya Buddha is calling? Here is the book. Use it to find those keys to anchoring the consciousness of the Cosmic Christ in your life.

Welcome to the adventure of the ages.

THE PATH OF BROTHERHOOD

Prior to the Fall, men and women lived blissfully in a golden-age paradise. Their souls evolved in love, peace and harmony. In the ages that occurred after the Fall, souls lost their moorings, their sense of unity and oneness with God. They became increasingly aware of their sense of separation and their outer differences. In *The Path of Brotherhood*, Mark and Elizabeth Prophet demonstrate how brotherhood is possible, and crucial, today. They speak of the golden-age family and offer spiritual keys for achieving world brotherhood.

THE PATH OF THE UNIVERSAL CHRIST

In *The Path of the Universal Christ*, the authors of the best-selling *Lost Years of Jesus* and *The Lost Teachings of Jesus* series recapture the heart of the Master's message—that we, like Jesus, are meant to realize our own innate divinity, that we are destined to become one with our own Higher Self. Church fathers suppressed Jesus' original teaching on the Christ within. But, today, Mark and Elizabeth Prophet reveal our true inner identity and the true goal of our life on earth.

THE PATH TO ATTAINMENT

Attainment is the goal of the spiritual path—not the power to perform miracles or to control and manipulate life. In truth, attainment is the ability to give and receive energy in harmony. Those with the greatest attainment are often the most humble. In this volume readers will learn how to work with spiritual masters and how to navigate cycles of positive and negative karma unique to each individual. They will gain a greater understanding of twin flames, soul mates and karmic relationships; the spiritual role of sex; and the consequences of its misuse.
